From Our Own Correspondent

Mr. D. White is recovering slowly from his late severe attack of pneumonia.

Geo. Radley, sr., is putting in Mr. D. White's crop.

Two of Mr. Thos. Fisher's children—Samuel and Rita—were attacked with inflammation of the lungs last week.

All the sick people here are under Dr. Carter's treatment.

Mrs. Fred Bunt and little son of Collingwood spent Sunday with Mr. and Mrs. W. Pedlar, returning on Monday.

Mr. Simpson raised a frame barn last week by the pully and rope system.

A number of our young people paired off on Sunday evening and attended church at Eugenia. It was pairs, peaches, plums and other lucious things, no doubt.

A traction engine on its way from Markdale to Singhampton, created quite a sensation the other day. People at first fancied it the pioneer train on that electric railway which has been in course of construction for the past five years—in the air.

A Voice from the West.

Arcola, Assa., April 28th.
To the Editor of The Advance.

DEAR SIR—It gives me great pleasure to send you a little information of a few of the old Osprey residents who are now here.

Mr. Frank Whewell, formerly of Lady Bank, has purchased a half section of land near Arcola at a pretty good figure and is very busy breaking. He has also erected a house and stable on the same, and is very busy as it is a late spring here, but Frank is a hustler.

Mr. Edgar Brownridge of the fourth line of Osprey, also has a good half section near Mr. F. Whewell.

Mr. Robert Brownridge of the eighth of Osprey has hired out for the summer, but intends taking up land.

Mr. W. Whewell, formerly of Lady Bank, has arrived at Arcola from Dakota and is staying with his brother Frank,

Mr. S. L. Bale of Lady Bank has taken up land west of Arcola and intends settling down next spring.

The weather here has been very changeable and therefore put everything back. There is very little sown yet owing to a recent snowstorm.

We would like to get a little more Lady Bank news. And what has happened our Feversham correspondent? He little thinks there are people out West who read the Advance and are anxious for news.

We would also like to hear from the back line, east, too. They seem to be dead since the excitement of a year ago when the wood cutters were around. Wake up, there!

Priceville

From Our Own Correspondent.

Mr. Legatte of Owen Sound, was in town last week doing business for the Federal Life Assurance Co.

Mr. Archie McLean is engaged at present at Boyd's mill, Proton.

Mr. Mike Henry is employed in the freight sheds, Owen Sound, and we believe will move his family to the county town soon.

Mr. James Burnett has gone to Duluth.

Mr. W. J. Blakeston spent Saturday and Sunday around the village. We are always pleased to see W. J.'s smiling countenance.

Dr. Hutton and Miss. N. Patton of Durham, called on friends in town on Saturday.

Miss Rebecca Nichol is holidaying at the parental home on the gravel road.

Mrs. A. Wright, Mrs. McArthur and Miss Myrtle McArthur of Buffalo, are visiting the old home, Mrs. C. Simpson.

Mr. Arch McArthur of Durham spent Sunday at home here.

Mr. Peter McIntyre has gone to Crumlin, near London, where he is engaged in the cheesemaking business. John McIntyre is engaged in the Kenilworth creamery.

Fishing season has opened, but we haven't heard of any very good catches.

Mr. and Mrs. P. Bolger, Mrs. Henry and Mr. Thos. Stapleton attended the funeral of Mrs. Kelly of Proton tp., on Sunday. Mrs. Bolger and Mrs. Henry have the sympathy of the community in the loss of their father.

Mr. Ed. Watson of Durham attended the funeral of his grandmother, Mrs. A. Huddy last week.

Mr. Alex Anderson has returned to the Crown Hotel, after spending the winter at the Grand Central, Dundalk.

Miss Bertha James is in Owen Sound at time of writing, attending her sister, Edith, who is ill at present.

We are sorry to report John McPhail, O. D. R., as seriouly ill at present, but hope he will soon be around again.
