Dundalk.

From Our Own Correspondent.

An exhibition game of lacrosse was played on the Agricultural grounds here on Friday last, the competing teams being Chatsworth and Dundalk. It was a very pretty and gentlemanly game throughout, being keenly contested, as the score indicates. Not until the 3rd quarter was there a goal scored, when Chatsworth succeeded in notching their first and only goal, and during the last quarter Dundalk seemed to gather themselves together and played fast lacrosse, succeeding in notching two goals, when time was called, this leaving the score 2--1 in favor of Dundalk. Dundalk plays in Orangeville on Thursday this week.

Mr. J. Symington, C. P. R. agent, whose health has not been very good, is taking a much needed and deserved holiday.

Port Law

From Our Own Correspondent

Rev. Mr. White, pastor of Mount Zion church, commenced last week a series of revival services, to be continued indefinitely. It is to be hoped much success will follow Mr. White's earnest labors to win souls to a higher life.

Mr Wm. Wallace has been suffering from an attack of tonsilitis, but hear he is now well on the way to recovery.

Mount Zion Sunday school picnicked on Friday last in Mr. R. Cornfield's grove and had an enjoyable time.

Our football team went over to Maxwell Wednesday of last week and played the team there. Very little is said of the result, but it is quietly whispered that our boys got licked. On Friday a return game was played in Mr. Shierdown's field, resulting in a score of 3 to 0 in favor of the home team. This of course is kept no secret.

Messrs. Wm. Allen, Edward Jamieson, and Albert Blackburn left to day (Tuesday) for the old settlement. May fortune favor them.

Rockvale.

From Our Own Correspondent

Armstrong Bros. will finish the veneer cut for this season this week, and last week they completed the hardwood cut. The stock was a large one and required more time to cut out than was anticipated. Several of the hands will go to Markdale to work in the firm's mill at that place, and will be much missed in social circles here.

Rockvale and Eugenia football boys played a game here on Tuesday evening which, after a warm tussle, resulted in a tie. A large number of spectators supported both sides.

Mr. James Park spent Sunda. with his son in Owen Sound.

Messrs. McColman and Radley spent Sunday last in Markdale.

Master Frank White has been quite seriously ill but is recovering.

A certain Rockvale young man recently drove a yaung lady down to Dundalk, but it seems the couple disagreed about something and the young man was so unchivalrous as to return home alone, leaving the young woman to get back the best way she could. We cannot say who the parties were, but the truth of the story is vouched for. Alas! for the decadence of chivalry among the young men of the rising generation.

A Wonderful Tonic and Strengthener

Said a druggist to-day, "no doubt about it, the tonic that gives best results is the biggest seller, and that is Ferrozone. It enriches and purifies the blood, restores strenth and energy to the feeble, and is a scientific reconstructor that was always popular. In Chlorosis, Anaemia, Tiredness, Languor, Brain Fag, Indigestion and Dyspepsia its action is prompt, and satisfactory cures always follow. Yes, I recommend Ferrozone to my customers because I believe it is the best tonic and strengthening medicine that money can buy. Large boxes cost 50c. Sold by W. E. Richardson.

The Owen Sound Sun is responsible for the statement that the Toronto man whose wife has just given birth to triplets has applied for a recount.

Robert Johnston, a prominent farmer of Brant residing about three miles north of Walkerton, was accidentally killed on Thursday evening by falling from a beam in his barn to the floor, a distance of 20 feet. Deceased was 63 years of age.

Chas. Hetzberger of lot 5 the 13th concession of Normanby dropped dead on Tuesday morning while at work in the barn. He built a new barn recently and he was engaged in completing it when he felt a pain in his heart. Staggering back he died in his wife's arms a moment afterwards. He had been a victim of heart disease for 13 years and his physician had told him his life was constantly in danger.

One of the first, if not the first, lacrosse game ever played in the Dominion, in which every one of the twenty-five players was a lady, occurred at the King's Royal park on Friday evening. It was the outcome of a picnic held at the beach, and the game was decided upon as a novel diversion. Mr. John Ramsey refereed the game for the ladies', and the score at the call of time was a tie, each side having scored two goals.—O. S. Times.

Our United States cousins are getting ready for another election, and one of the chief issues is the money standard. A young lady from across the lines, who is summering in Owen Sound, was telling some girl friends all about it and declared that all the gold standard girls, of which she was one, wore yellow garters. Just then her summer beau, a prominent young townsman and park patron, joined the group, and turning to him, she said: "You know I'm gold standard don't you, Jack?" And the others giggled and wondered how Jack knew.—Chatsworth News.

Mr. Silas Toole, of Whitchurch, on the 29th of May last, was visited by two well-dressed strangers, who represented themselves to be friends of Sir. Wm. Mulock, and guests at this summer residence near Newmarket, and wanted to buy a farm. A satisfactory bargain was arranged, and to bind the bargain, $10,000 was counted out and placed in a valise, which Mr. Toole was to keep in his possession until the following Wednesday, when the balance of the money was to be paid, while one of the men kept the key of the valise. After considerable conversation, Mr. T. was induced to draw $5,000 out of the bank for the men. When they left they handed the valise supposed to contain the $10,000. As they did not return at the appointed time, Mr. Toole became suspicious, and on opening the valise found it contained only a couple of stones and a note, saying. "You're fooled this time, Mr. Toole. You will never see our faces again." The men got away with $5,000 in clear cash.
