Local Intelligence.

SELBY LEE will not, nor cannot, sell boots and shoes at cost, but will sell ten per cent. cheaper than any other shop in the city. 394088

THE EQUINOXES.—The weather wise say that the present rough spell and great downfall of rain is due to the Autumnal Equinoxes. Should this be the case, the equinoctial gales have set in a little earlier than usual.

PURE IRISH FRIEZE.—We invite visitors to the Exhibition to inspect our pure Irish Frieze, just imported. The best material manufactured for travelling coats. T. W. Kenny & Sons, Merchant Tailors and Gentlemen's Outfitters, 86 Sparks street, Ottawa. 394755

PULLMAN CARS.—The Managing Director of the St. Lawrence and Ottawa Railway has succeeded in obtaining Pullman cars to run on that road during exhibition week. This additional means of transit to the capital will be hailed with delight by the travelling community.

MORE RAIN.—It rained the greater part of the day yesterday again, and as a result the streets are fearfully muddy. In addition to this, a cool, bracing atmosphere set in, bringing overcoats and winter clothing into general demand. The sun set very bright, however; last evening, and gave every indication of coming fine weather. Should it clear up to-day, the streets will soon dry up, with the comfort of an absence of dust at any rate.

TEMPLE BAR.—The ten mile race between Louis Eustache and Crapin, of Ottawa, comes off to-day at the Temple Bar Grounds, for $100 a side. Marrier's band will be in attendance. Mr. A. Pollitt, in consideration of the bad weather, has issued tickets for those who were disappointed—therefore to-day a good time may be expected; a capital dancing platform has been erected, and Mr. Pollitt is determined to spare no pains to make his place a success.

REMOVAL OF THE HYDRANTS.—The hydrant opposite the Russell House on Elgin street is being removed to the outer edge of the sidewalk. The change is being effected just in good time. Steps are being taken to remove the one on Metcalfe street below the Methodist Church, on the road to the Opera House, to-day. This, above all others, has been a source of great annoyance, and many have been injured by it. Its early removal will be hailed as a public benefaction.

GOWAN'S VARIETY HALL.—Not the least by any means will be the amusement afforded by Mr. Cool Burgess and his extraordinary combination in Gowra's Hall, Sparks street, during the forthcoming week. He will inaugurate a short dramatic season on Monday night by introducing to the public himself and the celebrated Townsend Family in comedy, tragedy and other specialties, making altogether one of the best variety entertainments travelling. All who know Cool, must feel satisfied, that he will cater nothing but a first class performance to the public. Strangers on a visit to the city will find this a convenient place to spend an evening.

JUVENILE TEMPERANCE.—The Juvenile Temple in connection with the Ottawa Enterprising Temple will resume its regular meetings, in Morrison's Hall, York street, this evening, at 6:30 p. m., after the summer holidays. Brothers McMullen and Abbott will be present to superintend its deliberations. The hope is earnestly expressed by those in charge that parents and all interested in the welfare of the youth of this city, will do all in their power to help them, by sending all the children they can to encourage this effort in the cause of temperance. Juvenile temperance is, perhaps, after all, the best means of educating the public mind to a due appreciation of this great reform.

PRIVATE BUTCHER STALLS.—It would seem that the owners of private butcher's stalls, having become impressed with the idea that it is illegal to pay a license for the privilege of opening stalls on the public streets, are refusing to pay the current quarter's dues. This may or may not be the case, but one thing is conclusive, that the Corporation has the power to say where fresh meat shall be sold, and will undoubtedly exercise its authority in this direction. Now that additional market accommodation is fast forthcoming, it is highly desirable in the interest of the public health that the markets should be utilized for the purpose for which they were originally intended. Besides, the rapidity with which the outside stalls have increased of late has so seriously affected the trade in the markets that most of the butchers therein have intimated their intention of throwing up their market stalls.

GOWAN'S OPERA HOUSE.—The *Shaughraun* Dramatic Troupe, under the able and efficient management of Mr. E. A. McDowell, will open for a short season in Gowan's Grand Opera House on Monday night. The scenery is all new, and those who remember the stage fittings during the last appearance of this company will be pleased to learn that great improvements have since been made in the stage arrangements. "Rosedale," an emotional play of great repute, will be put upon the boards for the first time, and will doubtless be done ample justice to in the hands of the company that is entrusted with its rendition on Monday night. The play is of such a character as to fully bring into action the full dramatic talent of the troupe, as well as to show the splendid new scenery recently placed in the theatre. Among the new names recently added by Mr. McDowell to his company is that of Miss Kellogg, who has the reputation of being a star in her profession. She will assume the principal role in this play, in which she is pronounced as yet to be unrivalled. The New York *Tribune* in speaking of this lady, says: "She has a melodious voice and a caressing, graceful manner, a fine figure, and sufficient mobility of feature for the appropriate expression of sentiment or passion. Love hatred, fear, joy and hope find ready reflection in her countenance. Miss Kellogg shows extraordinary merit, and gives abundant proof that she will speedily rise to be one of the most famous actresses America has ever produced.

