The monster camp meeting at Markle's Vineyard commences on August 24th, and will last a week. At present about 2,000 people have arrived, and by the 24th it is expected that at least 20,000 people will be encamped on the grounds. They come from all parts of the United States. This is an annual affair, and many permanent houses have been built on the ground.

An English paper says that 1,000,000 copies of "Hymns, Ancient and Modern," have been sold in Great Britain within the last five years.

The Pope whenever he appears in public is dressed in white. He has of late taken a great deal more outdoor exercise than former ly. About one hundred persons daily solicit audiences, to which often persons half crazy with religious excitement gain access. It is very seldom that the Pope, even under the greatest provocation, loses his temper. Sometimes, when a visiter proves too troublesome, Pius IX. rings the bell, and says to the attendant who enters the room, "Take this man into the fresh air. He is unwell." The Pope speaks German excellent Latin and Spanish, French with a strong Italian accent, which is by no means unpleasant in his rich, sonorous voice.

EFFECT OF ADVERTISING.—It is amusing at times to observe the stores of the merchants who don't advertise; to see the anxious proprietors looking into the streets and see the people go by, wondering why they don't come in, while the stores of their neighbours who do advertise are thronged with customers. Some people will learn by observation, others will not.—*Daily Palladium.*

Upper Canada College

WILL RE-ASSEMBLE ON

TUESDAY, SEPTEMBER 1st,

AT NINE O'CLOCK A.M.,

WHEN all Pupils, resident and non-resident, are particularly requested to be present. New Pupils will then be enrolled, and those who failed to pass the midsummer examination will be re-examined between 10 and 12:30 o'clock.

Additional facilities are now offered to those Pupils who do not desire a high classical training to join the English and Modern Departments, in which they are thoroughly prepared for Mercantile pursuits, and for the Civil and Military service.

A special class will also be formed adapted to the requirements of junior boys of from 7 to 8 years of age and upwards.

The fact that during the last six years "old College boys" have carried off three out of every four Scholarships offered at the Matriculation Examination of the University of Toronto, and a large proportion of those offered at Trinity College, is a sufficient guarantee that Scholarship has not declined.

Very material changes have been made in the internal arrangements of the boarding-house, to increase the comfort and secure the general well-being of the resident Pupils.

Every boarder is required to bring with him a certificate of good conduct from the master or tutor under whom he has been previously educated.

Tuition fee, $10 per term; tuition and board, including washing, seat in church, and ordinary medical attendance, $45.

The commencement of the next session on September 1st is the best time to enter College.
