Corp. Harley Phillips Killed In Action

Again the dreaded cablegram has been received, this time by Mr. Martin Phillips of the Collingwood gravel. The message was received Tuesday morning announcing that Corp. Harley Phillips had died on August 8th at a clearing station of gun shot wounds in the chest.

Harley was a member of the old 147th Batt., and has been in France serving with the 58th Battalion for about two years. He had once been wounded in the neck by a sniper, but recovered. He was a brother of our worthy citizen, Mr. Oscar Phillips. The sorrowing relatives have the sympathy of all, and especially of those who know from bitter experience.

Flesherton High School Record

In the Lower School, Entrance to Normal and the Junior Matriculation examinations that were written off this year a great number failed to secure their standing. In the Lower School exams. that were written off at Flesherton five pupils tried and two failed. Five got their exams. by completing three months' farm work. In the Entrance to Normal eleven tried and four failed, five receiving their standing by doing farm work. The Junior Matriculation four tried, two passed successfully and received partial standing. This school has always had a fine standing, being considered as one of the best, and most fully equipped high schools in Grey County. The high school trustees are hoping to have as good an attendance this year as the school has ever enjoyed before. The town will welcome all students who intend to further their school learning by attending this high school. The following is the full report of the pupils who passed their examinations :—

The Right of Way

The Municipal World gives particulars of a case of interest to owners of automobiles. It says a horse drawn vehicle must turn to the right of a beaten path or roadway and permit a motor car to pass. Failure to do so makes the driver of the former vehicle guilty of negligence in the opinion of a jury composed largely of farmers at Woodstock. This verdict was reached after a trial lasting three days. Miss Florence Reid filed suit against Lant Stephens asking $5000 damages for personal injuries received in a runaway, caused, as she averred, when Stevens drove his car into her buggy when she ignored the repeated signals to turn out and give part of the road. As Stevens drove past the buggy the car collided with the wheels of the former vehicle, the crash frightening the horse, which ran away, throwing the occupants of the buggy out. Miss Reid received injuries which she claims are permanent. After a hard fought trial the jury decided in favor of the defendant, claiming that the plaintiff was negligent in not surrendering one half of the road. The decision establishes an important precedent, and one that will be of interest to every driver, whether of a motor car or a horse drawn vehicle.

David Sherman of Perm had his arm broken while cranking his Ford car.

Wm. Rolling of Barrie suffered a heavy loss when fire destroyed his hog pens and 42 hogs contained therein. The cause of the fire is unknown. There was $100 insurance on the building which was valued at $600 and $300 on the hogs which were worth $1400.

Ogle Bellerby and Edgar Silk of Shelburne, accompanied by R. J. Little of Mono, had a serious motor accident on Wednesday evening of last week, says the Free Press, when returning from Brampton. They were making the turn off the Centre Road at Purple Hill at too high a rate of speed when the six cylinder McLaughlin car overturned and Mr. Little was seriously injured. He was taken to Lord Dufferin hospital, where he is in a serious condition from internal injuries. The car was badly damaged. The other occupants of the car were not badly injured.
