Feversham

Mrs. Elliott, wife of James Elliott, tax collector for the northern half of Osprey township for a number of years, passed away at her home on the 8th line, Osprey, on Saturday evening, May 7, after a lingering illness. Although Mrs. Elliott had been in failing health for some months, she suffered no pain and did not complain of any pain until the last mo ment, when she quietly pas d away without a struggle, retaining consciousness until the last. The deceased lady was of a quiet, retiring disposition, very industrious and fond of home and family. She was an excellent neighbor and will be much missed, as well in the neighborhood as in her home. She leaves to mourn her loss a husband, four sons and two daughters, all living in the neighborhood and within a short distance of the old home. The funeral took place on Monday, 9th inst., to the English church cemetery, Maxwell, and the large following of friends and neighbors, considering the very busy season, that turned out to pay their last respects, shows the high esteem in which the deceased was held by all who knew her. The heartfelt sympathy of the whole community is extended to Mr. Elliott and family in their sad bereavement.

For a Stiff Neck

Or any soreness in the muscles of the back or sides you can't get anything half so good as Nerviline, the most powerful liniment made. "My neck was so stiff I couldn't turn it a quarter of an inch," writes Fred T. Baldwin of Portsmouth. "I had it rubbed Nerviline a few times and all the soreness and stiffness disappeared. I don't know another liniment you can depend on like Norviline; it's splendid for colds, lameness, and can't be beaten for cramps and internal pain." Try Nerviline yourselves. Price 25c.

D. M. Haliday, postmaster of Chesley, went to Detroit last week to undergo an operation for internal tumor. His physical strength was not sufficent to carry him through and he succumbed to the strain. The funeral took place at Chesley Saturday.

Why Burn Your Flesh

With acid corn salves when 25c. buys a bottle of Putman's Painless Corn Extractor. It's purely vegetable, never causes sores, and acts entirely without pain. Use only Putman's—the best.

If you want a live town, encourage the man who is trying to do something for the place. He may become weary at times and should be encouraged. Don't get jealous of him and throw cold water on his efforts. It is more difficult to build up than to tear down; that is why so many are engaged in destroying what a few are creating. A half dozen active men are worth more than a dozen passive men. It takes more enterprise than money to build up a town. If you can't push crawl out of sight and sit down. If you can't say a good word say nothing.

Some time last fall a barrel of oil was shipped from the Harriston Oil Works addressed to John Hillhouse at Clifford, six miles up the Southampton branch on G. T. R., says the Harriston Review. Nothing more was heard of that barrel of oil for several months, all efforts to trace it proving futile. On the train one day, however, McKay got into conversation with a Chesley merchant, and in discussing the railway service Mr. McKay happened to mention his stray barrel of oil. The Chesley man then told him that he had wondered all winter what a barrel of oil addressed to Clifford was doing on the station platform at Chesley. Mr. McKay at once got in pursuit of his oil again, but it suddenly disappeared from Chesley to bowl up at Owen Sound. Then it was traced back to Palmerston and finally reached John Hillhouse at Clifford on April 10th.

In fact, we have have found on examination, varicocele, present in hundreds of cases where the patient did not know he had it at all. In time it will produce such symptoms as the following: Nervousness, weakness in the back, unsteady limbs, tired and exhausted feeling, pains in the loins, irritation of the bladder and kidneys, sediment and loss in urine, emissions at night with lewd dreams, sexual weakness and decline of manly power—these symptoms gradually develop into NERVOUS DEBILITY and IMPOTENCY.
