Mr. M. K. Richardson, M. P., spent Sunday at home here.

Saturday last, April 23, was the first real spring day we have had.

Service will be held in the Baptist church on Sunday evening, next.

Mr. Bowers is now in charge at Wilson's planing mill.

Mr. John Runstadler visited Berlin and Waterloo friends last week.

Brick house and large lot for rent in Flesherton. Apply at this office.

Mr. Runstadler started his egg wagon out on Wednesday for the first time this spring.

A couple of men wanted to work at framing. Apply to John Whitten, Flesherton.

For Sale—One dining, one parlor, one sewing table, cheap for cash. Apply at this office.

Mr. J. F. VanDusen of Dundalk was in town on Monday. He says things are quiet in our sister town.

Mr. T. Grainger has purchased the lot and residence in town owned and occupied for some years by Mr. Turner.

From a letter received we learn that Mr. R. N. Henderson, late of Flesherton and Toronto, is now located in Winnipeg Man.

The frogs were heard croaking for the first time this season on Sunday. There has been a lot of croaking going on all winter, but it didn't come from the frogs.

Assessor Chas. Bellamy completed the assessment of Artemesia township last week. The work has been unusually difficult this year owing to the impassable condition of the roads.

Remember, all the new spring goods such as prints, cottons, shirtings, ginghams, lace curtains, art muslins, are being sacrificed at Sheppard's. We don't want to remove anything.

Next Sunday evening pastor G. F. Hurlburt will begin a series of sermons on "The Future Life and State." The first topic will be "The Home of the Saved."

A baptismal service was held in the Methodist church on Friday evening last when seven candidates received the rite of baptism at the hands of the pastor, Rev. Ivison Wilson.

Boots and shoes, ready to wear clothing, crockery, groceries, wall paper must be sold, as we are not going to handle anything but dry goods in Toronto Junction, so look for bargains at Sheppard's.

Pocketbook lost—On Sunday morning, between Thos. Manders' house and the Methodist church, black pocketbook with small sum of money. Finder please leave at this office. The loser is a poor person who will be grateful for its return.

A note from a friend at Strathcona, N. W. T., says the weather has been beautiful there since March 22, with plenty of sunshine. That description don't fit this section of the King's domains, does it.

Chatsworth Banner: The marriage of Mr. Wm. Campbell and Miss A. Charlton took place at the home of Mr. Thomas Bentham at Williamsford on Tuesday evening, April 12. This date was also the twentieth anniversary of the marriage of Mr. and Mrs. Bentham and the happy events were jointly celebrated.

We notice by the Parkhill Post that Mr. Bob. Thompson, late of Flesherton, has developed into quite a singer. At a recent entertainment the Post says, "Bob. Thompson was ably assisted by the chorus in rendering 'Mamie,' the very latest song. Bob sang well and the song made a hit." We also notice from the same source that our old friend J. G. Russel, who conducted a jewellry business in Flesherton fifteen years ago, still maintains his voice in good form and is still able to delight an audience as he was when here.

C. R. Sing, an old resident of Meaford, died on Monday.

Toronto's big fire is described on our inside pages.

Born—In Flesherton, on Monday, April 25, to Mr. and Mrs. W. Boyd, a son.

Service will be held as usual at the Meaford Road church on Sunday next, May 1st, at 2.30 p.m., when the pastor will preach and also conduct the quarterly communion service.

The trout fishing season will open on Monday next. This will not be such good news as it formerly was to some of our anglers, as the available fields of operation are getting somewhat curtailed. The Boyne river through the valley used to be one of the best of these streams, but this is now owned by W. A. Armstrong for a distance of about two miles, and he purposes protecting it absolutely for a few years and issues a warning in this paper against trespassers.

A large amount of building will be done by farmers in the vicinity of Flesherton this summer and contractors have their hands full. Mr. John Whitten of this place has four barns and two houses to erect. Among the buildings to be erected are houses for R. Hoy, S. McMullen, Wesley Buskin, and Jos. Duncan; barns for Thos. Betts, McKenzie Duncan, Wm. Chard, and Johnston Cullen. Different contractors have these buildings in hand.

Eugenia Electric Development

A party of half a dozen Toronto gentlemen, members of the Eugenia Falls Electric Power Company, visited the falls on Tuesday to inspect their property. One of the gentlemen informed The Advance that the engineer is now on the ground laying out the plans, and active work will begin in about two weeks, when a gang of men will be put on. Most of the stock in the company has, it is said, been disposed of, and prospects appear to be bright.

Railways

Mr. R. J. Sproule attended a meeting of directors of the Huron & Ontario Railway Company held in Walkerton on Friday last. This meeting was called to ratify an agreement to extend the bonding privileges of the road, the object being to make it possible to build a steam road instead of electric. Mr. May, the Montreal contractor, appears to mean business, and a strong feeling exists that the road will be built. The first section to be built, according to the contract, is that from Walkerton to Flesherton. Mr. May's option expires in July and a commencement will have to be made before that time, otherwise a new company will probably be in the field, which, it is said, is being backed by the C. P. R. The prospects are of the brightest that there will be something doing in railway building here during the coming summer. The Charlton line south is also said to be among the sure the things.

Mrs. Hector McDonald who lived near McIntyre, died after having returned from the Collingwood hospital, where she had been undergoing treatment for a couple of weeks. Her husband and two interesting children survive. Mr. McDonald had an auction sale of his farm stock a few weeks ago and had all the arrangements made for leaving for the west thi week.—Creemore Star.

Charles McKinley of Alton, attempted to commit suicide by cutting his leg with a butcher knife last week. He was discovered in time to save his life, and afterwards was committed to Brampton gaol. He had only returned that day from Owen Sound and the States where he spent the winter. He is evidently insane.

A PRESENT FOR THE OLD FOLKS.

FOR THE STOMACH'S SAKE

An eminent physician says, "human life should last five times the years it takes to mature"—thus if twenty-one is maturity we should live over a hundred years, but there are not many reach the century mark. A great deal more longevity would exist if the stomach did not get crippled and played out—That organ gets plenty of abuse, and is deserving of attention—It is the starting point of most ailments, and it needs the first attention when symptoms of sickness appear. If an elderly stomach can be kept working right, you may be sure of a ripe and contented old age, comparatively free from physical burdens. The great new discovery, ANTI-PILL, the Great System Treatment, has grand effect in helping old and deranged stomachs. Any aged person who will address a Postal to Wilson-Fyle Co., Niagara Falls, Ont., will get a free trial bottle by return mail.
