MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS.—[illegible] safe, speedy, & effectual treatment of almost every species of disease to be the use of MOFFAT'S LIFE MEDICINES, is no longer a matter of doubt, as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone, nearly one hundred cases have come to the Branch Office of Mr. Moffat, where the patient has, to all appearance, effected a permanent cure by the exclusive use of the medicines used by the Late Mr. Moffat—a sufficient proof of these medicines having been administered beyond all hope by their medical attendants. Such happy results are a source of great pleasure to Mr. Moffat, and encourage him with increased confidence to recommend the use of his medicines to his fellow citizens.

The LIFE MEDICINES are a purely VEGETABLE preparation. They are mild and pleasant in their operations, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humours, and assimilating with and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription. In Fever-and-Ague, Inflammatory Rheumatism, Fevers of every description, Sick Headache, Heartburn, Dizziness in the head, Pains in the Chest, Flatulency, impaired appetite, and in every disease arising from an impurity of the blood, or disordered state of the stomach, the use of these Medicines has always proved to be beyond doubt, greatly superior to any other mode of treatment.

All Mr. Moffat asks of his patients is to be particular in taking them strictly according to the directions. It is not be a newspaper puffer, or by any thing that he himself may say in their favor, that he hopes to gain credit. It is alone by the results of a fair trial. In the reader an invalid, and does he wish to know whether the Life Medicines will suit his own case? If so, let him call or send to Mr. Moffat's agent in his place, and procure a copy of the Medical Manual, designed as a Domestic Guide to Health, published gratuitously.—He will there find mentioned very many extraordinary cases for cure, and perhaps some exactly similar to his own. Moffat's Medical Office in New York, 375 Broadway.

*The above valuable Medicines are sold by N. [illegible] and Extensive Assortment of Drugs and Medicines, keeps a general and extensive assortment of English and American Fancy and Common Stationery, Books, Perfumery &c. &c. &c.*
