W. A. ARMSTRONG - FLESHERTON

Port Law

From Our Own Correspondent.

Mr. W. R. Dyson has been confined to his house for some time past through illness.

Rev. T. Cook and wife visited last week on the fourth line, and bade farewell to their friends, who regret very much to part with them.

Mr. and Mrs. Thomas Gamey removed last Wednesday to St. Joseph's island where they purpose making their home. They take with them the good wishes of all for their future prosperity and happiness.

Miss Annie Thompson has gone to Singhampton to take a position as bookkeeper in Hamilton Bros.' store.

Miss Wallace is home from Toronto visiting her parents and friends for a short time prior to leaving for Winnipeg.

The new barns of Messrs. Wm. Fisher and S. Pedlar have been ornamented by ventilators in the shape of miniature dwellings, which display the artistic taste and mechanical ingenuity of the workman, Mr. Thomas Boyce.

Eugenia

From Our Own Correspondent.

Died—Oct. 16th, at his residence, Mr William Wilson, aged 61 years. He had suffered from that fearful disease, cancer, for the past year, and death to him was a happy release. Deceased was of a quiet, gentle disposition, a loving husband and affectionate father and kind to all. A widow and seven young children are left to mourn his loss. They have the sincere sympathy of all in their sad bereavement. On Saturday afternoon a large number of sympathizing friends and neighbors conveyed his remains to Salem burying ground, where the Rev. Mr. White officiated and all that was mortal was laid to rest to await the glorious resurrection.

On Thanksgiving night a disastrous fire occurred at this place, when Mr. W. Sloan's mill was burned to the ground. It was occupied the past season by the Messrs. Stubbs to cut shingles. They lose very heavily, having no insurance on the stock. Mr. Sloan had a small insurance on buildings and machinery, but he loses very heavily. Great sympathy is felt for him, besides it is a great loss to the town.

Mrs. John Hollinger of Toronto is visiting friends here at present. She and her son, Mr. Robt. Hollinger, came up to attend the funeral of her brother, Mr. Wm. Wilson.

Kimberley

On Tuesday of last week Mr. McGowan of this place was given a pleasant surprise by the people of this community. A large number gathered and presented him with an address and two easy chairs, a silver butter dish, and a lady's gold watch chain. After the presentation the evening was spent very enjoyably with music, singing, etc., and only at the wee small hours of the morning was the assembly broken up. The people felt that it was their last opportunity of showing their esteem and respect to Mr. McGowan and his family and we are sorry to lose such a pleasant and genial family from our midst.

Following is a copy of the address referred to above:

To Mr. and Mrs. John McGowan.

DEAR FRIEND,—It is with feelings of the deepest regret and sorrow that we learn of your removal from our midst. Since your coming here, now over four years ago, you have by your integrity and cordiality, endeared yourselves to us, and have become one of ourselves. We have assembled to-night to try to express to you, in some measure, our feelings towards you, and to show in some way that we have appreciated your sojourn among us. We hope this evening will remain as a bright spot in the memories of all present, and we wish to give you a lasting and tangible memento of your friends in Kimberley. Please accept these articles as a slight token of our esteem. That heaven's richest blessing may ever set on you and yours is the wish of your friends. Signed on behalf of the community. Hugh Smith, Lizzie Weber, George Knott, Clara Hurd.

Mr. W. S. Bishop has men engaged in putting in new flumes at his mills.

Miss Mary Knott returned last Wednesday from Owen Sound.

Mr. Geo, Burritt of Flesherton spent a few days visiting friends here

Rev. Thos. Scott of Maxwell filled the appointment of Rev. T.R. White here on Sunday. Mr. White took Mr. Scott's work which was to be of a missionary character. Rev. Scott took as his text 1 Samuel 15: 22, "Behold to obey is better than sacrifice."

A number from here took in the Sunday school convention in Rocklyn last week. The next convention is to be held in Dundalk.

Thanksgiving day passed off very quietly here People generally did not observe the day excepting that school was closed, and perhaps a few turkeys devoured. People are too busy picking apples, cutting corn, plowing, etc., to stop work when the weather is good, as fine days come seldom enough.

See the sublime allegorical musical drama, "The Pilgrim's Dream," given with special scenery, historical costumes and moonlight and color effects, by The Holy City Co. Town hall, Flesherton, Tuesday evening, Oct. 28th.

