AMIDST the many valuable Establishments of this Country, there are none more extensively conducive to the interest of the Public, and the benefit of individuals, than well conducted and others whose incomes depend, in a great measure upon their powers of healthy exertion. Also, men of limited pecuniary means, the practice of Life Assurance recommends itself, not merely as a measure of expedience, but as a religious duty.

Life Assurance Offices.

THE GREAT OBJECT OF THEIR FORMATION cannot be too widely disseminated,—it ought to be distinctly known in every family, and to every member of society, that by the yearly payment of a moderate sum, a person may secure to his wife, his children, his heirs, or his friends an adequate provision against the pecuniary distress which might be occasioned by his death.

An Assurance being effected, all fear is removed, and he has the consoling reflection, that whether he live a month, a year, or many years, he has placed his family beyond the period dreaded, looking for aide except upon the event of continuance of his health and life. *To the Clergy, to the Medical Men, to Lawyers, to Merchants—*

IMPORTANT NOTICE.

PRICE OF CALEDONIA WATER REDUCED TO

THREE SHILLINGS PER DOZEN.

OFFICE, CHASE'S BUILDINGS, ONTARIO STREET.

IN consequence of the increased demand for the Caledonia Water, the Proprietor has been induced to make such a reduction in the price as will enable the Druggists and others to retail the water at the reduced rate, and put it in the power of almost every person to enjoy the benefit which is daily seen to be derived from its use.

As a general drink they cannot be too highly recommended. In summer they cool and cleanse the blood, remove all febrile symptoms, and dissipate the lassitude generally felt in times of excessive heat.

In the spring and fall, when every person requires the aid of medicine to prepare the body to meet the change of season, the Caledonia Waters are admitted to be the simplest, the safest, and the most efficacious aperient that can be obtained.

These justly celebrated waters have performed more wonderful cures than any other Mineral Waters in America; and many of the most eminent amongst the Medical faculty have given their testimony to the great virtues these waters possess.

☞ Arrangements have been made so as to have always on hand a supply of the Water from the "Intermittant Spring," which is now so highly appreciated.

The Subscriber's present arrangements place him under the necessity of doing business for Cash.

THE undersigned having been appointed to act as Agent for this Company, which has been doing business in Canada and this City since the year 1839, respectfully requests persons requiring Life Assurance, to call at his

OFFICE, PRINCESS STREET,

Kingston, where Prospectuses and all necessary information will be given.—Also, a variety of Tables, to meet the circumstances and convenience of applicants, can be seen.

The Rates of similar Tables in the Offices doing business in this Province, are as follows:—

For an Assurance of £100

Colonial Life Assurance Co.,	age 30	£2	4	0
National Loan Fund,	do.	2	5	2
Britannia Assurance Co.,	do.	2	0	8

These moderate Rates, (little more than sufficient *safely* to provide for losses,) put it in the power of most persons to assure; and with reference to the present state of the health of the inhabitants of the Province generally, it *may* be thought necessary, should the prevailing sickness increase, to decline taking any risks. It appears therefore to be a duty on those who have to provide for their families to take the timely precaution of assuring their lives, and thus provide against the risk of perhaps leaving those dependant upon their exertions or means, to suffer difficulties, if not destitution.

H., the exclusive right for the sale of this invaluable preparation, now offer the same to the public under the amplest testimonials as to its signal and efficacious qualities. It stands unrivalled in cures of most inveterate cases of Scrofula, and all diseases of the Blood.

It also by its powerful alterative qualities, securely and permanently effects a full restoration to health in cases of Chronic Inflammation of the Digestive Organs, Dyspepsia, or Indigestion, Jaundice, Weakness and Soreness of the Stomach, Salt Rheum, all Cutaneous Eruptions, Erysipelas, &c. &c.

The fact is well established by medical writers, that Phthisis, Pulmonalis or *Consumption*, a disease most fatal in this country, most generally originates in a scrofulous state of the system.—Diseases of the Liver and Affections of the Biliary Secretions often originates with persons of Scrofulous taint. But before such diseases can be mitigated or arrested, this Scrofulous Diathesis must be removed. This the present preparation is warranted *effectually to do.*

The formula was laid before the New Hampshire Medical Society, and was there approved.—Dr. Twitchell, of Keene, N. H., who has personally tested its virtues, and approves and prescribes this medicine in his general practice, pronounces it, "THE BEST PREPARATION OF SARSAPARILLA EVER KNOWN," and cordially affords it his full commendation.

Its virtues have been tested through a process of years in every form of Scrofulous Affections, &c. And it is designed as a permanent, substantial and Standard Medicine, and may always be depended upon by the Medical Faculty and all others, to be just what it purports to be.

The form of this preparation, its component parts, &c., have been placed with the most distinguished physicians of the country, among whom, in this city, are Dr J. C. Watson, Dr. J. M. Warren, D. J. M. Hayward, Dr. Edw. Reynolds, jr. Dr. John Jeffries, Dr. J. V. C. Smith, and others, several of whom have given their names, in writing, in favor of this medicine.

At the recent exhibition of the Massachusetts Charitable Mechanic Association, held in this city, Sept. 1847, the Judges on Chemicals made the following report:—"The Compound Syrup of Sarsaparilla, as prepared by Dr. Corbett, of the Shaker Society, Canterbury, N. H., the committee have carefully examined. It comes sustained by the names of the most distinguished physicians in the country; and from a knowledge of its component parts, the committee cannot but express their full belief as to its efficacious qualities. The ingredients entering into its composition are of such a highly useful and alterative quality, that the committee willingly pronounce it the *best* preparation of Sarsaparilla Syrup yet known; and as such, think it deserving of a Diploma."

PILLS.

For Purifying the Blood, Strengthening the Digestive Organs, Rheumatic Affections, &c.

The Sarsaparilla Root has attracted the attention of the Medical Profession for a number of years, and various Preparations have been used in the form of Extracts, Decoctions, Syrups, &c., but which have been found to contain very little of the valuable Properties of the root, owing to the *impossibility of retaining its virtues in a Fluid State for any length of time.* These Pills are prepared from the *Solid Extract*, combined with other *Valuable Remedies* which could not be prepared in the fluid state, one Box of which contains more *Sarsaparilla than two Bottles of* any Preparation in use, and will be found a Valuable Medicine for the cure of all Diseases which arise from an impure state of the Blood, viz: *Scrofula or Kings Evil, Rheumatic affections, Pains in the Limbs, Asthma and all Diseases of the Lungs, Liver Complaint, Indigestion, &c.*