The Provincial Exhibition.

Meeting of the Joint Committee.

A meeting of the Exhibition Committee was held in the City Hall yesterday afternoon at half-past three o'clock, for the purpose of arranging matters of detail in connection with the coming Provincial Fair.

His Worship Mayor Featherston occupied the Chair, and Mr. A. S. Woolburn acted as Secretary.

The occasion brought together quite a number of our most prominent and influential citizens, there being present—Alonzo Wright, M.P.; W. McKay Wright, M.P.; J. M. Currier, M.P.; Aldermen Rowe, Birkett and Groulx; R. Cummings, Reeve of Gloucester; Messrs. A. McKellar, N. Robertson, G. W. Eaton and others. Several important questions were taken up in order, and discussed in the meeting; among them that of the facilities at the command of the authorities for furnishing lodging accommodation to strangers who might come to our city during the week. The Committee on accommodation—Messrs. Rathwell and Laplerre, reported to the effect that they had spared no pains in making those comfortable who may come to town during the Exhibition, and although the number of strangers coming to Ottawa during the coming week will be undoubtedly large, there is no reason to apprehend but that the extensive preparations made for their accommodation by our hotels and private boarding houses will be amply sufficient to meet all demands.

With a view to ensure all possible convenience for strangers, the following resolution was submitted for the consideration of the meeting:—

Moved by Mr. CURRIER, M.P., seconded by Mr. EATON, "That the Hotel Accommodation Committee be instructed to have a further canvass of the city made, chiefly in respect to lodgings for visitors in private houses, and also to adopt if necessary, the proposal of Mr. Cummings, to convey people to hotels in Hull and on the leading roads adjacent to the city by stage." Carried.

Another important matter was brought up before the Committee, the question of keeping the toll-gates open during the Fair. The Committee seemed to be unanimous in the opinion that it would be the cause of great inconvenience to spectators and exhibitors going to and from the Fair grounds if the vehicles were compelled to stop in front of the toll-gates for the purpose of paying toll. Mr. C. T. Bate, on behalf of the stockholders of the Ottawa & Gloucester Road Company, was present, and took part in the discussion. The following resolutions were then presented to the meeting:—

Moved by Ald. ROWE, seconded by Mr. N. ROBERTSON, that the committee named to negotiate with the Ottawa & Gloucester Road Company are hereby authorized to offer that company $300 in consideration of the two gates leading from the city being thrown open during Exhibition week.

Moved, in amendment, by Ald. BIRKETT, seconded by Mr. CURRIER, that the committee appointed to make arrangements with the Ottawa & Gloucester Road Co. be authorized to offer the sum of $400 in lieu of the two city gates being thrown open to the public during next week. (Lost.)

The original motion was then carried by a vote of seven to six.

The question of throwing the Suspension Bridge free of toll next week was then taken up and discussed with the following result:

Moved by Mr. McKAY WRIGHT, seconded by Mr. EATON, That the Mayor, with Messrs A. WRIGHT, M. P., and W. McKAY WRIGHT, M. P., Mr. CURRIER, M. P., Mr. MORGAN, Hon. Mr. SCRIBE and Alds. ROWE and GROULX, wait upon the Government, asking that the collection of tolls at Suspension Bridge be suspended during next week, in the interest of the Provincial Exhibition.—Carried.

The question of increasing the police force during the Fair for the better preservation of order throughout the city and on the grounds, was next brought under consideration, and it was decided to make adequate provision for that purpose.

The Committee then adjourned until Monday next, at 10 o'clock, a.m., to meet on the Exhibition Grounds.

POLICE COURT.

Before M. O'GARA, P. M.

FRIDAY, Sept. 17.

Wm. Smith was charged with retailing vegetables around the street, in violation of the market by-law. He was fined $2 and costs.

Mr. and Mrs. Donovan were charged with assaulting one Mrs. Chambers. Mrs. Donovan was mulcted in $5 and costs, and the husband released.

H. Champagne was accused of assaulting one Gabriel Guilette. A brother of the prisoner was also found to be implicated in the assault. The magistrate accordingly fined each of them $5 and costs.

Antoine Desjardins was charged with a breach of the peace on Murray street, on Thursday night. He was relieved of $2 and costs.

Maria DeLong was charged with keeping a disorderly house on Nicholas street. She was fined $50 and costs, or two months in gaol.

Theodore Hooker was charged with a breach of the peace. His pugilistic tendencies were rewarded with $5 and costs.

Antoine Lahaise, on a similar charge, was remanded till to-morrow.

Cyrille Poole was up on remand for using insulting language to Louise Coteau. He was fined $5 and costs, or go to gaol for two weeks.

