CURE FOR THE UNCURED.
HOLLOWAY'S OINTMENT.
CURE OF ACUTE RHEUMATISM OF FOUR YEARS STANDING.

Extract of a Letter from Mr. J. Pitt, Dudley 19th January 1850.

To Professor Holloway, Sir,—It is with the greatest pleasure that I write to thank you for the benefit I have received from your Pills and Ointment which have completely cured me of the Rheumatism, under which I suffered for this last four years, at times I was so bad as hardly to be able to walk. I had tried every kind of Medicine that was recommended without receiving any benefit. At last thought I would give your medicines a trial, and purchased from Mr. Holfin, Chemist, of this town, two Boxes of Pills, and two of Ointment, and in three weeks, through them and the blessing of God, I was restored to health and strength, and am now as well able to walk as ever I was in my life. I am well known in this parish, having been sixty-five years in it, with an exception of ten years I served in the 24th Regiment of Foot.

BRITANNIA LIFE ASSURANCE COMPANY,
No. 1, Princess Street Bank,
LONDON.

Capital, One Million.

Empowered by Special Act of Parliament, 4th Vic. chap 9.

The great success of this institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death.

The rates of the Britannia are the lowest which can be offered consistently, with security to the Assured, and the Subscriber begs respectfully to invite the attention of the public to the numerous Tables of Rates, specimens of which may be seen at his office in Kingston.

The income of the Company, independently of the large Subscribed Capital, is between Eighty and Ninety Thousand Pounds, Sterling, per Annum, and of this the greatest part is continually accumulating for the payment of losses.

A party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure an immediate Bonus by not paying more than is absolutely required to provide for the risk—but if participation in Profits is preferred by any party, there are "Mutual Tables" adopted by the Company, which offer an Annual Division of the Profits, and which being supported by the other Branch of the Institution, hold out a very safe inducement to the person wishing to Assure.

All claims payable within three months after proof of death.

No proof of Birth is required at the time a claim is made; the Age of the Assured being in every case, admitted in the Policy, cannot, under any circumstances, be afterwards called in question.

Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of suicide, if the Policy be assigned, to a bona fide Creditor, the sum assured will be paid without deduction: if the Policy be not assigned the full amount of Premiums received thereon will be returned to the family of the Assured.

The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to
