### Eugenia

*From Our Own Correspondent.*

DIED—At his late residence, June 25, Mr. John Williams, sr., of dropsy, aged 81 years and 5 mos. Deceased was a man very highly esteemed. He had resided at Eugenia about 40 years. The Orangemen, of whom he was a respected member, turned out in a body to the funeral on Saturday which was largely attended by his old friends and neighbors. His stalwart figure will be missed on the 12th of July, where he and his seven sons, all worthy members of Eugenia lodge, marched in the processions. This is the third member this lodge has lost by death in one short year. Revs. Thom and White officiated at the funeral. The bereaved family have the sympathy of all.

Our highly esteemed teachers have gone home for vacation—Miss Badgerow to Meaford, Miss Robinson to Markham.

Mr. F. T. Carr has the masons at work bricking his house. He has also added an extensive addition to the house, which will be a great improvement.

Mrs. Gilliland is doing quite a few repairs to her house, erecting a new kitchen, also other improvements.

Statute labor is now completed and the roads around Eugenia reflect great credit on the untiring zeal of our road overseer.

Mr. Walton Williams and family and Mrs. Isaac Pooley came up from the city to attend their father's funeral.

Mr. and Mrs. White of Toronto are guests at the Eugenia House.

Mr. Wm. Bennet of Toronto and two children are visiting at Mr. Madill's.

### Inistioge

*From Our Own Correspondent.*

Amongst recent visitors at Inistioge were Rev. J. G. Hutcheson from near Detroit, Mich., who while spending a couple of days the guest of his mother, occupied the pulpit of this church very acceptably on June 8th. Mr. H. N. Hutcheson of Walkerton also visited Inistioge friends at the same time.

Two events have taken place recently which were interesting, not only to those taking part, but to their friends as well. The first of these took place on Wednesday, June 11th at the home of Mr. and Mrs. Johnson, when their daughter Minnie, was united in marriage to Mr. John A. Rath of Dundalk. The ceremony was performed by the young people's pastor, Rev. Campbell of Dundalk, in the presence of a number of relatives and intimate friends. The bridesmaid was Miss Ella Johnson, sister of the bride, while Percy Neithercut of Mayburn performed the duties of groomsman. The bride was the recipient of a great many handsome and useful presents. The second event took place at the home of Mr. and Mrs. R. C. Howell of Corbetton on June 18th, when their only daughter was married to Mr. C. Johnson jr, of this place. This knot was also tied by Rev. Campbell. A large number of friends extend congratulations to Mr. and Mrs. Rath and Mr. and Mrs. Johnson and wish to both couples a happy and prosperous journey through life together.

Rev. Campbell will preach his farewell sermon in this church next Sunday. A number of true friends are sorry to part with him.

### Port Law

*From Our Own Correspondent*

On Sabbath last after a long illness Almina Adelaide McLean, wife of Mr. Geo. Beecroft passed from this life at the age of forty-one years. Deceased was born in Euphrasia township, and lived at Kimberley until 7 years ago when she wedded Mr. Beecroft, being his second wife; and proved a faithful partner and affectionate mother to his family, by whom her kindness was fully reciprocated. Through her illness she was never heard to murmur or complain, but bore her suffering patiently. She was fully resigned, often saying "The Lord is my Shepherd," therefore she feared not to pass through the valley of shadows. Although her residence in this part was not of long duration, by her quiet and innofensive nature, she had won the esteem of all; and Mr. Beecroft and her sister, Mrs. McDonald, who for some weeks past has waited at the sick bed, wish to publickly thank neighbors and friends, who have been unstinting in acts of kindness and sympathy. The funeral took place on Tuesday to Priceville, Rev. Mr. Cook officiating.

Another friend has passed away.
Up to that blissful throng,
To join the choir that chants to-day,
The never-ceasing song.

The cares on earth that crossed her breast,
She left them all below,
And now enjoys that tranquil rest,
Washed whiter than the snow.

She's reached the river's sunny side
Where storms and tempests cease;
Her boat has crossed the surging tide
And found a port of peace.

Why grieve we then with tear-dimmed eyes,
The loss which we sustain,
But let the thought soothe all our sighs,
To her our loss is gain.

Mr. John W. Haney is able to be around again after his critical illness.

Miss Janie Hill is also recovering from her recent attack of diphtheria.

Messrs. J. A. Hutcheson and John McKee took a cycle tour around the county last week, visiting Owen Sound and other points.

Mr. Beecroft of Nottawasaga attended his sister-in-law's funeral on Tuesday.

### Turning Down the Doctors.

The marvellous cures of Catarrhozone are being much talked about. Thousands are daily recognizing the exceptional merit of this simple inhaler treatment, and instead of running to the doctor with their winter ills they protect themselves by Catarrhozone; it kills colds in the head in ten minutes, quickly relieves Catarrh, Bronchitis, Asthma, Lung Troubles, and cures even though all other remedies have failed. Catarrhozone is very pleasant, safe and convenient to use. Its best recommendation is its enormous sale; try it to-day. Price $1, small size 25c., at Druggists. Sold by W. E Richardson.

