THOSE who wish to have Clean and Bright Stove Pipes through the winter at a very trifling expense, will use H. BAYLIS'S BLACK LACQUIRE or STOVE PIPE VARNISH. A single half pint will be sufficient for 30 or 40 feet of pipe, and will retain its lustre through the winter without further attention, and preserve them from rust during the summer, neither will it require one fourth the time occupied in the dirty process of Blacklead-ing. Therefore, the saving of time is the saving of money. The varnish may be had at the respective Tinsmith shops, in pint and half pint Bottles, with directions for use.

To be had at Mr. G. F. Prouse's Tin Smith Shop, nearly opposite the Court House.

BEGS to return his sincere thanks to his friends and the Public, for the very liberal Patronage he has received since his commencement in Business, and also to inform them that he has relinquished the selling of Dry Goods, and in order to keep pace with the march of improvements, he has made large additions to his Stock of Groceries which will be found upon inspection to be very superior, and as complete as any in Market. The very low prices at which they have been purchased will enable him to sell fully as low if not lower than they can be purchased elsewhere.
