CABLE NEWS.

Dublin, Oct. 18.—The Marquis of Aberforn has refused to receive a Limerick deputation in favour of the Fenian prisoners.

Madrid, Oct. 19.—The Junta has issued an address on the subject of the future form of the Spanish government. The address says that it will be the duty of the Cortes only to decide what form of government shall be established, but that all the people will have the right to express their opinions. Olozaga has declared in favour of a monarchy, and is supported by Serrano and Topete. The Unionists and Democrats are willing to accept a monarchy or a republic, if decided by universal suffrage.

Dublin, Oct. 19.—Mr Geo. Francis Train has published an address to the American people bidding the Irishmen to vote for Gen. Grant for President and adducing proofs to show that the Democratic party is friendly to England. He denounces Tammany Hall, and declares that the voters of the fifth Congressional district of New York must take him as an independent candidate or not at all. In conclusion he states that though the amount of their claims has been proffered to his creditors, they will not release him unless he be elected to Congress, and even in that event it is possible they may still continue to hold him in gaol.

Vienna, Oct. 19.—The Reichsrath has reassembled. Many new bills proposing important reforms have been introduced in both Chambers.

Liverpool, Oct. 19.—The Chamber of Commerce of this city has appointed Thursday the 22nd inst. as the day for presentation of their address to the Hon. Reverdy Johnson, the Minister of the United States. His Honour the Mayor of Liverpool has invited Mr. Johnson to a dinner at the Town Hall to be given in his honour on the 26th inst.

Paris, Oct. 19.—General Prim has addressed a letter to the editor of the *Gaulois* indignantly repelling the charges of personal ambition made against him by that journal. The General disclaims all pretensions to royalty, and declares he would rather leave the country than accept the crown.

Hon. John P. Hall, the United States Minister, has frequent audiences with Generals Serrano and Prim.

London, Oct. 19, midnight.—A despatch from Paris reports that Senor Marfori, the intendant of Queen Isabella, has fought a duel with Henri Rochefort, editor of the *Lanterne*. The latter is said to have been badly wounded. No further particulars have been received.

The Houghton race meeting commenced at Newmarket to-day. The Criterion stakes for two-year olds was won by Wild Oats.

New York Press Despatches.

New York, Oct. 20.—The steamships France and Tripoli, from Europe, have arrived.

Raleigh, N.C., Oct. 19.—Both parties are working vigourously. The Republicans are jubilant over the elections in the Northern States, and the Democrats are disappointed, but determined and confident of carrying this State.

New York, Oct. 20.—The *Herald* says the proposed change of Democratic standard bearers is still being vigourously urged by prominent members of the party. A number of them left Washington for this city yesterday to have a conference with the Tammanyites and Belmont and other members of the national committee. Many Southern Democrats continue to favour the nomination of Grant on the Democratic ticket. It is asserted positively that Seymour and Blair have both placed letters of withdrawal in the hands of their friends, to be used in certain emergencies. Several leading Democrats profess to believe that the movement is supported and urged by Seymour, out of no friendship for the Democratic party.

The *Tribune's* Indianapolis despatch of 19th says eighty-three counties, official and unofficial, give the Republicans a majority in Indiana of 961. The final announcement will be very near this.

The Republicans of the sixth Congressional district have served notice on Mr Voorhees of a contest in his district. Affidavits of the frauds have already been made, and the protest has been filed.

The *Tribune's* Richmond (Indiana) special of 19th says the Inspectors of elections in this county threw out the south poll of this city because over 200 fraudulent tickets were found in the ballot box. They were Republican in character, with the exception of Congress men.

The *Tribune's* New Orleans despatch says that on the night of the 17th Valnetine Chase, Republican Parish Judge, was murdered, and his body was found next morning in the street in Franklin.

Washington, Oct. 18.—So many contradictory statements have appeared regarding the position of the question of trade with the Provinces of British North America, a settlement of the fisheries disputes, and the free navigation of the River St. Lawrence, that it was considered proper to obtain information upon the subject. The matter stands thus:—"Mr Thornton, the British Minister here, addressed a note to Mr Seward in July last, calling his attention to the distressed condition of the people of Nova Scotia in consequence of their exclusion from our markets, consequent upon the termination of the reciprocity treaty, and asking him to enter into negotiations. Mr Seward referred Mr Thornton's communication to Mr McCulloch, Secretary of the Treasury. Mr McCulloch replied that the treaty having been abrogated by the Legislative branch of the Government, he considered that it would not be advisable to resume negotiations until Congress should give some intimation of its desire that they should be re-opened; and at the same time expressed his opinion that it was for the interest of the United States that the question of trade with the British Provinces should be adjusted in some definite manner. This correspondence was sent by Mr Seward to the Committee of Ways and Means just before the July adjournment. In reply to an inquiry by members of the Committee of Ways and Means, Mr Seward informed them that he was ready to open negotiations for a new reciprocity treaty whenever the committee should refer the subject to him. Messrs. Hooper, Allison, Logan, Maynard, Brooks, and Niblack, of the committee, agreed to make such a report, and Gen. Schenck was willing it should be made; Mr Griswold was absent. The adjournment, however, took place so early that there was no opportunity of getting the report before the House; and hence the matter goes over till the reassembling of Congress, with the knowledge that the Committee of Ways and Means are nearly unanimous upon the subject, and that Mr Seward will open negotiations as soon as the committee are enabled to report. In the Senate the question has also been referred to the committee on foreign relations, and it is known that the chairman, Mr. Sumner, is strongly in favour of negotiations. Mr Sumner has frequently stated that he reported in favour of terminating the old reciprocity treaty, not because he desired a cessation of trade with the British Provinces, and a reopening of the fisheries difficulties, but because he did not consider the treaty as sufficiently comprehensive or beneficial to the United States, and that he believed the proper course was to abrogate that treaty instead of attempting to patch it up, and then negotiate a new treaty of a comprehensive character, which should include manufactures and should be made in the interest of this country, and not, as the former treaty, more with a political object than as a commercial necessity.
