Upper Canada College

WILL RE-ASSEMBLE ON

TUESDAY, SEPTEMBER 1st,

AT NINE O'CLOCK A.M.,

WHEN all Pupils, resident and non-resident, are particularly requested to be present. New Pupils will then be enrolled, and those who failed to pass the midsummer examination will be re-examined between 10 and 12:30 o'clock.

Additional facilities are now offered to those Pupils who do not desire a high classical training to join the English and Modern Departments, in which they are thoroughly prepared for Mercantile pursuits, and for the Civil and Military service.

A special class will also be formed adapted to the requirements of junior boys of from 7 to 8 years of age and upwards.

The fact that during the last six years "old College boys" have carried off three out of every four Scholarships offered at the Matriculation Examination of the University of Toronto, and a large proportion of those offered at Trinity College, is a sufficient guarantee that Scholarship has not declined.

Very material changes have been made in the internal arrangements of the boarding-house, to increase the comfort and secure the general well-being of the resident Pupils.

Every boarder is required to bring with him a certificate of good conduct from the master or tutor under whom he has been previously educated.

Tuition fee, $10 per term; tuition and board, including washing, seat in church, and ordinary medical attendance, $45.

The commencement of the next session on September 1st is the best time to enter College.

For prospectus, apply to the Principal, U. C. College, Toronto.
