The December meeting of the Grey County Old Boys' Association assumed the form of historical and social night. Interesting views from all parts of the county were thrown to the screen and the Hon. David Creighton recounted early incidents in connection with each. This part of the program took about an hour. The President, Mr. Jackson Little, then presented on behalf of the Association a beautiful arm chair to the Secretary, Mr. C. W. Chadwick, with a suitable address, as a mark of appreciation of his efforts in organizing the association. Games followed and then light refreshments. The meeting was thoroughly enjoyed by all, the general opinion being, give us another such meeting.

Sudden Death

Mr. M. W. Marshall, who for some time has been employed as hostler at Munshaw's hotel, was found dead in his bed on Monday morning. Deceased retired to bed about 9 p. m. Sunday evening in his usual health, although for some time he had been slightly ailing and treating himself for a weakness of the heart. Heart disease was undoubtedly the cause of death. Dr. Marshall of Shelburne, brother of deceased, arrived on the noon train Monday and made arrangements to have the remains taken to Boston Mills, Inglewood, for interment. The deceased was born in Durham, England. He was twice married and leaves a widow and four children living. Christopher, the eldest son, is married and lives in Hamilton. The rest of his family reside in Orangeville. Three of his brothers are dentists, practising in Shelburne, Owen Sound and Belleville respectively.

A Great Anniversary

The anniversary of Flesherton Methodist Sabbath school, held on the evening of New Year's day, was the most successful from every point of view that this school has enjoyed for many years. A splendid supper of choice eatables was served in the basement, after which an adjournment was made upstairs and a lengthy but very excellent program entered upon, with the pastor, Rev. Ivison Wilson in the chair. The children gave a large number of recitations, dialogues and choruses, and in addition Miss Christene Richardson gave two readings in her masterly way, which pleased the large audience very much. Among the soloists were the little Misses Elsie Barnhouse, Mabel Boyd and Ruby Trimble. Miss Ethel Trimble also gave a choice reading, and a motion song by ten little girls was a very nice number. The choicest thing of the evening, however, was a musical tableau by ten little girls and four young ladies (Miss Christine Richardson and the Misses Allie, Minnie and Annie Joy). This was a very pretty number indeed and elicited much applause. The Advance was so fortunate as to secure a fine flashlight photograph of this group and we will prize it highly. Mrs. W. W. Trimble presided at the organ in a faultless manner. The proceeds amounted to the magnificent sum of $84.60, including Sunday collections.

The treasurer's report as read by Dr. Murray shows this school to be in a very healthy condition. The total receipts last year were $181.50; expenditure $121.48, leaving a balance on hand of $60.03. During the past year $49.20 was spent in furnishing the sabbath school room, this in addition to the usual expenditure for running the school. To-day the school has about $144 on hand with which to begin the year—a truly magnificent showing, indeed.

Irritating Pimples and Disfiguring Blotches,

They place many young girls at a great disadvantage in life. The only cure is a blood purifier like Ferrozone. It cleanses the crimson flood of poisons and impurities, renews and strengthens it, and makes lots of red corpuscles that manifest their presence by a ruddy, healthy glow in the cheeks and lips. Ferrozone quickly masters all skin eruptions, builds up broken-down constitutions, and gives to weak, sickly women an abundance of spirits, vitality, energy and beauty. Try Ferrozone, it's all right. Price 50c per box, or 6 boxes for $2.50. at druggists or N. C. Polson & Co., Kingston, Ont. Sold by W. E. Richardson.
