The Junction Comet—the Conservative mouth-piece in West York—says that his friend Mr. C. C. Robinson is having an uphill fight in North York against Mr. Davis. With such a platform we do not wonder that the fight is uphill for Mr. Robinson.

First of the Season.

Three large loads of the citizens of Thornhill drove through here on Saturday *en route* for Bonds Lake Pic-nicking Grounds. They spent the afternoon in boating and other amusements and returned home—some of them—quite late in the evening. As might be expected many of them patronized our ice cream parlors on their homeward trip.

Horse Stolen.

Mr. Wm. Jones, 3rd Con. Vaughan, has bills out stating that a bay horse was taken from his pasture-field on the night of the 28th of May. Any person giving information which will lead to the recovery of the animal, or to the arrest and conviction of the thief will be suitably rewarded. The horse is about 15 hands high and is blemished on both hind legs.

Base Ball Officers.

The Richmond Hill Base Ball Club was re-organized in the office in connection with the Fire Proof Store on Monday evening, with the following officers:—Hon. Pres., Rev. G. N. Rutledge; President, Chas. Pilgrim; Vice-Pres., Alfred Penrose; Sec-Treas., C. McLean; Captain, W. D. Atkinson. Committee of Management:—C. Trevethan (Chairman), F. Soules, H. Gibbs, J. Glass, Jay Sanderson, F. Sims. The club is open for challenges, Thornhill preferred.

Not Quite Clear.

Last Saturday our junior Base Ball club drove to Thornhill to play the return match with the Invincibles of that village. On returning home the cheering was so general that our sporting editor had every reason to believe that the home team had been whitewashed by our boys, and he wrote an article on the result accordingly. Later we learned that the match was a draw; afterwards that the Hill had won by one run. At any rate the visitors would have been victorious had not the Thornhill scorer cut the notches on the wrong side of the stick. In view of the conflicting reports we will reserve our account of the match till we get further light on the subject.

King Dodds, Toronto and inform him in the event of a Tournament being held in Toronto on July 2nd this Brigade will attend and endeavor to do all in their power to make it a success.—Carried. On motion the invitation from Kincardine was declined, and the Sec'y was instructed to write Kincardine. Moved by Foreman Sheppard, seconded by Fireman W. Wylie, that this Brigade give the invitation to attend a Tournament in Galt on 13th & 14th of June its favorable consideration, and if circumstances permit will attend.—Carried.

An Express Company Employe Killed.

A sad accident occured at West Toronto Junction, on the C. P. R. on Thursday night about 9 o'clock whereby Geo. Ezzard, a driver of the Dominion Express Company, lost his life. Since the new time table came into force a part of the duty of the deceased was to run out from the city on the Montreal train and assist in transferring the express from the C. V. train, which arrives from the west at the same time. He arrived as usual Thursday night, but attempted to jump off the train while passing the south platform on its way to the main line, and fell under the wheels, the last truck passing over his body. Death was instantaneous. The deceased is unmarried, and a resident of Toronto. Considerable difficulty was experienced in identifying the remains, and for a time it was thought to be a car repairer named Alford who was killed. Coroner Dr. Clendenan viewed the remains and decided an inquest was unnecessary, as no blame whatever is attached to the employes of the railway company. The deceased boarded at 84 Wellington street west. This man was a son of Richard Ezzard, Edgely. He was 30 years of age. He was buried on Sunday June 1st at the Evangelical Church on the townline south of the village.

B. Lindsay. Minutes of last meeting read and confirmed. The following accounts were read and, on motion, ordered to be paid:—Sanderson & Bro. Book-binding 60c.; T. F. McMahon, printing and distributing 200 copies of School accounts for 1889, $3.00 A statement from Mr. McCuaig showed the attendance at the High School for May to be 44. Mr. Clubine reported the average attendance of the Public School 126½ for the month of May. On the suggestion of Mr. Clubine the re-arranging of the seats in the Public school was considered. After a discussion bearing on non-resident pupils attending the school it was moved by Mr. Duncan, seconded by Mr. McConaghy that in future non-resident pupils be charged 25 cents a month. Carried. The Secretary read the report of Inspector Seath on his last visit to the High School. On motion of Mr. Marsh, seconded by Mr. Lynet, the chairman and secretary were authorized and instructed to borrow the sum of $500 to meet the current expenses of the public school.
