SPECIAL NOTICE.

OUR entirely new and elegantly-equipped Circus and Animal Show is universally acknowledged to surpass, in the number and talent of its corps of Equestrians, Acrobats, Gymnasts, and Performing Animals, and the splendour of the Wardrobe and necessary paraphernalia, any similar exhibition ever brought before the public; in the States it ranks as the most popular of the travelling amusements, and counts among its patrons the most distinguished families in America. Every one who has visited our exhibitions within the past eight years can testify to the high reputation which this establishment sustains, and to the refined and fashionable character of the audiences which continue is support. Elegance, refinement, and artistic merit are the distinguishing features of our entertainments, whilst every act placed in the ring is marked for its novelty, originality, and brilliancy. At each entertainment will appear the entire company, and the performances will be found more varied, startling, and attractive than any similar exhibition witnessed on this continent.
