PAIN-KILLER.

After thirty-five years trial, it is still receiving the most unqualified testimonials to its virtues from persons of the highest character and responsibility. Physicians of the first respectability recommend it as a most effectual preparation for the extinction of pain. It is not only the best remedy ever known for Bruises, Cuts, Burns, &c., but for Dysentery or Cholera, or any sort of bowel complaint it is a remedy unsurpassed for efficiency, and rapidity of action. In the great cities of India, and other hot climates, it has become the standard medicine for all such complaints, as well as for Dyspepsia, Liver Complaints, and other kindred disorders. For Coughs and Colds, Canker, Asthma, and Rheumatic difficulties, it has been proved by the most abundant and convincing testimony to be an inevitable medicine.

It is used Internally and Externally.

Sold everywhere, Price 25 cts.

Thomas' Excelsior Electric Oil—Worth Ten Times its Weight in Gold.

Pain cannot stay where it is used. It is the cheapest medicine ever made. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity a lame back of eight years' standing. The following are extracts from a few of the many letters that have been received from the different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical. J. Collard, of Spart, Ontario, writes: "Send me six dozen Dr. Thomas' Electric Oil. Have sold all I had from you and want more now. Its cures are truly wonderful." William Maguire, of Frankfin, writes: "I have sold all the agent left; it acts like a charm—it was alone at first, but takes splendidly now." H. Cole, of Iona, writes: "Please forward six dozen of Thomas' Electric Oil, I am nearly run out; nothing equals it. It is highly recommended by those who have used it." J. Bedford, Thamesville, writes: "Send at once a further supply of Electric Oil, I have only one bottle left. I never saw anything sell so well, and give such general satisfaction." J. Thompson, Woodford, write: "Send me some more Electric Oil. I have sold entirely out. Nothing takes like it." Miller & Reed, Ulverton, P. Q., writes: "The Electric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb & Co., Buckingham, P. Q., write: "Send us one gross Electric Oil. We find it takes well."

Sold by all medicine dealers. Price 50 cents.

Note.—*Electric*—Selected and Electrized. 3727

The Montreal Proprietary School has been established to provide a liberal education similar to that given in the Public Schools of England. The course of instruction, however, will not be exclusively classical, and boys will be specially prepared either for the University and Professions or for Commercial Life.

Most eligible premises have been purchased for the School in McTavish street one of the most healthful localities of the city, and immediately adjoining the grounds of the McGill University.

The course of instruction will include Latin, Greek, Mathematics, French, German, Artistic Writing, English Grammar, Literature and Composition, History and Geography, both ancient and modern, Natural Philosophy, Vocal and Instrumental Music, Drawing, Gymnastics and Drilling.

A limited number of boys will be received by the Principal as Boarders or Weekly Boarders, and, with the view of keeping the pupil from improper influences, it is strongly recommended that all be entered as Day Boarders, who will dine in the house of the Principal.

Further particulars can be obtained from the Secretary, J. W. Holmes, Esq., 76 Victoria street, to whom all applications for admission must be made.

The School will open on MONDAY, the 12th of APRIL, and will be carried on for a few days at 76 Victoria street, the new premises not being quite completed. 3816
