Artemesia Fall Fair.

This fair, held at Priceville on Friday of last week, was favored with choice weather, although a little cool, and the attendance was consequently large. All round the show was probably better than any former year. Fruit, roots, ladies' work, etc., were especially good in the inside exhibit, with grain somewhat slack. Outside the competition in all kinds of live stock was keen. There was considerable sport in connection with the fair this year, prominent special events which attracted the crowd being a biscuit eating contest, won by Postmaster McKinnon's little lad, Donald ; and a football kicking contest. Everyone present this year voted the show a good one, and much credit is due Mr. A. Butter, the secretary, who had put a large amount of energetic work into it.

Eugenia

The woods are lovely at present. Hoary winter will soon change the scene to one of desolation.

Mr. William Cameron and wife have gone on a visit to friends in Normanby.

We are pleased to hear of the safe arrival of Mrs. Hooper from England after a very pleasant visit to her friends, whom she had not seen for thirty years.

John Walker and bride, from Guelph, were the guests of Mr. Wm. Walker, sr., for a few days recently.

Mrs. P. Munshaw is visiting her daughter, Mrs, Edwin Large, at Sarnia.

Mr. Samuel Fisher and daughter, Mary, have returned from an extended visit at Holland Centre.

The Harvest Home held in the Presbyterian church on Friday evening turned out a success after the disappointment of the storm Wednesday evening, although the speakers promised did not put in an appearance. Yet the program was a very good one and everyone seemed pleased. The ladies of the church feel very grateful for patronage received. Proceeds $45. They are having the basement finished and electric lights put in. The church now presents quite a creditable appearance.

Thomas Spence of the Toronto fire department has been visiting his many friends around Eugenia.

Mr. Briggs and daughter from Tara were visitors at W. Walker's for a few days.

Mr. Wm. Donaldson and wife, Toronto Junction, were visitors at Mr. Henry Fenwick's for a couple of weeks.

Miss Hattie Wallace of Winnipeg and Miss Hannah Wallace of Toronto, are visiting their parents.

George Bowers of Toronto spent a few days visiting at Mr. Woodburn's.

Address and Presentation

On the evening of Sept. 22, a number of neighbors to the south gathered at the residence of Mr. Jacob Holley, east back line, Artemesia, when a pleasant time was spent and the following address and presentation given :

To Mr. and Mrs. Holley,—Dear Friends : Having learned that you were about to leave our neighborhood, we are here to say good bye and wish you well. You have spent your youthful years in our midst, and your genial dispositions have won many warm friends in this community. We have always found you ready to help in time of need. In business you have proven yourselves upright, honorable and obliging. We regret your removal from among us, but heartily wish you health and happiness during the evening of life in your new home in Markdale in retirement. As a slight token of our appreciation please accept this table, easel and picture. May they recall from time to time pleasant memories of your old friends and neighbors, and may the blessing of God rest upon you both.

Mr. Holley replied feelingly and appreciatively. He sincerely appreciated their expression of good will.

If goods are unusually cheap, we know it as soon as any one. If manufacturers have bargain lines to offer, this store generally gets first chance.
