IMPORTANT REMEDY

FOR COUGHS AND COLDS.

BARKER'S

PECTORAL BALSAM

OF HOREHOUND AND HONEY.

A SAFE, speedy and efficacious remedy for all disorders of the Chest and Lungs, viz:—Asthma, Whooping Cough, Colds, Consumption, Influenza, Pains in the Chest, difficulty of Breathing, Huskiness and tickling in the Throat, Hoarseness, &c.

The above Balsam now fully established as the best remedy in use for the above complaints; and during the last two years hundreds of persons have been relieved, and persons of the highest respectability in Kingston and neighboring Townships, can certify to that effect if necessary. *A single trial will prove its efficacy.*

This Balsam is compounded from the most valuable remedies; it operates by dissolving the congealed mucus in the Thorax, thereby causing a free expectoration, and relieving the most intense cough.

Prepared and sold in Bottles, Price 1s. 3d. and 2s. 6d., by Robert Barker, Druggist and Apothecary, Brock Street, Kingston, and by his Agents generally.

IMPORTANT NOTICE.

PRICE OF CALEDONIA WATER REDUCED TO

THREE SHILLINGS PER DOZEN.

OFFICE, FRASER'S BUILDINGS, ONTARIO STREET

IN consequence of the increased demand for the Caledonia Water, the Proprietor has been induced to make such a reduction in the price as will enable the Druggists and others to retail the water at the reduced rate and put it in the power of almost every person to enjoy the benefit which is daily seen to arrive from it use.

These justly celebrated waters have performed more wonderful cures than any other Mineral waters in America; and many of the most eminent amongst the Medical faculty have given their testimony to the great virtues these waters possess.

As a General drink they cannot be too highly recommended. In summer they cool and cleanse the blood, remove all febrile symptoms, and dissipate the lassitude generally felt in times of excessive heat.

In the spring and fall, when every person requires the aid of medicine to prepare the body to meet the change of season, the Caledonia Waters are admitted to be the simplest, the safest, and the most efficacious aperient that can be obtained.

Arrangements have been made so as to have always on hand a supply of the Water from the "Intermittant Spring," which is now so highly appreciated.

The Subscriber's present arrangements place him under the necessity of doing business for Cash.

VEGETABLE RESTORATIVE PILLS,

FULLY established as the best Family Medicine now in use, by the astonishing cures it has performed, under the blessing of our Bountiful Providence, who has filled the earth with Vegetables suitable for the cure of every Disease incident to the Human Frame; and which as Dr. Anderson says, "has been the means of sending thousands back to society cured, who had given up all hopes of being recovered."

J. S. & Co. having so successfully established their reputation, as regards these Pills, and having been solicited to prepare other Medicines, beg to inform their Friends and the Public, that they have, after long and anxious research, succeeded in preparing an excellent Stomachic, which they call

THE PYGEIAN BITTERS.

And which they have full confidence in recommending in all cases of Debility, whether arising from Nervous or other causes; promoting Digestion; strengthening the Stomach and general System; curing Cramps, Cholics, &c.; removing the obstructions to the Urinary Passages—proving a most useful auxiliary to the Pills, in renovating the System and purifying the vital principle of the Blood.

J. S. & Co. particularly recommends to Mothers their HYGEIAN UNIVERSAL INFANTS' RESTORATIVE as an efficacious remedy for Disorders peculiar to children, and also for the Summer Bowel Complaint, both as regards Children and Adults, as common in this country, as well as in every case where a Cordial is necessary.

PROSPECTUS

OF

St. Germain's Messenger,

A KINGSTON FAMILY NEWSPAPER.

Free from Political and Religious Prejudices.

THE Subscriber, at the solicitation of a number of friends in the City of Kingston, has been induced to take the preparatory steps to the issuing of a paper; and therefore, begs leave to inform the public that, as soon as a sufficient number of Subscribers can be procured, he will commence the publication of a WEEKLY PAPER on a, printed with new type, on a large imperial sheet, and good paper, to be devoted to the interests of the people, in affording a medium through which they can be instructed and amused—in short, to furnish an inoffensive friend and guide, a lively fire-side companion, as far as that object can be attained through the instrumentality of a newspaper.

The services of some of the first writers in the city have been secured to honor the *Messenger's* columns with their writings. Also the aid of an experienced gentleman has been engaged as proof reader and revisor. Slang and vulgarity shall never pollute its pages, and nothing will be published that will bring a blush to the cheek of modesty. Parents will be able to place the *Messenger* in the hands of their children without any apprehension or hesitation, a circumstance which cannot be too highly valued.

Every attention will be paid to the selections so that the Farmer, the Mechanic, the Merchant, the Business man, the man of Science, and the Moralist, will be entertained and instructed.

The *Messenger* will be the Temperance Organ for the Midland, Prince Edward, and Victoria Districts.

Canada has, hitherto, been flooded with American publications, but since a recent alteration in the postage system they have, in a great measure been excluded; therefore, the Canadian people should, and are in duty bound to support and encourage an enterprise similar to the present—Assiduous and untiring shall be the endeavors to make the *Messenger* worthy of public patronage.

TERMS:—Two shillings per annum, one dollar in advance, and the other at the end of six months. It will therefore be the cheapest paper printed in Canada. No subscriber will have a paper forwarded to him, unless one dollar is paid in advance. The efforts of friends and others feeling interested, are earnestly solicited in obtaining subscribers to the proposed Journal.

Postmasters are requested to act as Agents.
