Flesherton Advance.

"TRUTH BEFORE FAVOR."—"PRINCIPLES NOT MEN."

VOL. XXII, NO 1094 | Flesherton, Ont., Thursday, July 31 1902 | W. H THURSTON, EDITOR & PROPRIETOR

Something New. . .

Yes, we have something new and if you've never seen it, it will be worth your while just to spend a few minutes and have a look at our

New : Show : Case

We have an extra fine 10 foot wall case in quarter cut oak and it isn't an empty one either for we have it full of excellent silverware

LADIES' &GENTS' WATCHES

Our stock of Ladies' and Gents' Watches is full and they are the very best quality. We don't keep a poor quality but our lines are up-to-date and the prices right.

W. A. ARMSTRONG - FLESHERTON

Vandeleur

From Our Own Correspondent.

Haying has been kept in check by the wet weather.

Miss Howard of Toronto is spending a short time with her cousin, Mrs. George Hutchinson, jr.

Mr. and Mrs. Thompson of Port Law, called on friends in this vicinity last week.

The Ladies' Aid of the Methodist church held a very successful garden party at Mr. Richard Douglass', on Tuesday evening last. Proceeds $15.

Mrs. Carson of Priceville, accompanied by her daughter in law, Mrs. A. Carson, paid a short visit to Mr. S. Gilbert last week.

Mr. Clark was on the sick list for a few days last week.

Miss Lizzie Hawkins of Harkaway, spent Sunday at Mr. J. M. Davis.

Miss May Warling is home from Flesherton for a couple of weeks.

Eugenia

From Our Own Correspondent.

Mrs. Hilts and Mrs. Russell of Erin are visiting at Mr. Walker's at present.

During the severe thunder storm on Wednesday evening last, lightning struck the barn of Mr. Purvis, splintering some of the rafters, but no serious damage was done.

Don't forget the garden party on August the sixth at the Eugenia picnic grounds.

The weather for the past week has been rather wet for good haying, as the crop is very heavy.

Mr. and Mrs. J. Thompson have been down to Mulmer, attending the funeral of Mrs. Thompson's father.

The ladies' who visited at Mr. Woodburn's have returned to their home in Bloomfield, N. Y. They were delighted with Eugenia and its fine scenery and hope soon to return to it. They are spending some time in Toronto and will visit all places of interest, also Niagara and the Thousand Islands. They declare their trip the most delightful ever taken, as Canada was a surprise to them.

The following guests are at the Eugenia House: Mr. and Mrs. McGowan of Orangeville; Mr. King, wife and child, of the Bank of Hamilton, Dundalk; Mr. R. J. Davidson of Rice, Lewis & Co., Toronto. Messrs. Fred Weighart, of the Palmer House, Toronto, and Mr. Frank Beere of Toronto, spent a few days as guests of this house last week.

Priceville

From Our Own Correspondent

On Tuesday the 22nd, another of our residents passed away from this life in the person of Mr. Robt. J. Conkey, at the age of 63 years. Deceased had been ailing since last winter with the horrible disease cancer, of the neck, and although everything possible was tried to have it cured, it was of no avail. The funeral took place on Thursday to the village cemetery, the Rev. Matheson conducting the service. Deceased leaves behind him to mourn his loss, a widow, five sons and two daughters. All were present except Thomas who is near Calgary and consequently could not get here. The family have the sympathy of the community in their time of trouble.

On Saturday the 26th inst., Mr. Donald McDougal, sr, South Line, Glenelg, passed away. He was among the early settlers of Glenelg township. The funeral takes place to-day (Monday) to the Priceville cemetery. The bereaved have our sympathy. Thus one by one a great many people of this section of country have gone to the great beyond this year. The Rev. J. A. Matheson will have preached his eighteenth funeral sermon for this year, when he preaches Mr. McDougal's to-day.

One of the worst thunder storms which has been known in a good many years around here passed over this place last Wednesday night. The steeple of the Presbyterian church was struck by lightning, tearing nearly one side out of it, scattering the slate shingles for fifty feet around, but no damage was done to the inside of the edifice. Fortunately the building did not take fire for it would have been impossible to save it without any fire protection. The same evening Mr. John Conkey and Miss Myrtle Conkey were driving to Flesherton Station and when just at the six corners, a telephone pole opposite to them was struck. The shock dazed both occupanes of the buggy and the horse also. They say they don't wish for any closer call.

Miss Nathalia Grier is visiting friends at Dromore.

Misses Emma McLean and Sara McMcMillan are visiting friends at Nobleton.

Mrs. Dow, sr., of O. D. R., has gone with her daughter, Mrs. J. Price, to visit her at home near Duluth.

Mr. Thos. Bell of Laurel is renewing acquaintances in the village this week.

Mr. Regie Grier arrived home last week from New York, where he has been attending School of Advertising.

Mr. and Mrs. McMaster and Master Jamie Simms of Sarnia, are visiting at the parsonage.

