A Proton Cattle Case

The case was tried at the County court sittings at Guelph by Judge Chadwick on Wednesday, 10th inst. Thos. O'Brien, of Pilkington, cattle buyer, sued Jacob and George Francis, farmers, for $200 damages for not delivering 17 head of fat cattle sold by them to him in January last. The evidence, as to which both sides very nearly agreed, showing that in January last the Francises sold the cattle to plaintiff to be fed and taken up on May 15th. That on May 20th the plaintiff came along and would not take them, as he claimed they had not got fat enough for shipping and a new bargain was made to hold them over till the middle of June. O'Brien then took up the rest of his cattle and went with them to England and stayed to see the Coronation. That Francises fed the cattle until July 9th, when, not being able to get any word from O'Brien, and not being able on a personal visit to his house to get any postive statement from his people as to when he would be back, they sold the cattle to Russell & McIntyre, reserving O'Brien's rights till July 14th, for the same price as O'Brien should have given, and Russell & McIntyre sold them next day in Toronto at still the same price, the market not being at that date very good. Soon after this O'Brien returned, getting to Francis place on July 17th, and asking for the cattle. Then he sued them as above the loss of profits on the herd. The trial lasted all day, and a good deal of evidence as to the feed, markets at the dates, etc., was given by experts. At the end of the case the Judge dismissed the suit with costs.

One of the meanest robberies in which a sneak thief ever participated was that perpetrated one night last week, Mr. Hinds, a blind man, living on the Garafraxa road near Owen Sound being the victim. By selling butter, eggs, etc. she had saved one hundred and twenty dollars and upon going to his little pile to add two dollars more, discovered that his hard earned money was gone. Although Mr Hinds had heard a noise his sightless eyes could not detect the dirty thief in his nefarious work.—Chatsworth News.

Do You Belch Gas ?

If you have uneasy sensations in the stomach, a bad taste in the mouth, headache—remember that ten drops of Polson's Nerviline in sweetened water is a quick and certain cure. Nerviline is just splendid for cramps, colic, dysentery, stomach and bowel troubles, and costs only 25c. Better try it.

Miss Sara M. Crisp, of Honeywood, who was married about a month ago to Edgar Jamieson, of Singhampton, received last week a certificate for life as a public school teacher. The document was forwarded to Honeywood last week by Inspector Grant of the Sudbury district, where Miss Crisp taught for a couple of years. Miss Crisp was an excellent teacher and this tribute to her ability will no doubt be appreciated, even if she has taken a class of one.

One Common Cause of Headache

Perhaps the most general cause of headache and pain across the eyes is nasal catarrh. The simplest cure is to inhale the medicated vapor of Catarrhozone which traverses every air cell and air passage of the throat, nose and lungs. It kills myriads of germs at every breath, clears away mucous discharges, preserves and heals the membrane. Catarrhozone is just a splendid remedy for headache, and its action is certain and unfailing in diseases of the throat and lungs, deafness, bronchitis, asthma and catarrh. A trial will convince the most sceptical that Catarrhozone is all right. Large size $1 ; trial size 25c. Druggists or Polson & Co , Kingston, Ont.

This is an account of an Iowa county fair for this fall, printed in the local paper where the fair was held : "The poultry exhibit consists of two bantams and an owl. In the horticultural hall one stock of corn and two cows made up the stock display. Thursday the owl ate the chickens and the cows ate the corn and the fair adjourned."
