Everyone Who Bought Canada's Victory Bonds Made Money . . . . . .

EVERY one of the million and a half subscribers to Canada's Victory Bonds knows that he can sell them today for more than he paid for them.

Every one who bought Canada's Victory Bonds has received 5½ per cent. interest per annum—paid twice a year.

Over half a million Canadians who bought Canada's Victory Bonds on the instalment plan saved money that they would not otherwise have saved.

The guarantee back of Canada's Victory Bonds is the same as the guarantee back of a One Dollar or a Two Dollar bill. There is this difference, however, that you get interest on the Victory Bonds and you don't on the One or Two Dollar bill.

Canada's Victory Bonds will always be accepted as security for a loan.

Banks are ready to loan money on Canada's Victory Bonds.

Canada's Victory Bonds may be turned into cash at any time.

There is no other way in which you can invest your money with such absolute security—paying such a good rate of interest.

Canada will soon give her citizens an opportunity to buy Victory Bonds 1919. It will probably be the last chance to buy Canada's Victory Bonds on such favorable terms.

Prepare to buy as many Victory Bonds this time as you now wish you had been able to buy the last time

Intolerance or Compromise?

A Challenge to Common Sense!

DON'T let anyone tell you that the issue on October 20th is "The Beer or the Boy"—"Is Alcohol a Poison or not"—"Economy or Extravagance"—any such an abstraction.

The plain situation is—three sections of the people of this Province are absolutely dissatisfied with the Ontario Temperance Act and want new legislation that will permit the sale of light beer and wine generally, and the sale of pure, spirituous liquors only through Government agencies.

These three sections of the population are—ninety per cent. of organized labor, by actual vote; a large number of returned soldier organizations, by actual vote; thousands of the rank and file of the electorate who have joined the Citizen's Liberty League.

The plain issue then is—Are you going to vote for the safe, sane, fair compromise that these men and women want; or, are you going to insist on the retention of the unsatisfactory Ontario Temperance Act—insist on the retention of legislation that is breeding and will continue to breed dissatisfaction and discontent among our workers, returned men and a large section of the citizens generally?

Which are YOU for—COMPROMISE and HARMONY, or INTOLERANCE and Widespread Resentment?

Study the Ballot and analyze the situation conscientiously. This is one of the most vital concerns you have just now—a settlement of Ontario's vexed temperance problem that will be in the best interests of all the people.
