Owing to the scarcity of men Mr. Deagle has been obliged to go into the bush himself and get out enough poles to complete wiring the town, which is causing delay. Talk about root growths! Mr. J. R. Fawcett of Kimberley sends us six onions grown from black seed this year which average one pound each. The six weighed six pounds, good full weight. Postmaster Sproule met with a nasty accident on Saturday. While handling a cupboard in his auction room over the office the piece of furniture hit him below the belt, as it were—took him unaware and knocked him down stairs without ceremony. It tried to follow but owing to its size got stuck. R. J. has a few nasty looking abrasions on his face and a few bruises elsewhere, but got off fortunately without broken bones. It might have been worse. Had that cupboard followed him to the bottom there would have been one male less in the postoffice.

The South Grey Teachers' Association will be held in the Flesherton school on Friday and Saturday, Oct. 16th and 17th. "Alone" and "Purity" are the titles of the new pictures given to subscribers of the Family Herald and Weekly Star, of Montreal, this season. They are considered far ahead of any previously offered, and subscribers are sure to be delighted with them The many improvements in the Family Herald are making that great paper almost indispensable to Canadian homes. Its weekly visit in this locality is greatly appreciated by almost every family. It is the biggest dollar's worth known in the newspaper line.

The teachers will have the freedom of the town to morrow and Saturday. Let us hope the weather may be such that the visit will be enjoyable. This lady is one of the best known elocutionists in Canada. Inspector Campbell has promised to give his address on "The influence of thought on character," which is spoken of very highly. Added to these there will be some of the best music available, and everything considered this is expected to be the event of the season.

The groom was ably supported by Mr. J. A. Hutchinson, principal of Port Law public school. After the ceremony the young couple received many hearty congratulations, and the bride was the recipient of many useful and costly gifts. The groom presented the groomsman and bridesmaid with sterling silver wish-bone stick pins. Best. As the strains of Mendelssohn's wedding march pealed forth the bride entered the parlor leaning on the arm of her father, and looked very pretty attired in a gown of ivory silk, with tulle veil and wreath of lily of the valley and orange blossoms, and carrying a shower boquet of white roses and carnations with streamers. She was attended by Miss Mary Knott, who was gowned in cashmere, and carried a boquet of pink carnations. Miss Mae Stephens, niece of the bride, was flower girl, while Mr. Jas. Crawford, Palmerston, brother of the bride, acted as groomsman. The ceremony was performed by Rev. R. Rodgers under an arch of evergreens, artistically decorated with ferns, dahlias and carnations. After the ceremony the guests numbering about fifty retired to the dining room, where a sumptuous supper was prepared. The happy couple were the recipients of many handsome presents, while the groom's gift to the bride was a beautiful gold guard, set with pearls, rubies and opals.
