Government Holdups

The Farmers Sun has for some time been making a strenuous fight against government railway subsidies, guaranty of private bonds, and favoring a more equitable railway taxation. Against the present position of the Ross government, however, the Sun and every other good influence seems utterly impotent. A government in the position in which Mr. Ross finds himself is simply at the beck and call of corporations to do with as to them seems good. It is simply astounding the demands that have been made on the Legislature this session, and apparently with complete success. These demands, as pointed out by the Sun, are as follows:

1. To guarantee the bonds of the Sault industries to the extent of $2,000,000.
2. To guarantee the bonds of the James Bay railway to the extent of $5,000,000.
3. To grant the Huntsville and Lake of Bays railway a subsidy of $10,000.
4. To subsidize a branch of railway 200 miles long, extending from the main line of the Grand Trunk transcontinental line to Port Arthur, to the extent of $400,000 in cash and 1,200,000 acres of land.

And there are more to follow. Is the situation not a serious one?

House of Refuge Supplies

The house of refuge committee have awarded the following contracts, according to the Owen Sound Advertiser: Jno. McQuaker & Co., Owen Sound, groceries and dry goods; Knott Bros., Markdale, agricultural implements; Western Foundry Co., Wingham, large cooking range; R. L. Adolph, Owen Sound, for beds and springs; F. Sargeant, Markdale, meat. On Wednesday Warden Pringle and Messrs. Gordon and McArthur visited the institution and made arrangements for the fencing and other preparations for spring work. The interior work of the building it is expected will be completed within ten days, but a considerable amount of the exterior painting was of such a nature that the inspector refused to issue certificates for the work until it was recoated. Mr. McAlpine, agent of the Ontario Wind Engine and Pump Co. is now engaged in fitting up the pumping apparatus which it is also expected will be in operation in a week. As compared with the pumping tower on the east hill the plant for the house of refuge is on a larger scale, there being two towers of the respective heights of 60 and 65 feet, constructed of eight inch iron. There are 1550 feet of iron piping in connection with the pumping plant.

Rich Color and Soft Skin

May be imitated, but beauty is more than skin deep,—it is hidden in the blood. Eliminate the poisonous products of indigestion by Ferrozone and complexion rapidly improves. Increase the red coloring matter in the blood, give it more nutrition and more red cells, do this and cosmetics won't be needed. Give up cosmetics, they wither too quickly. Use Ferrozone and have your complexion firmly established. There isn't a case of blotched skin, poor complexion that can't be quickly remedied by Ferrozone. Try it. Price 25c.

The Dominion Government will spend $50,000 on improvements to Collingwood harbor.

Owing to ill health, Geo. Nixon of Dundalk has decided to seek a milder climate.

Orillia township has abolished statute labor. Money for roads will henceforth be raised by a general levy the same as other taxes instead of by commuting the statute labor, as has been done for the past few years. The change will effect a more equitable adjustment of taxation the road tax falling proportionately heaviest on the man with the lowest assessment at present. A general rate of 2 3-10 mills would have raised the amount spent on roads last year. At this rate a man assessed for $100 would have a road tax of only 23 cents, whereas under the commutation system he paid on the basis of one day's labor, 50 cents. On the other hand a man assessed for $2000 would pay $4 60 on the tax levy and $3.50 in commutation.

Nerviline Loosens up Colds

On the chest and relieves that tight feeling and hard cough like Nerviline, writes E. P. Renshall of Sutton. "I never use any other remedy but Nerviline and find it serves as a general household liniment best of all. Childrens colds and inflammatory pains are quickly cured by Nerviline, and its action on colds, coughs and sore throat is unequalled by anything I ever used. Nerviline is both powerful, pleasant and reliable." Every mother should use Nerviline. Price 25c.
