County Council

Condensed from O. S. papers

Messrs. Smith and Stewart of Meaford addressed the council in reference to a grant of $50 for the Meaford and County of Grey Poultry Association and the matter was referred to the Finance committees to report upon.

The draft of a memorial from the counties of Stormont and Glengary was submitted, together with a request that Grey county join in petitioning the Legislature to reduce the number of petit jurors from 48 to 36. Referred to Memorial committe.

Messrs. Jas. Cochrane and Jas. Allen were re-appointed members of the judical board of audit.

There were five applicants for the position of county auditors, viz., Messrs. C. A. Fleming and A. F. Armstrong, Owen Sound; Robert Agnew, Meaford; Thos. Hanbury, Dundalk, and R. H. Fortune, Ayton. The names of Messrs. Fleming and Agnew were inserted in the bylaw, and when it came up for its third reading, Messrs. Allen and Schenk moved that Mr. Fortune's name be submitted for that of Mr. Agnew. The resolution, however, was lost on a division and the bylaw was finally passed.

Mr. Gordon presented the first report of the County Property committee, which recommended payment of the following accounts: Owen Sound Electric Light department, $90; M. Scully, use of lawn roller in 1902-3, $2; Wm Armstrong, bookcase for law library, $67; Parker & Co., supplies, $8.95. Report adopted and orders issued on treasurer.

The House of Refuge committe reported recommending that tenders be asked for all the necessary supplies, such as utensils, provisions, etc., and that Mr. Harness, the superintendent, and one of the committee be empowered to purchase a span of horses and a couple of cows.

The first report of the Education committee was presented by the chairman, Mr. McArthur. It recommended that the inspectors' reports be received and inscribed in the minutes; also the payment of extra maintenance accounts from Meaford High school and the O. S. C. I., the former being $1,088.85, and the latter $1,647.50; also recommending grants to continuation classes in the various schools equivalent to the government grant in that behalf, viz: South Grey—Durham, $200; Hanover, $100; Markdale, $50; Dundalk, $50; Artemesia, No. 5, $50; No. 3, $15; No. 12, $15; Glenelg, No. 3, $15; Osprey, No. 9, $15; East Grey, Thornbury, $25; Collingwood, No. 13, $25; Euphrasia, No. 1, $15; North Grey, Holland and Sullivan, $25; Sarawak, No. 2, $15. Total, $615, or a grand total, including government grant of $1,230. Report adopted.

The Finance committee, J. M. Thomson, chairman, made these recommendations: That an account for 50c. from R. McKnight, searching registry office, be paid; that bylaw 448 respecting auctioneers' licenses be annuled so as to conform with bylaw No. 639 re hawkers and pedlars; that $25 be placed in hands of governor of jail for aid of indigent prisoners, and that the request of Meaford Poultry Association for a grant of $50 be laid over to next session for further consideration.

Mr. McArthur, chairman of the Education committee, presented his second report, recommending that the account of Thos. Gordon for $91, entrance examinations at Chatsworth several years ago, be paid. This report was also adopted.

A by-law to amend a former by-law in reference to auctioneers' licenses was introduced and passed. The change was to eliminate the necessity of the license being signed by both warden and treasurer, the signature of the latter being deemed sufficient.

By-law No. 646 pledging the guarantee of the county to certain local improvement debentures issued by various municipalities, which had received its second reading at the November meeting was then taken up and a lengthy discussion ensued, a majority of the members arguing that the step was dangerous in view of the possibility of the debentures of an undesirable nature being issued. All the members participated, some of whom, including Messrs. Gordon and McColeman, got a little warm the former threatened that if the by-law did not carry he would oppose the countyguaranteeing any and every debenture presented for that purpose. Mr. Brown also waxed eloquent in his support of the by-law, expressed regret that his colleague, Mr. Paterson, was on the wrong side of the question, and declared he was prepared to spend the whole night over the matter if necessary.

The yeas and nays being called, the by-law was defeated on its third reading by 8 to 7, members dividing as follows:

Yea—Gordon, Brown, McKinnon, McLean, Allen, Bell and McArthur—7.

