BLOOD POISON

For over thirty years we have treated and cured all forms of Blood diseases, both hereditary and acquired. Our New Method Treatment is original with ourselves, and never fails to eradicate the poison from the system. Beware of mercury and other mineral poisons, which so many doctors prescribe for this terrible disease, as they will ruin the system. Other treatments drive the poison into the system, whereas our treatment destroys the virus or poison in the blood and removes it from the system entirely, so the symptoms can never return. If you have any of the following symptoms consult us before it is too late: Blotches, eruptions or pimples; falling out of the hair, itchiness of the skin, stiffness or pains in the joints, soreness in the muscles, sore throat, ulcers or bad taste in the mouth, sore tongue, sourness of the stomach, enlarged glands, running sores, etc.

Our New Method Treatment will purify the blood, heal up the sores, remove all pains; the hair will grow in again, all organs will be restored to their normal condition, and the patient prepared to renew the duties and pleasures of life. We guarantee marriage possible with absolute safety.

CURES GUARANTEED OR NO PAY

We treat and cure **Varicocele, Nervous Debility, Stricture, Gleet, Blood Poison, Urinary Drains and Losses, Kidney and Bladder Diseases.**

Port Law

After a brief illness, patiently borne, Mrs. Martha Dyson, relict of the late W. R. Dyson, passed away from this life on Saturday last at the age of 71 years. Her husband predeceased her about seven months ago, so that death did not long divide them. The funeral took place on Monday to Flesherton cemetery, a large number of friends and acquaintances paying their last tribute to the lady whom they had known only to respect and esteem. Her pastor, Rev. J. S. I. Wilson, conducted the service at the house. Much sympathy is expressed for her two sons, Messrs. Herbert R. and Herman, who within such a short time have had their home made lonely by a double bereavement.

Mr. and Mrs. Davidson of Stratford, organizers of the Royal Templars, have been holding meetings in the schoolhouse with the object of instituting a Council in this neighborhood. Mr. and Mrs. D. are delightful musicians and many of their numbers are illustrated by limelight views, including the story of Daniel, Rock of Ages, Abide with me, Lead Kindly Light, etc. Their meetings are chaste, instructive and very enjoyable. The prospects for instituting a strong Council appear bright.

Mr. Albert Sheardown, who was slowly, but apparently surely, recovering from his last winter's attack of pneumonia, has had a severe relapse, and lately underwent an operation, the effects of which have left him very weak.

Mrs. Thomas Sherwood is down with a serious attack of inflammation of the lungs.

Mr. and Mrs. H. Down's youngest child is suffering from an attack of pleursy.

Inspector Campbell paid our school an official visit last Friday. His report speaks in commendable terms of the work being done by teacher and pupils.

Mr. W. McLennan had the framework of his new barn raised last week. The means used was the rope and pulley system.

Mr. D. W. Jamieson has secured the contract of the brickwork of the S.A. barracks, Feversham, and commenced operations last week.

The masons have been at work on Mr. John W. Haney's barn, and will soon have it ready for the superstructure.

Mr. Geo. Condle and family of Toronto are up for a two weeks visit with Mrs C.'s parents, Mr. and Mrs. McLennan.

Mrs. Bates of Toronto visited with Mrs. Thomas Taylor and other friends.

Miss Elsie Pedlar, Rockvale, visited her cousin, Miss Reka Pedlar.

Mr. Ed. Jamieson has returned from his sojourn with the "sojers" at Niagara.

Mr. and Mrs. J. P. Nicholson and Miss Nicholson of Oakville came up on Friday just in time to be with Mrs. Dyson in her last hours.

We all like to puzzle our brains over things which give certain and strange results, but which we cannot explain. Here's a puzzle that puzzles everybody. Take the number of your living brothers, double the amount, add to it three, multiply the result by five, add to it the number of living sisters, multiply the result by ten, add to it the umber of deaths of brothers and sisters, subtract 150 from the result. The right hand figure will be the number of deaths, the middle figure the number of living sisters, and the left hand figure the number of living brothers.

The Manitoulin Conservator winds up a stinging editorial on the judges' report of the Gamey investigation as follows: When angel Gabriel blows his last trumpet, and gathers home to the Lord the souls who have suffered in daring to do right in the face of unsurmountable odds, on that great day when all shall be justly judged and equally rewarded, if Bob Gamey does not receive a whiter plume than Boyd or Falconbridge, we confess we would be inclined to loose our faith in in the justness of things in heaven.

On Dominion day the Postoffice Department will issue new postage stamps, and those who have had an opportunity of seeing copies of them speak most approvingly, both of the design and workmanship. The stamp bears the likeness of the King copied from the latest portrait of his Majesty, being one painted since his accession to the throne, representing him in royal robes, scarlet and ermine, and now in York House, the London residence of the Prince of Wales. In each of the upper corners of the stamp is a Tudor crown, and in the lower corner a maple leaf with a numeral indicating the denomination of the stamp. The portrait of the king is a striking and admirable likeness of his Majesty.
