

Golden Anniversary

Today "The Post" salutes Kiwanis International on the occasion of the fiftieth anniversary of the organization, and particularly the Lindsay Kiwanis Club which was formed on March 11, 1922.

The Kiwanis motto "We Build" has been amply demonstrated by the local club. They have taken an especial interest in the building of the Ross Memorial Hospital and the arena facilities in this town and have over the years, raised and donated vast sums of money to benefit the town and surrounding area.

The community minded citizens who are members of Kiwanis (or of the other active and progressive service clubs in town) deserve a big hand. Only a member, or former member of a service club like Kiwanis, Rotary, Kinsmen or Lions can know the hours of

work provided by members in community betterment. And with a little publicity.

On this Golden Anniversary, Kiwanis we pay tribute to fifty years of fine service, to the community at home and internationally.

* * *

Contentment

Contentment furnishes constant peace. Much covetousness, constant grief. To the contented, even poverty is a blessing. To the discontented, even wealth is a vexation.—Ming Sun Paou Kee

Industry

At the working-man's house the door is open, but looks in, but dares not enter; the bailiff or the constable enters only when the man of industry pays debts, but desists when they are creaseth them.—Franklin.