Priceville

From Our Own Correspondent

The "World's Fair" here opened its portals for two whole, cool days, last week. The exhibits were more extensive and of better quality than those of some previous years, but the unpromising weather of Wednesday morning debarred many from dropping their dimes into the treasury by the gate and then beholding a good fair In passing through the hall or grounds we observed people from nearly all points in our county. The low excursion rates on the C.P.R. from Owen Sound to our fair induced many residing in our seaport town to inspect our show, and also visit family or friends over week's end in this vicinity. Several directors were present the first day and in a gentlemanly manner assisted exhibitors unload wagons and place their products in proper position in the hall. But we think a decided "hit" could be made by appointing a competent lady to assist in and oversee the placing of fancy work and fine arts. The financial flood at the gate did not reach the high water mark of other years, but the concert at night was a success, for a mass of humanity was packed in Watson's hall sardine fashion. Vice-President McMillan took charge of the financial end of the hall where the people cast their gifts, voluntary or otherwise, into the treasury, and we understand the audience advanced $85 for their night's fun and went home satisfied that they had received $160 worth of amusement. Dr. Hutton of Durham took charge of the program and filled the chair in his usual good style, perhaps spreading taffy a little thick where he thought it would be relished. President McCormack Vice-Pres. Nichol, Secretary Brodie and others made brief addresses. Miss Jane Renwick, vocalist of Dromore, and Piper McArthur of town, ably assisted with their musical talents. But of course Jimmy Fax was the star of the evening, and, like the comet, leaves a trail behind him, for you cannot go into the country in any direction this week but what you hear the voice of milkmaid or plowboy in song, and the hills and woods echo with snatches of Fax's selections.

Among the Owen Sound visitors we saw the following high school scholars who came to visit their homes here during the fair: Miss N. Grier, Messrs. J. McArthur, D. McLeod and H. Watson.

Mr. Bert Patton came home from Brampton for the fair and Thanksgiving.

Miss M. Brander of Dromore was a guest of Mr. C. C. James during the fair.

Mr. W. J. Jones of Owen Sound was a caller at the tannery cottage on show day and evening.

Mr. Bunt had his shop nicely trimmed with evergreens for the holidays.

For fine moose heads just look in at Brown's windows. Hard to beat in this country.

The sacrament was dispensed in the Presbyterian church last Sunday, and a union thanksgiving and preparatory service was held on Friday. Rev. Mr. Varley, Methodist, preached in the morning.

Last Sunday was St. James' day in the Methodist churches throughout the country. Collections were in aid of the great St. James church building in Montreal.

Next Friday is field day here in the public school grounds. Several of the neighboring schools are coming in and the boys are expecting a big time with football and other games. Lunch and entertainment in the evening. Principal Eastman seems to be a live teacher. His generous prizes for penmanship at the fair is commendable. We think if parents and scholars do their duty this school ought to produce some young men that will be heard from.

Addresses and Presentations

On Thursday of last week a number of Eugenia people gathered at the residence of Mr. Alex. Madill, who is about removing to the Sault, and presented the following addresses:

To Mr. Alexander Madill, Worshipful Master L.O.L. No. 1118:

DEAR BROTHER,—By your request for your certificate of membership from our lodge we are informed of your removal from our midst in the near future. The membership of our order has known you as a brother for 31 years, and for the greater part of that time you have been one of our own members. Continuously for the past 22 years you have been with us, and have filled with credit to our society various offices in its gift, and we have counted ourselves happy to be honored by your presence in the Master's chair, not only during the present year but in former times also. We have always found you foremost in any effort to advance the work of the order in our midst We recognize your work with other brethren in building our present comfortable hall and in everything that helped in the promotion of sociality and brotherhood we have found your presence most genial.

We regret also the departure of your family we so highly esteem. We take this opportunity of expressing in a tangible way something of our good will toward you, and ask you to accept this watch chain and charm as a token of our regard for you, hoping that it may from time to time recall the friendship that exists between you and your many friends at Eugenia May your coming days be happy and prosperous under a kind and beneficient Providence.

Signed on behalf of the lodge.

WM SIMPSON, D. M.

Dear Mrs. Madill and Mrs. McKee:—

It is with regret that we have learned of your intended departure from our midst. During your sojourn with us we have always found in you a ready sympathy and a hearty co-operation in every good work. Apart from your many home duties you have always found time for work in connection with the church with which you have been identified.

Your place in the neighborhood will not be easily filled: your families have grown up in our midst, and we have learned to value them also, and are sorry to sever our connection with them. Therefore we have felt that we could not allow this opportunity to pass without in some way conveying to you our appreciation of your worth and work, and have assembled here this evening to have another hour with you, and to ask you to accept these gifts, hoping that they may recall to you pleasant associations of the past, and be a link binding your thoughts to your friends at Eugenia. We now extend to you our best wishes and highest hopes for a bright and prosperous future.

Signed on behalf of the community and friends by the Ladies' Aid of the Presbyterian church,
