Eugenia

From Our Own Correspondent.

Farmers are wearing a happy smile over the splendid yield of grain this season.

Mr. Deagle has now put in the electric plant and the wire is ready to put on the poles. We hope the people will be ready to celebrate lighting-up night with a reception to Mr. Deagle in honour of the the event.

Mr. T. W. Wilson has gone on a trip to the Muskoka lakes. We hope to see him return greatly improved in health.

Mr. and Mrs. Large of Shelburne were guests of Mr. Mark Stubbs for a few days recently.

Mrs. Munshaw, who has been visiting friends in the city for the last few weeks, has returned somewhat improved in health.

Miss Fida Bowerman has gone to the city for an extended visit. She will be greatly missed in the Sunday school in which she was a devoted worker.

Miss Clara Babcock has returned to the city after a lengthy visit with her friend, Mrs. Johnston.

Mrs. George Gordon has returned from a visit with friends in Shelburne greatly improved in health.

Mr. Carr, who has been getting his house bricked and enlarged, has now as handsome a residence as there is in Eugenia.

The ladies of the Eugenia Presbyterian church will hold their annual harvest home and fowl supper on the evening of October the eighth. Admission 25 and 15 cents. For further particulars see bills.

Mrs. Roy and little daughter have gone on a visit to friends in Grand Valley.

Mrs. George Lawler is critically ill. Dr. Bibby is in attendance and hopes are entertained that she may recover.

Mr. F. T. Carr of Eugenia supplied at Wareham for Rev. T. Scott on Snuday afternoon.

Port Law

From Our Own Correspondent.

Dear Advance, we hope to be pardoned for our seeming negligence of duty during the past few weeks, but harvest time you know means hustle and before crops were scarcely garnered in and without allowing a breathing spell along came Mr. Coutts with his steam thresher, closely followed by the dauntless Napier, whose shrill whistles, while seemingly screeching out defiance at each other, demanded us to muster for the fray. Well, like time and tide, the threshing machine is something that waits for no man, and so at the risk of forcing the Advance to suspend we chose the fork rather than the pen.

On Monday, Sept. 22nd, a little boy arrived to gladden the hearts and brighten the home of Mr. and Mrs. Robert McMaster.

Mr. John Winters' little two-year-old girl has been suffering a severe attack of illness the past few days.

Mr. Wm. McLennan, jr., narrowly escaped what might easily have resulted fatally. He was building a load of peas in the field and near the side of the load when they suddenly came upon an uneven piece of ground, and he, losing his balance fell head first to the ground. He was around again shortly and now seems little the worse for his acrobatic performance.

Miss Maggie Johnston is on the sick list receiving medical attendance.

Edward Jamieson and Albert Blackburn, who have been for some time past near Brampton, arrived home on Saturday.

Mr. and Mrs. A. T. Heron of Chicago visited last Friday with Mr. and Mrs. McKenzie. Mrs. Heron, who is assistant superintendant of the Christian Alliance, and actively engaged in mission work in connection with the Moody church there, took charge the same night of the union prayer service, and delivered a most able message, replete with gospel truth.

"Looking back I see I never saw before."

This is the exclamation of satisfied customers.

We have fitted successfully stubborn cases that others have failed in.

Satisfaction guaranteed.
