The Owen Sound Appeal.

The appeal made by the town of Owen Sound against the county assessment, which was recently heard by Judge Creasor, resulted in a victory for the town, the county being saddled with $180 of costs. Following is a comparison of the last council equalization and that made by Judge Creasor. This will effect a saving of about $100, so that we have no cause to grumble at the result. Osprey will also save a few dollars. The townships which will feel it most keenly are Keppel, Holland, Bentinck, Normanby, Egremont and Sullivan.
