To the Ladies of Canada.
It being now conceded that
GODEY'S LADY'S BOOK
Stands at the head of American Magazines, it becomes the duty of the publisher to show every Lady what amount of reading, and how many useful embellishments she will receive for $3.
Be not deceived by new beginners, who promise everything and perform nothing. Now is about the season when the country will be deluged by prospectuses—making all kinds of promises. The Lady's Book has been published by the present proprietor for 18 years—and he is well known to the public, and publishers throughout Canada and the United States. His promises are always kept which is not the case with all other magazines; for instance in every number he publishes a colored Fashion plate, and gives 60 pages of reading matter, and sometimes more. There is not another magazine published that does this—sometimes with them the plates are colored, and sometimes they are not—some months 60 pages, and others 48. The reason is obvious, the coloring of our Fashion Plates alone, we say nothing of the Flowers and Cottages, costs us over
$2000 IN ONE YEAR.
To omit this is certainly a saving, but is it just to subscribers. Is it honourable? We cannot practice such a deception. We were the first to give Fashion plates, we have hosts of imitators who boast wonderfully; we have no need to bolster up the Lady's own Book by such means. Paris Fashions are published in Paris—the ladies of this country *dare* not wear; ours are altered by one of our most fashionable dress-makers to suit the more refined taste of American Ladies.
Compare our reading matter with any other magazine, see which contains the most solid as well as pleasant reading. Our object is to elevate the female mind, to give it tone, and to enable women to take that place in the community to which their worth entitles them.
Steel and other Engravings
IN GODEY'S LADY'S BOOK.

Two steel engravings in each No., in one year,	24
One coloured Fashion plate, " " "	12
Two pages of original music printed separately,	24
Patterns for window curtains, and occasionally	
A COLORED PLATE FOR MODEL COTTAGES.	
Model Cottages, exterior and interior, two engravings in each No., in one year,	24
Extra Fashion plate on tinted paper, one in each No., in one year,	12
Bonnet, Chemisette, Cape and Cuff patterns, say	50
And 4 cuts of Housemanship for Ladies in each No., in one year,	42
Crochet work, Knitting, Netting, &c., say 3 in each No., in one year,	35
Engravings of Churches—about 4 in one year	4
	228

Here we have in one year the large number of two hundred and twenty-eight engravings, besides extras that we give occasionally of any matter that strikes us.
READING MATTER IN GODEY'S LADY'S BOOK.
The number of pages in each No is 60, in one year 720. *Beside some ordinary sized novels.* The writings of the best male and female writers including a novel by Mrs Leslie, and articles on Health and the Treasury, by Mrs. Hale. The above items, if purchased separately, would cost the purchaser $20. Besides all this, she will also receive for the same $3.
THE LADY'S DOLLAR NEWSPAPER,
EDITED BY GRACE GREENWOOD.
A paper of the ordinary size, published at
ONE DOLLAR PER YEAR.
Making three publications in one month. The Lady's Dollar Newspaper contains the best poetry and the best stories, by the best authors. Receipts and Amusements, the latest fashionable news from London and Paris, and a great variety of other articles.
There is no other magazine in the world that gives so much that is good for so small a sum of money.
144 more pages in a year than the New York magazines, and more useful and ornamental engravings each month than all the other magazines together.
TERMS
OF GODEY'S LADY'S BOOK.

1 copy one month—any No. that may be selected,	25cts.
1 copy four months,	$1,0c

These terms are offered that any person may try the work before subscribing for a year.

1 copy one year, which includes the Lady's Dollar Newspaper,	$3,0c
2 copies one year with the paper to each,	$5,0c
3 copies " " without the paper,	$6,0c
5 copies " " " " " and a copy to the person sending the club,	$10,0c

To insure the Lady's Dollar paper with the Lady's book, the money must be sent to the publisher's own office.
