WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then had no attack of it. I would recommend it to all,"—J. H. Earl, Hotel Keeper, West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds, etc., and think it is equally as good for horses as for man."—A. Maybee, Merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used;' it has done wonders in healing and relieving pain, sore throat, &c., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy, writes: "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit." A. Mc. Hamilton, Warkworth, writes: "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee, of this place, induced me to try Electric Oil, and before one bottle was used I was cured. It is a most remarkable medicine.

BERKELEY, Sept. 1869.—Gentlemen, I feel it a duty I owe to you to express my gratitude for the great benefit I have derived by taking "Norton's Vegetable Pills." I applied to your agent, Mr. Ivy, Berkeley, for the above Pills, for wind in the stomach, from which I suffered excruciating pain for a length of time, having tried nearly every remedy prescribed, but without any benefit at all. After taking two bottles of your valuable pills, I was quite restored to my usual state of health. Please give this publicity—for the benefit of those who may thus be afflicted.—I am, Sir, yours truly, HENRY ALLPASS. To the Proprietors of NORTON'S CAMOMILE PILLS.

The amount required in each case will be stated on the form of Tender.
The cheque or money thus sent in will be returned to the respective contractors whose Tenders are not accepted.
For the due fulfilment of the contract, satisfactory security will be required on real estate or by deposit of money, public or municipal securities, or bank stock to the amount of five per cent on the bulk sum of the Contract, of which the sum sent in with the Tender will be considered a part.
Ninety per cent only of the progress estimates will be paid until the completion of the work.
To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the due performance of the works embraced in the contract.

The Montreal Proprietary School has been established to provide a liberal education similar to that given in the Public Schools of England. The course of instruction, however, will not be exclusively classical, and boys will be specially prepared either for the University and Professions or for Commercial Life.
Most eligible premises have been purchased for the School in McTavish street, one of the most healthful localities of the city, and immediately adjoining the grounds of the McGill University.
The course of instruction will include Latin, Greek, Mathematics, French, German, Arithmetic, Writing, English Grammar, Literature and Composition, History and Geography, both ancient and modern, Natural Philosophy, Vocal and Instrumental Music, Drawing, Gymnastics and Drilling.
A limited number of boys will be received by the Principal as Boarders or Weekly Boarders, and, with the view of keeping the pupils from improper influences, it is strongly recommended that all be entered as Day Boarders, who will dine in the house of the Principal.
Further particulars can be obtained from the Secretary, J. W. Holmes, Esq., 78 Victoria street, to whom all applications for admission must be made.
The School will open on MONDAY, the 12th of APRIL, and will be carried on for a few days at 78 Victoria street, the new premises not being quite completed.
April, 9th 1875.

Wall Paper.

McKAY'S
CHOICE AND BEAUTIFUL
WALL PAPER.
INCLUDING THOSE DEDICATED BY THE MANUFACTURER
TO
Their Excellencies the Earl and Countess of Dufferin.
These Paperhangings are imported direct from the best Manufacturing Establishments in England, France, and United States. Great care has been taken in their selection with regard to colour. The ground tones are soft and pleasing to the eye, especially those toned with silver mica; but above all, they are free from the mineral poisons that many of the tawdry-coloured Paperhangings of the day are surcharged with. The Subscriber's long experience as a colourist, and being thoroughly acquainted with the chemical compound of the pigments used in Painting, enables him to reject, in his selection of Paperhangings, those coloured with poisonous pigments, so deleterious to health. The Public are respectfully invited to examine his STOCK of WALL PAPER before purchasing elsewhere.
As the undersigned is going out of the Room Paper Business as soon as his present Stock is disposed of, the Goods will be Sold at the Lowest Remunerating Prices.
