Eugenia

From Our Own Correspondent

A large number of our Eugenia people went on a picnic and fishing expedition to Kimberley on Saturday. The catches of fish was wonderful. One lady caught two suckers and a toad; others declared they saw a whale and a sea serpent, but suckers were the most plentiful and so easily caught. However, a most delightful time was enjoyed by all.

Mr. Ben Wilson has gone to the Soo. He is greatly missed by the young people with whom he was a general favorite.

Mrs. James Purvis, Miss Purvis and Miss Edna of Toronto, are welcome guests amongst their many friends at Eugenia.

The many friends of Miss Artena Carr of Toronto are pleased to have her home on a visit again. She is accompanied by her friend, Miss Callin, of Toronto.

Mr. Fred Munshaw of Toronto spent holidays visiting his parents at the Eugenia House.

Mr. Thomas Spence of the Toronto Fire Department, and family, spent his annual holidays visiting friends at Eugenia

Mrs. Sawyer, Mrs. George McNally and Mrs. Charles Towell, all of Toronto, were guests of Mrs Fenwick for a short time recently.

All were pleased to see Mr. Nicholson of the veneer mill back again for a short visit.

Mr. and Mrs. Albert Hogg and children of Oakwood have been guests at the Eugenia house the past week.

Born—August 3, to Mr. and Mrs. Jos. Williams, a son.

Miss Mina Graham of Burlington Beach is visiting her parents at present.

Mr. Willie Purvis of Toronto was the guest of his aunt, Mrs. Bowerman, for a few days.

Stones Settlement.

From Our Own Correspondent.

Sullivan's Grove, formerly known as Walsh's Grove, is situated on the Artemesia side of the townline between Artemesia and Glenelg, being lot 1, concession 4, Artemesia. Since the present owner, Mr. John Sullivan, has made his residence there. the grove has become a popular resort for picnic parties; Mr. S. is equally popular and long may he continue to be so.

The haymaking in this section still seems to linger on, a considerable amount (at time of writing) yet remains to be housed owing to the recent heavy rains. The crop, however, which is the best in many years, has mostly been secured in good condition and will likely be all gathered ere these items appear in print. The acreage of fall wheat in this section is not large but the yield promises to be gratifying. Peas, oats and barley look excellent with abundance of straw; indications of a good root crop is also observable.

The framers after completing enough of Mr. Lyness' barn to hold his hay crop, left to complete a previous contract, but will return to finish the barn in time for the remainder of his crop.

Mr. Wm Fletcher has been seriously ill for the past two or three months, but we were glad to hear that had so far improved as to be able to take occasional short walks abroad and sincerely hope that improvement will continue until his former robust health be restored.

Since the arrival of the heiress at the home of Mr. and Mrs. A. Hazzard, friend Al. appears to be immensely elated. Congratulations old friend.

Miss [illegible] Fletcher of Markdale spent a few days with her parents, Mr. and Mrs. J. McLean. Miss Millie Fletcher of Creemore was also visiting friends in this neighborhood lately.

Miss Laura and Master Charley Holman of the 4th line, east, drove over on a visit last week to their uncle and aunt, Mr. and Mrs. Henry Stone. Their cousins of course are included.

The berry picking season has commenced and the busy pickers may be seen daily wending the way with pails, pans and cans to the many berry patches, returning in the evening weary and heavy laden, and we sometimes think that if some of the city folks, who are so anxious to get the fruit, had to scramble through bush and brambles with parched throats under a burning sun, they would consider five cents a pound for berries a poor price for their labor.

We are glad to state that owing to the energy of the good people at the west end of our line, the new building for our Sabbath school has at last been commenced, and is now well advanced in construction. We understand that an entertainment of some kind will be held in the near future in aid of the building fund, which we hope will be well patronized as the want of a new building has long been felt, and never more so than this summer as no Sabbath school has been held for want of a building. We also hope that the day is not far distant when the old appointment for preaching on this line will be re-established. When the appointment was withdrawn from this line some ten or twelve years ago the convenience of the aged and infirm was not considered and much inconvenience was experienced by those who had not conveyances to to take their families to church. The same inconvenience exists to-day, and we feel convinced that were the appointment re-established there are those among us who, for similar reason, do no see the inside of a church from January to December, would gladly avail themselves of the opportunity were it presented to them.

Now, Mr. Editor, in reply to the question which I have been frequently asked in regard to the long silence of your correspondent, I regret to say that failing health and rapidly increasing inability to move around forces your correspondent to resign the position which he feels so unable to fill with any degree of satisfaction, and as there are others in this section who are in every respect better qualified to fill the position, he trusts that some one will take up the pen and not allow the Stone Settlement to sink into oblivion.

Kimberley

From Our Own Correspondent