John Clarke, of Orangeville, has struck on a system which he thinks is superior to cold storage as a preservative of perishable fruits for long distance shipment. Mr. Clark's plan is a system of dry storage, in which no ice is required. The idea of it is to fill the compartment containing the fruit with compressed air, and yet have a changing atmosphere. The Advertiser says :—"Upon the floor is placed a slatted box leaving a space of about four inches so that the air can get underneath the cases or boxes of fruit. The fact of forcing the air to the floor at a rapid rate will cause a pressure in the chamber so that the air will penetrate the cases and drive all gasses and dampness from the fruit, consequently no perishable matter can decay when kept under air pressure with a continual change. As regards temperature, it makes no difference. The temperature can be from 40 to 100, the hotter the day the drier the air. Mr. Clarke has succeeded in having his method applied by the C. P. R. to a considerable number of cars on its lines, and the system is giving absolute satisfaction."

## 3000 on Grounds

### The Gate Receipts Amounted to the Grand Total of $361.50.

**Grand Weather—Good Attractions—A Happy Crowd Put in the First of July in Flesherton This Year,**

Flesherton was certainly fortunate this year is being granted the choicest of weather for their holiday celebration, and the crowds took advantage of it. It is many years since Flesherton has seen so large a crowd, or a crowd that was more satisfied with the day's entertainment put up. In the morning Rockvale and Vandeleur came in with two very good calithumpian outfits, and these created a great deal of amusement. Rockvale had the prize outfit with a large chariot. Flesherton youngsters put up a "hard-times" bazoo band. Vandeleur came in as soldiers "in disguise."

In the afternoon the weather was the pink of perfection and crowds of people flocked to the grounds where a grand afternoon of fun was provided. It is estimated that there were nearly 3000 people on the ground. The gate receipts amounted to $361.50 and when the great number of ten cent tickets is taken into consideration it will be understood that this estimate is not far out. Owen Sound and Durham lacrosse teams put up a very nice exhibition game, giving some of the prettiest playing seen here in a long time. The score stood 1 to 2 in favor of Durham. The committee made no mistake in getting these clubs to entertain the people, and everybody was thoroughly delighted with the performance. Probably the star attraction of the afternoon, however, was Prof. G. Murray, with his pipes, and the little Misses Ruth Bryce and Minnie Ross in Highland dances. These little ladies are certainly stars in their line and elicited many favorable comments from the crowd which surrounded them continually during the afternoon. Prof. Murray is also a star dancer. These were ably assisted during the afternoon by Messrs. Peter McArthur and Hector McDonald of Priceville. Priceville has something good on the pipes in Peter McArthur, who has only had his instrument since last fall but the manner in which he handled them was highly praised by all who understand the intricasies of this instrument. Prof. Murray paid him a high compliment.

The horse racing was very good, there being horses present from Meaford, Stayner Durham and Markdale. R. McGirr of Meaford brought over a string of no less than five and all good horses. The judges were Messrs. Wm. Black of Durham and Geo. Hamilton of Toronto. Following is the result :

OPEN TROT

Nitchie (Stayner mare) 1st, Maybird (McGirr) 2nd, Dominion Girl (McGirr) 3rd. Time 2.33½.

THREE MINUTE TROT

Hy. Novell, (McGirr) Birdie A, (McGirr) Marl King (J. H. Hunter, Durham) 3.

TWO-THIRTY-FIVE TROT

Melinda Cook, (McGirr) and Campana, (J. Henry, Markdale) divided third money.

OTHER SPORTS

100-yard dash—W. Pickering 1, Geo. Campbell 2, Percy Bellamy 3.

Hop, step and jump—George Campbell, 1, Thos. McDougall 2, R. Whittaker and W. Clark tie.

Boys' foot race, under 15—B. Trelford, J. Humberston 2, Wes Orr 3.

Fat man's race—R. Whittaker, E. Hawke 2, Jas. Best 3.

NOTES

Cousin Sandy Stewart can do the light fantastic when the bagpipes play as well as any youngster, when his enthusiasm is tuned up to the highest pitch. At any other time he is too modest.

Many people noticed that the fine flag which our trustees possess was not flying from the public school. What was the matter? Are our trustees wanting in loyalty, or was it owing to an overplus of laziness?

Boyd, Hickling & Co.'s handsome flag flew upside down as a sign of distress, but they didn't mean it that way. It was probably done as a delicate recognition of the King's illness.

Prof. Murray and his troupe gave a Scotch concert in the evening with County Commissioner John McArthur in the chair. This was not gotten up by the committee, and was not advertised, consequently the attendance was not large. A good program of Scotch music was given, interspersed with speeches from the chairman, M. K. Richardson, John Boyd and M. K. Beaton. Markdale band, which by the way, gave splendid music throughout the day, was also present and rendered a couple of choice selections.

There were a couple of minor accidents throughout the day but nothing serious.

Just wait till next year!
