Eugenia

Born—At Eugenia, Nov. 14, to Mr. and Mrs. James Williams, a daughter.

Born—At Eugenia, Nov, 18, to Mr. and Mrs. Thomas Walker, twin daughters, both dead.

Times are very dull around Eugenia at present. We hope that about Christmas time they will be a little more lively and that the wedding bells will be ringing again.

The Presbyterian Sabbath school scholars are making efforts to have their teameeting on Friday evening a grand success With such good sleighing they hope to have a full house. A cordial invitation is extended to all.

A temperance meeting was held on Friday evening last in the Orange hall, with the object of organizing a lodge of the Royal Templars. Several speakers were present and a number enrolled their names. With the members from Salem it is expected a strong lodge will be formed here.

Rev. Mr. Fleming of Maxwell preached here last Sunday, Rev. Mr. Thom taking his work at Maxwell. In the removal of Mr. Fleming to Manitoba Maxwell people are losing a good man.

The sudden death on Saturday last of Willie second son of Mrs. Jamieson, after a few days illness, has cast a gloom over this community. At the early age of 17 years and one month his loving mother was called to part with a dearly beloved son. The sympathy of all this community goes out to her in her sad bereavement but we trust her great loss is his gain. His kind, genial disposition made him a general favorite with all. The funeral Monday afternoon was largely attended by sympathising friends and neighbors to Salem burying ground, where his pastor, Rev. W. Sinclair, performed the last sad rites, commiting to the silent tomb all that was mortal of one who was greatly beloved by all.

Like a flower cut down in its early bloom
He peacefully sleeps in the silent tomb.
Though wintry winds o'er his grave do sweep,
Yet the Lord his precious dust will keep.
His ransomed soul has joined that throng
Who have learned to sing the glad new song.
Though mourning friends his loss deplore,
They shall meet again to part no more,

Address and Presentation.

On Monday evening, Nov. 30, the Maxwell Presbyterian congregation assembled and proceeded to the manse, where they agreeably surprised Rev Fleming and family, completely filling the large manse. After getting comfortably warmed Mr. Robt. Kinnear, acting as master of ceremonies, called upon Dr. Scott to read an address, while Mr. J. Ferguson presented a well filled purse as a token of their appreciation of Mr. Fleming's services here. This was immediately followed by an address by Mrs. A. E. MacCallum and a purse presented by Mrs. G. Ross to Miss Kate Fleming, organist, presented by the young people of the church. A lunch was then provided, and ample justice being done to it a very pleasant hour was spent in games and amusements by the young people, while the older people enjoyed impromptu addresses from Mr. Joseph Ferguson, Mr. Andrews, teacher, Dr. Scott, Mr. Kinnear and others. Mrs. A. E. MacCallum presided at the organ and interspersed the addresses with music. A very enjoyable and profitable evening was spent. A great deal of regret is experienced at Mr. Fleming's departure, he was so thoroughly respected, loved and admired, not only by his own people but by the community. He is an exceedingly able pulpit orator and always drew large and appreciative audiences. His place will be hard to fill. Few country putpits were so ably filled, as he spared no effort to make his sermons interesting and profitable, being a man of superior education, well posted on the general topics of the day, liberal in his views and thoroughly in earnest in his work. His sermons and services have been very much appreciated by Maxwell people, and nothing but regret is heard at his departure to Minto, Manitoba, where he has been called, and where a field of great usefulness awaits him. The family were very popular in the circles of the young people and the loss to Maxwell will be very difficult to replace, as they have always taken an active part in everything pertaining to the advancement and moral welfare of the community.

Grey Old Boys

The annual meeting of the Grey County Old Boys' Association was held in the Confederation Life Building, on Tuesday, Nov. 24th. The Hon. David Creighton was elected Honorary President, and Jackson L. Little, F. S. Means, J. W. Seymour Corley, Thorpe Wright, W. J. McFarland, Dr. R. H. Henderson, and Wm. Walmsley were elected Honorary Vice Presidents. Dr. Edgar W. Paul was elected President for the ensuing year, and W. Harrison Miller, W. Mitchell, and J. W. Armstrong were elected Vice Presidents. James McBride was elected Treasurer; C. W. Chadwick, Recording Secretary; Harry Hooper, Financial Secretary; Geo. Kirkpatrick, Director of Ceremonies, and Jas. Whitson, Historian. The following are the officers for the Executive for the coming year:—W. W. Arnott, W. J. A. Carnahan, J. H. Rorke, Jas. K. Robertson, J. W. Lee, H. M. Little, L. Forbes, W. Ellis, George Pepper, J. H. Landerkin, Geo. Fleming, Thos. Masson, J. C. Allen, Wm. Hill, T. Robinson, J. T. Clark, Alf. Thurston, Dr. F. W. Murray, E. E. Rutherford, F. W. Moffat, Dr. Richardson, Ed. Crane, W. Malone. A series of social evenings were arranged for the ensuing season.

A Windfall—On Saturday, says the Shelburne Free Press, W. A. Greer was handed a cheque for $1255.25, in favor of the township of Mulmur, of which he is reeve. This sum represents the sale of Grand Trunk railway stock that was handed over to Mulmur at the time of the separation from Simcoe, and was for almost a quarter of a century regarded worthless, from the fact that the officials of the township had lost the stock certificates. Mr. Greer on assuming office, had this asset looked into and obtained power, in conjunction with the treasurer, to dispose of the stock which, up to now, had been a nightmare in the auditors' report. These officials at once placed the matter in the hands of Mr. Vance, their solicitor, who had duplicate certificates granted, and the stock placed on the English market with the above results. The good old conservative electors of Mulmur were somewhat charry at the beginning of the year on account of having elected an inexperienced council. Now they are wagging their heads in a very doubtful manner if asked if they are going to make any change this year. It goes without saying that the council of Mulmur will be returned by acclamation.

Thomas Stanley, the young man who killed James McComb, and dangerously wounded Daniel Quinlan in Christie township in mistake for deer, has been arrested, charged with the crime of manslaughter. The charge was laid at the instance of Mr. W. L. Haight, the district Crown Attorney, who deemed the evidence given at the coroner's inquest, together with the verdict of the jury showed such criminal neglect on the part of Stanley as to place him clearly within the code.

BLOOD POISON

For over thirty years we have treated and cured all forms of Blood diseases, both hereditary and acquired. Our New Method Treatment is original with ourselves, and never fails to eradicate the poison from the system. Beware of mercury and other mineral poisons, which so many doctors prescribe for this terrible disease, as they will ruin the system. Other treatments drive the poison into the system, whereas our treatment destroys the virus or poison in the blood and removes it from the system entirely, so the symptoms can never return. If you have any of the following symptoms consult us before it is too late: Blotches, eruptions or pimples; falling out of the hair, itchiness of the skin, stiffness or pains in the joints, soreness in the muscles, sore throat, ulcers or bad taste in the mouth, sore tongue, sourness of the stomach, enlarged glands, running sores, etc.

Our New Method Treatment will purify the blood, heal up the sores, remove all pains; the hair will grow in again, all organs will be restored to their normal condition, and the patient prepared to renew the duties and pleasures of life. We guarantee marriage possible with absolute safety.

CURES GUARANTEED OR NO PAY

We treat and cure Varicocele, Nervous Debility, Stricture, Gleet, Blood Poison, Urinary Drains and Losses, Kidney and Bladder Diseases.
