Mr. John Bates of Toronto was in town for a few days during the past week. Mr. Bates was in the furniture buisness here about seventeen years ago. He still keeps an eye on his old friends.

We neglected last week to mention the fact that Mr. Charley Phillips of the Toronto police is holidaying in this vicinity. The occupation of keeping the Toronto people moving along appears to quite agree with Charley's health.

Teacher Reid of the Red School, who lives in town, took a dose of liniment on Saturday evening in mistake for another variety of medicine. Dr. Carter was summoned in hot haste. He administered an emetic and no serious effects resulted from the mistake.

Dr. Ottewell recived a nasty hurt recently while doctoring a horse. The animal closed its molars on the end of his digit finger with the restlt that the nail was flattened out and will come off. The injury was very painful until relieved by Dr. Carter's lance.

Postmaster Sproule announces that hereafter on all public holidays the office will be open 10.15 a. m. until 11.15 a. m. and from 1.30 p. m. until 2.30 p. m. This is putting the time forward half an hour from what has been the rule in the past.

A horse belonging to Mr. Fred Brown, who lives near the village, met with a nasty accident one day last week when an upturned harrow tooth entered it's foot for a distance of over two inches, making a very bad wound. Fortunately Mr. Brown had completed seeding before the accident occurred.

Died—At his late residence, 283 Victoria St., Toronto, on Sunday, May 22, 1904, James Hartley, son-in-law of the late Joseph McCormick, Flesherton, aged 47 years. The funeral took place on the arrival of the noon train, Tuesday, May 24th, to the Methodist church, where a short service was held, after which the remains were interred in the Flesherton cemetery.

The Detroit Tribune chronicles the following: A quiet home wedding took place Tuesday evening at the residence of Mrs. Orilla Oliver. The groom was her son, Mr. James Oliver, and the bride Miss Elenor Lawrence of Ceylon, Ont. Owing to the late bereavement in the groom's family the ceremony was witnessed only by the immediate family. Mr and Mrs. Oliver will be at home after June 1 at No. 69 Pitcher street.

Dr. Fred Murray of Toronto favored the congregation in the Methodist church Sunday evening with a solo—"It is well with my soul." Dr. Murray has a rarely fine tenor voice of good range and pleasing tone. His contribution on this occasion was much appreciated by those who heard. His voice is not unknown to the city choirs, he having at one time been a member of the Elm street choir. The Dr. was visiting his brother, Dr. E. C. Murray, here.

The Medical Hall is becoming more "up to date" every week. The latest improvements are shown in the room in the rear of the main shop, which has been painted, papered, etc., and is now one of the cosiest Ice Cream and Soda parlors, north of Toronto. These will be served every day—and from the dainty fittings we are confident that patrons will be very well pleased. The coolest place in town.

The Toronto Junction correspondent of the Toronto Star says: "Mr. A. R. Fawcett has decided to sell out his weekly, the Leader and Recorder, as soon as a buyer shows up. Mr. Fawcett has been in the newspaper business for 24 years. He started first in Grey County. He has been in business in the Junction for 11 years, and in that time his paper has absorbed seven different sheets. The Leader was started where he now publishes, and afterward the Recorder of Moore Park was taken in. Mr. Fawcett will retire from business and live in the Junction." Mr. Fawcett was the founder of this paper.

The Grey County Old Boys will again run their annual excursion from Toronto to Owen Sound this year. Arrangements have been completed for a special train to leave Toronto at eight o'clock on the morning of July 16th, returning to the city at 7.30 the same evening, though the tickets will be good for a stop over up to and including all regular trains on the 18th. Last year the Grey Old Boys brought home five hundred and ninety eight excursionists, and this year they expect to exceed that number. Arrangements for their reception will undoubtedly be made by the mayor and council.—Times.

They Enjoyed him

Rev. J. S. I. Wilson, B. A. B. D., of Flesherton, occupied the pulpit in the Methodist Church here on Sunday last in the interests of the Educational Fund in connection with the church. He is a particularly eloquent and impressive preacher and the services were enjoyed very much by those present.—Dundalk Herald.

Honey will be scarce and high priced this year, as fully fifty per cent. of the bees were killed by the severe winter, while not more than ten per cent. is lost in an ordinary winter. This is the statement which was made at the beekeepers convention held at London a few days ago.

Complaints are frequently made as to the amount of multilated and defaced coins in circulation. The law respecting the passing of such coins is very severe. Anyone proved guilty of stamping names or marks on a coin, whether it lightens it or not, is subject to one year's imprisonment. Everyone who impairs, diminishes or lightens any current coin with the intention of circulating it, is guilty of felony, and liable to 14 years imprisonment. A person trying to pass a defaced or mutilated coin is liable to a fine not exceeding $10.

NO DIFFERENCE

No distinction is made as to the kind of piles that Hem-Roid cures.

The names internal, External, Bleeding Blind, Itching, Suppurating, etc., are simply names of the different stages through which every case will pass if it continues long enough.

Piles are caused by congestion or stagnation of blood in the lower bowel, and take an internal remedy to remove the cause.

Dr Leonhardt's Hem-roid is a tablet taken internally.

It is a permanent cure and no case of Piles has ever been found it failed to cure.

Money back if it does.

A guarantee with every package.
