Vocational Training For Returned Soldiers

Ex members of the C. E. F. who have a disability due to or aggravated by service which prevents them from resuming their pre war occupation, are entitled to free training with pay and allowances for a period of six months. The ex members of the C.E.F. who enlisted under the age of eighteen, whose training (in the opinion of the Department) was interrupted owing to their having enlisted, will be given a similar course. Ex soldiers residing in this district, who are eligible for training under the above ruling and who desire vocational training, should get in touch with the District Vocational Officer at Owen Sound.

Credits Must Be Established for Sale of Surplus Products.

Success of Victory Loan 1919 Will Insure Steady Markets for Farmers.

It takes some six bushels of wheat to feed the average person in Canada annually. Roughly, therefore, the eight million people here consume about 50,000,000 bushels each year. But even in a poor year the crop is some five times that amount, and the surplus must be sold if the farmers are to get a return for their time and labor. But the sale of the crop must be financed. Great Britain, which provides our greatest market, has not the ready cash; and so Canada must find means of raising the money. Hence the Victory Loan 1919. In view of the fact that the prosperity of the Dominion is dependent to a considerable extent upon the sale of her surplus grain the necessity of the money being forthcoming is patent.

Your dollar may be the last straw that sweeps the Victory Loan over the top. Would you take the chance of making it a failure?

Lend your money that your pay envelope may be always filled, as will follow the success of the Victory Loan.

A little capital

"IF ONLY I had a little capital, look where I might have been to-day!"

Are you going to be one of the men who say that after you have passed middle age, or are you going to be one of those who "got there" because you had that "little capital" when your chance came?

Most big business concerns and large fortunes had small beginnings.

The men who accomplish things are not the idle rich but the ambitious, industrious men, rich or poor.

A little money saved each week and deposited in the Bank of Toronto can be the beginning of your life venture. With the interest it earns it does not take long to accumulate capital sufficient for a start. The more you have for your beginning, the surer is your success.

We invite your banking account.

Every sparkling crystal is absolutely pure; every process of its manufacture is safeguarded with unceasing vigilance. **Dominion Crystal Sugar** adds to the natural deliciousness of pie fillings—sweetens too tart fruits without destroying their fresh fruit flavor.

Dominion Crystal Sugar is the only sugar that may rightly be called "Canadian from the ground up." We do import the finest of raw cane sugar and refine it. But our pride is in the product we make from Canadian sugar beets—its use is dictated by good judgment as well as patriotism.
