THE BEST INVESTMENT!

AND WHERE TO GET IT

THE man aged 30 who invests, say $216 per annum for 7 years in a building association which is honestly managed, which meets with no losses, will, in case of death, say after 7 years, have provided for his estate to the extent of possibly $4,000. The man who invests $216 in the MANUFACTURERS LIFE will in case of death, the moment the premium upon his policy is paid, have provided for his estate to the extent of nearly $15,000, if insured on the ten-twenty plan; over $8000 if on the double maturity plan, and the same sum invested in a twenty-year endowment will add $5000 to his estate at his death, and if he lives to complete the payment of his twenty yearly premiums he will then have in hand very nearly as much money, IN ADDITION TO HIS POLICY OF $5,000, as if he had taken the building association stock!