Nay—Garvie, Paterson, Thompson, Shute, Schenk, McColman, Preston and the warden—8.

The house of refuge committee recommended that the tender of A. F. Wyvil for the erection of the barn at the refuge farm be accepted and that the proper safeguards be provided in an agreement to be prepared by the solicitor. That cooking ranges be added to the list of equipment to be advertised for and that in the said advertisement or tender manufacturers be required to send marked catalogue with their tenders for several sizes, the tenders to include the making of all connection and the supplying of all material necessary to connect with hot water boilers with proper shut off valves, and that the committee having visited the house of refuge also recommend that upon the contractor and his sureties signing properly executed agreements that will preserve intact the security of the county, the inspector may continue to issue progress estimate certificates, but in the event of the contractor and his sureties failing to sign such an agreement the inspector will be instructed to enforce the conditions of the original specification and agreement will retain 25 per cent until the contract is finally taken over by the representatives of the county.

The memorial committee recommended the adoption of a memorial to be presented to the Legislature asking the repeal of the recent amendments as placing too much power in the hands of the local municipalities and recommending the substitution of a plebiscite to be taken at the annual elections. The memorial also suggested that the term of office of municipal councils be extended to two years and also recommended cummulative voting be applied to all votes in financial matters.

On motion of Messrs. Gordon and Garvie by-law 654 was introduced to guarantee the debentures of the town of Owen Sound to the extent of $25,000 for the extension and improvement of the gas and electric light plant. The bylaw was finally passed on the following vote.

Motions were then introduced authorizing the payment of $1 per day to Dougald McArthur the caretaker of the council chamber; $1 per day to V. Gordon, messenger, and $18 to J. H. Rutherford for the publication in The Times of a full report of the councils discussions and proceedings, and that a copy of the paper be sent to all the papers in the county.

On motion the expenses of the members' trip to Markdale to inspect the house of refuge was ordered to be paid at the rate of $2 each

The council then adjourned until 2 p. m. on June 6th and the council dispersed on singing of the National Anthem.

FOR ENERGY AND STRENGTH-- ANTI-PILL

Prevalent conditions that go to make people look old and fasten age marks before their time are described in the following letter from a woman who received immediate relief from a sample of ANTI-PILL.

"I would wake in the morning feeling tired. My feet and ankles would swell. I had a horrible dragged sensation. My head ached as though it would burst. My bowels were never regular. I had a disagreeable feeling of overfulness after eating. Food would not digest, and caused great distress. Was nervous. I was treated for dyspepsia and constipation with little or no relief. A sample of Dr. Leonhardt's ANTI-PILL did me so much good I followed up its use, and two boxes has entirely cured me."

ANTI-PILL is sold by druggists, 50 cents, or mailed by addressing WILSON-FYLE CO., Niagara Falls, Ont. Free sample mailed to any address.

STRICTURE

CURED WITHOUT CUTTING, PAIN OR LOSS OF TIME

No matter how long you have suffered or how barbarously you have been treated by surgeons, by cutting, stretching and burning, we ask you to investigate our NEW METHOD of curing it. Our treatment is original with ourselves, and is the result of 30 years' experience in these special diseases. The stricture tissue in the canal is painlessly absorbed and hence removed forever. Any discharge, which often accompanies stricture, disappears, the inflamed surface is healed up, all scalding and burning sensations cease; the Kidneys and Bladder become strong and normal, the sexual organs regain vigor and vitality and the patient feels as though life were worth living. All cases are treated under a

POSITIVE GUARANTEE OR NO PAY.

OUR NEW METHOD TREATMENT will cure you, and make a man of you. Under its influence the brain becomes active, the blood purified so that all pimples, blotches and ulcers heal up; the nerves become strong as steel, so that nervousness, bashfulness and despondency disappear; the eyes become bright, the face full and clear, energy returns to the body, and the moral, physical and sexual systems are invigorated; all drains cease—no more vital waste from the system. The various organs become natural and manly. You feel yourself a man and know marriage cannot be a failure. We invite all the afflicted to consult us confidentially and free of charge.