Mr. Jos. Oliver, O. D. R., raised a bank barn 45 x 55 on Friday last. Dr. J. R. Atkinson and Dr. I. Dixon were captains, the latter winning the race.

Mr. W. Conkey of Guelph and Thos. Conkey and family of Dundalk, attended the funeral of R. J. Conkey.

Jack Brownlee, of Damascus, started off for Fergus the other day to see the circus in Guelph and was given a ride by a couple of friends who met him on the road. Arriving at Fergus he commenced to imbibe and was soon unable to go anywhere but to sleep. Awaking he went to the stable took, the horse and buggy and started off. When the owners arrived from Guelph and found their outfit gone they had a warrant issued against Jack for stealing. He was arrested, sent up for trial, and the Judge at Guelph let him out on bail.

Do You Belch Gas?

If you have uneasy sensations in the stomach, a bad taste in the mouth, headache--remember that ten drops of Polson's Nerviline in sweetened water is a quick and certain cure. Nerviline aids digestion, dispels the gas, makes you comfortable and free from distress at once. Nerviline is just splendid for cramps, colic, dysentery, stomach and bowel troubles, and costs only 25c. Better try it.

Canada is to be inspected by a party of English school masters and school mar'ms, says the Toronto Star, who are to take a trip hither before the end of pseudo summer. The information was conveyed to Hon. Richard Harcourt, Minister of Education and Acting Premier, in a letter he received Tuesday morning from Hon. Geo. W. Ross. Mr. Ross was unable to state how many teachers would join the party, but he was assured that the number would be large, and the tourists would be enthusiastic seekers of information in their travels through the land of the "new nation within the Empire."

Dr. Horsey, M. P., Killed

Beyond question the most distressing accident that has occurred in Owen Sound transpired at the new works of the Sun Portland Cement Company, Limited, on Wednesday evening, which resulted in the death of Dr. E. H. Horsey, M. P., the principal stockholder and the promoter of this extensive enterprise, shortly after midnight.

About 5 o'clock, Mr. William P. Telford of Telford & Co., bankers, and one of the directors of the Cement Company, visited the mill, and Dr. Horsey conducted him through the various departments. At 6 o'clock, when closing time came, the gentlemen were in the engine room, in which, in addition to the powerful principal engine of 650 horse power, there is an accessory engine, which is run when the big engine is closed down, and also to operate various lighter-running sections of the mill.

Dr. Horsey had just given instructions with regard to closing down the smaller engine and starting up the larger, and had turned to speak to Mr. Telford, when the flywheel burst into a hundred pieces, almost wrecking the building, and throwing a large section through the roof nearly one hundred yards distant.

The chief engineer and his assistant were in the room, and, with Dr. Horsey and Mr. Telford were the sole occupants. When the effects of the bursting had been realized, it was found that Dr. Horsey was stretched on the floor, with his skull shattered back to his ear so badly that the brain was oozing out.

Drs. Lang and Hershey were called and had the injured man removed to the General and Marine Hospital.

Dr. Horsey was elected to the House of Commons for North Grey, as a Liberal in 1900, defeating Charles Gordon by a majority of 17. He was thirty-five years of age and a medical practitioner, with the good-will of a large section of the community, both Liberal and Conservative. Some years ago he represented the Sun Life Insurance Company in China, Japan and the Philippines, and when Li Hung Chang visited this country, he was chosen by the government to escort him across the continent.

He married a daughter of Dr. McDonald, of Wingham, Deputy Speaker of the House of Commons. Two small children are the result of the union.

The deceased gentleman was 35 years and 4 months of age. The funeral, which took place on Friday last, was the largest ever seen in Owen Sound.

One Common Cause of Headache

Perhaps the most general cause of headache and pain across the eyes is nasal catarrh. The simplest cure is to inhale the medicated vapor of Catarrhozone which traverses every air cell and air passage of the throat, lungs and nose. It kills myraids of germs at every breath, clears away mucous discharges, preserves and heals the membrane. Catarrhozone is just a splendid remedy for headache, and its action is certain and unfailing in diseases of the throat and lungs, deafness, bronchitis, asthma and catarrh. A trial will convince the most sceptical that Catarrhozone is all right. Large size, $1.00; trial size 25c. Druggists, or Polson & Co., Kingston, Ont.

Some weeks ago Luke Beatty, Ruskview, was knocked down by the barn door blowing against him He fell backwards on the barn floor and injured his head to such an extent that he now lies in a semi comatose condition with but slight hopes of his recovery.—Creemore Star.

Mr. John Johnson of Osprey who had a mare stolen from his pasture field about three weeks ago, went to Toronto to prove his claim to a mare which was captured at Port Hope for which Co. Constable Burns was looking for an owner. The description as given in a conversation over the telephone tallied exactly with Mr. Johnson's mare, so he shipped a cart and harness to the city to drive the mare back but when he got there was convinced on procuring a more detailed description that the mare was not his.—Dundalk Herald.