JOURNALISTIC.—Mr. Norris, of the Montreal *Herald*, has arrived at Ottawa, and is stopping at the Russell House.

MORE GAS.—A little more light would prove very acceptable during Exhibition week. There should be no lack in this direction, for the credit of the city.

PIC-NIC.—The pic-nic of the Sunday school, in connection with the Daly street Presbyterian Church, is announced to take place in McKay's grove, to-day. The weather does not look very propitious just at present for such an event.

WATERWORKS.—Mr. Kennedy, manager at the pump house, says that if the weather is favourable this afternoon about five o'clock, he will throw a large jet of water on the Pump House Ground, when the full capacity of our system will be tested.

PREPARATIONS NEARLY COMPLETED.—A quantity of light goods and machinery arrived in the city yesterday and was placed in position on the Exhibition Grounds. Mr. Bartlett has succeeded in getting his steam power for use at the Fair in running order. A number of the men who have charge of departments also arrived in the city yesterday. The Secretary is expected to arrive to-day and will immediately take up the quarters provided for him on the grounds.

ENTRANCE EXAMINATION TO NORMAL SCHOOL.—Thirty six students commenced the written examination for entrance to the new Normal School in this city yesterday, before Mr. McCabe, Principal, and the assistant masters. The subjects of grammar and arithmetic have been disposed of, and on Monday evening those entering the junior division will have finished their entrance course. The seniors will however continue writing on Tuesday and Wednesday forenoon. The official opening will take place in the afternoon of Wednesday in Gowan's Opera House, and will doubtless be a grand affair, judging from the number of leading gentlemen in the Province that are to take part in it. On Thursday morning the real work of the session will commence. On that day all applicants will have to be on hand, those who have not been obliged to write for entrance, from having previously obtained certificates, as well as fresh students.

Special services will also be commenced to-morrow afternoon in the above rooms, both at 4 and 8.30 p.m., when Mr. MacKay of Kingston will be present.

ELGIN STREET OBSTRUCTION.—The Contractors for the Main Sewer met with a series of accidents yesterday, that has thwarted their endeavours to pass Elgin street in time for the Provincial Exhibition. The boiler of the stone crusher traveller was injured to such an extent as to render it unfit for use. The subsidiary city drains, together with the surface water from the recent rain-storm almost completely filled the excavation and caused a caving in of the main sewer that rendered it utterly impossible for the men to proceed with the work. In the course of yesterday an understanding was come to with the Local Exhibition Committee whereby the opening of Elgin street would be planked over in the event of their not succeeding to-day to proceed with the brick work in the sewer. It is absolutely necessary that something should be done to facilitate travel on this street during the fair.

412 Rideau St, or "Standard Office," Ottawa.

From A. McNab, Esq., President of the Provincial Agricultural and Arts Association.

SIR,— I have no hesitation in giving your proposed Hand Book my hearty approval, believing it to be interesting to the public generally and particularly to the Agriculturists of the Dominion.
Yours, etc.
ARCH'D. McNAB.
A. ROBERTSON, Esq., Ottawa.

From the Hon. D. Christie, Speaker of the Senate, and late President of the Upper Canada Provincial Agricultural Association.

MY DEAR SIR,—I have read your letter with great interest and have pleasure in stating my hearty approval of your scheme, in publishing a "Provincial Exhibition Hand-Book." It will be a work of real value to visitors to the Exhibition, as a reference. I hope you will meet with sufficient encouragement to justify a yearly publication of the Hand-Book.
I remain, yours very truly,
D. CHRISTIE.
ALEX. ROBERTSON, Esq.

Encouraged by the hearty approval of Mr. McNab, Hon. Mr. Christie, Hon. M. Cameron, Hon. Mr. Skead, Jas Morgan, Esq., and many other gentlemen of distinction, I have secured a copy-right, and under the title of the "Provincial Exhibition Annual," and intend to make of it a yearly publication in connection with our Provincial Exhibitions.
ALEX. ROBERTSON.

Borthwick Springs.
A limited number of boarders can be accommodated at the Borthwick Springs. Invalids wishing to avail themselves of the benefits to be derived from the use of the best Mineral Water on the Continent, and parties wishing to spend a few weeks in the country should visit these Springs.
Comfortable quarters at moderate charges, fitted with all necessary requirements for
SHOWER AND OTHER BATHS.
Pure country air and freedom from excitement give the patient the benefit of hygienic results impossible to be obtained elsewhere. The attention of the reader is particularly directed to the fact that this Mineral water loses none of its virtues by keeping or transportation, and that where freely taken by those in good health, health continues. By invalids who cannot visit the Springs, the Water can be as well used in their own houses, whilst its low cost places it within the reach of all.
Delivered to all parts of the city in 3 gallon jars, at 10 cts. per gallon; in 30 gallon barrels at $4.50 each, barrels extra. For conveyance to the Springs and other information, apply to
