Priceville

A large portion of the people of this vicinity took advantage of the exceeding fine weather last week to attend both South and East Grey Agricultural Exhibitions, and we presume they captured a fair share of the prizes awarded, some claiming a score or more of prize tickets.

The thermometer went rapidly down on Sunday and on Monday we had a light shower of sleet and snow. Conversations either on the street or around a comfortable fire generally turn to the supply of fuel and the prices thereof for the coming winter.

Everybody seems to hope for two more fine days at least, the 8th & 9th of Oct. for our fall show. This is perhaps the only fair omitted in the lists of our county papers. Possibly our directors can explain the reason why, but then this is a popular show and every body near and far keeps themselves posted on the dates.

There are a large number special prizes offered this year. Some buisiness men from distant points have offered interesting specials since the lists were printed, but interested parties can get full particulars from Secretary Butter, or any of the directors.

The general interest in football aroused last spring by the formation of our football teams has never lagged all season and is perhaps hotter today than at any other time. Our citizens are very indignant over the usage our school team received at Markdale. On Saturday 29th the Public School teams of Markdale and Priceville met on the grounds of the latter. The play was clean and fast and although the visitors were somewhat larger, our boys came out victorious. The return game, played last Saturday, however, was decidedly unworthy of being called a match. The Markdale team had been altered and so absurdly outclassed the Priceville boys in size and weight that the latter were simply out of it from start to finish.

In order to ensure fair games, in the future our juniors intend to play according to weight, and hereby invite challenges from any teams averaging not over 85 lbs., heaviest player not to exceed 110 lbs.

Maxwell

Mr. and Mrs. James Buckingham of Osprey celebrated the 25th anniversary of their wedding day, on the 14th inst. The union of these two lives has evidently been very happy and prosperous. Mr. Buckingham owns one of the best farms in the township, for which he has recently refused $6000. Their family consists of four sons and three daughters. George, the eldest, is attending Albert College, Percy has a situation in the Board of Trade building, Chicago, Elijah (Padge) is the farmer and could teach most boys how to plow. The following were present at the celebration, all of whom are relatives: Mr. and Mrs. Buckingham, father and mother of the groom; Wm. and Robert Buckingham with their wives and families, Mrs. Thomas Hawton and family, Mrs. John Buckingham and her daughter, Mrs. Thomas Hudson; Mrs. Munroe of Chicago, Mr. and Mrs. Lewis of Thornbury, Mr. W. Pentland and wife, Collingwood; Mr. John Vickers and wife, Mr. Dale and wife, Mr. McMorris and wife, Mr. J. A. Conn and wife, Mr. E. Downs and wife, all of Heathcote. Several absentees sent nice presents. One could not look upon the beautiful and costly array of presents without wishing for a silver wedding.

George Buckingham left two weeks ago for Albert College.
