Perfected Silos

You can't have ensilage without a good silo.
Toronto Silos are made of selected spruce staves. Double tongued and grooved. Each stave is saturated with creosote. An added advantage is the Toronto Hip Roof. This means greater capacity, and allows tramping of ensilage to the top of the staves. These perfected silos cost no more than ordinary silos.

To cut your corn at the right time you must have an ensilage cutter of your own.

The Toronto Ensilage Cutter is designed to give efficient, light-running service. There is no choking or jamming—it takes corn, alfalfa or clover with the same smooth-running, rapid action.

Write for the free Silo and Ensilage Cutter booklets. They give the complete story of these two splendid Toronto Products.

The Legacy of War

Canada's Dead and Missing	63,038
Canada's Wounded	149,709
Canada's National Debt	$1,670,263,691
Soldiers' Annual Pensions	$35,000,000

THE WORLD is staggering with debt. Some of the leading countries are verging on bankruptcy.

Five years ago Canada had never dreamed of the financial burden she carries to-day.

Canada entered the Great War with a National Debt of $337,000,000, or $42 per head of population. Canada emerges with a National Debt to date of $1,670,263,691, which is expected to approximate $2,000,000,000 by the end of the fiscal year—or about $250 for every man, woman and child in the country. Interest charges alone will eat up nearly one-half our present national revenue, and soldiers' pensions will have to be provided as well.

Can Ontario Afford to Spend $36,000,000 a Year on Booze?

PREVIOUS to the Ontario Temperance Act the drink bill of the Province approximated $36,000,000 per year, an amount about equal to Ontario's share of the Annual interest on our National Debt. In the face of our financial responsibilities alone, is this the time to repeal the Ontario Temperance Act or relax a single one of its restrictions upon waste of money and man power? To every question on the Referendum Ballot vote—

"No!"—Four Times—"No!"

No Repeal—No Government beer shops—No intoxicating beer in Standard Hotel bars—No Government beer and whiskey shops. Be sure you are on the voters' list. Be sure you mark your ballot four times—X—X—X—X—in the column headed No.

THERE is a specific reason for the excellent finish of the Chevrolet Cars. For, from the moment the newly built body is carefully cleaned and the first coat of enamel is applied, until the body assumes that lustrous smoothness that characterizes the finished car, every operation is automatically safeguarded against careless or hurried workmanship.

Therein lies the secret of the uniformly long wearing qualities of Chevrolet finish. This is the reason for its even depth and richness.

This is why a Chevrolet car always appears well groomed, and attractive long after the car has ceased to be new.
