STRICTURE

CURED WITHOUT CUTTING, PAIN OR LOSS OF TIME

No matter how long you have suffered or how barbarously you have been treated by surgeons, by cutting, stretching and burning, we ask you to investigate our NEW METHOD of curing it. Our treatment is original with ourselves, and is the result of 30 years' experience in these special diseases. The stricture tissue in the canal is painlessly absorbed and hence removed forever. Any discharge, which often accompanies stricture, disappears, the inflamed surface is healed up, all scalding and burning sensations cease; the Kidneys and Bladder become strong and normal, the sexual organs regain vigor and vitality and the patient feels as though life were worth living. All cases are treated under a

POSITIVE GUARANTEE OR NO PAY.

OUR NEW METHOD TREATMENT will cure you, and make a man of you. Under its influence the brain becomes active, the blood purified so that all pimples, blotches and ulcers heal up; the nerves become strong as steel, so that nervousness, bashfulness and despondency disappear; the eyes become bright, the face full and clear, energy returns to the body, and the moral, physical and sexual systems are invigorated; all drains cease—no more vital waste from the system. The various organs become natural and manly. You feel yourself a man and know marriage cannot be a failure. We invite all the afflicted to consult us confidentially and free of charge. Don's let quacks and fakirs rob you of your hard-earned dollars. WE WILL CURE YOU OR NO PAY.

We treat and cure NERVOUS DEBILITY, SEXUAL WEAKNESS, EMISSIONS, SYPHILIS, GLEET, STRICTURE, VARICOCELE, KIDNEY and BLADDER DISEASES, and all diseases peculiar to men and women.

Pope Leo died on Monday at 4.04 p. m.

The King and Queen are at present paying a visit to Ireland.

A meeting of the directors of the Electric Railway Company was held at Walkerton, on Friday last, in accordance with the requirements of the Act extending the charter. The amount of stock required to legalize the proceedings was subscribed, and all necessary steps taken to carry the project into effect. A vote of thanks was passed to Hon. Senator Landerkin, and Mr. Ross M. P. for their valuable assistance to getting the new act through parliament. A provisional agreement with the Sawyer Company was entered into, to be ratified permanently by September first, should Mr. Sawyer be satisfied with the conditions after going over the route in the meantime. He and Mr. May are now on the ground, examining waterpowers and business conditions. The meeting was well attended and the directors felt hopeful of success.—Bruce Herald.

A peculiar accident happened on the farm of Alex. Henry, Normanby, near Calderwood. Mr. Henry was cutting hay with two mowers, when one of the teams became frightened and ran away, smashing the mower and breaking both hind legs of a fine mare worth $175. A rifle was brought to the field and the unfortunate mare was shot. But the farmer's troubles did not end here; the discharging of the rifle frightened the second team until they, too, run away, also smashing the mower, to which they were hitched, so that Mr. Henry's loss that day totalled up to a valuable mare and two good mowers.

Arthur Runnings, son of William Runnigs, a rafter, for Maitland, Rixon & Co., Owen Sound, was drowned in the upper Sydenham on Saturday, at a point known locally as the Sand Bank. He was in bathing, and attempted to swim across to the island. When ten feet from shore he turned as though to return to the starting point, and sank. His companions gave the alarm, but the body was not recovered for over two hours. The young man was sixteen years of age, and of a religious turn of mind, being an active member of the First Methodist Church.

Cleave and Rattle, hound dogs owned by Messrs. Melville McGill and Ames Merriam of Chatsworth, have recently become fast friends and at every opportunity go to the bush and run together. Rattle was liberated one day last week and Cleave broke his tie to join his companion in the run. Cleave took the rope with him and in the chase it became fastened in the shrubbery and held him. Rattle remained with his less fortunate dog friend until they were discovered on the afternoon of the following day. The ground for the length of the rope was deeply pawed, and the animals were nearly exhausted. There is in this a lesson of friendship.—Banner.

Thomas Rogers of Mitchell sued his brother, John, at the Spring Assizes in Stratford, to recover a legacy of $500 due him under the will of his father, who died in 1892. The father's farm was bequeathed to John on condition that he paid over the legacy, but he secured an agreement from Thomas, who is not overly bright, by which he was to give Thomas his board and clothes as long as the money lasted, but was not to pay him anything for his labor. Chief Justice Falconbridge has handed out his decision, holding that the agreement was ill-advised and improvident, and giving Thos. judgment for the $500, with interest for six years, and a further sum of $50, the value of a colt taken from him by his brother. Thus are the helpless protected.
