A Clever Little Poem

The following clever little poem was handed in to Principal Mansell of the public school, last week, as a composition, by Miss Mary Wilson, daughter of Mr. Thompson Wilson, a little girl only twelve years of age. It is really a surprising bit of composition for a child of that age, and would do honor to one of more mature years. Miss Mary should cultivate her talent. The poem is absolutely without any correction or editing whatever and is entitled

THE UNION JACK

The nations are many whose flag has renown—
The nations are many whose flag has come down.
But there is a flag, above all the rest,
That ever shall float, and be ever the best.

The proud lion, stalking along by the beach,
Far over the ocean his eye it can reach;
He thinks of the time when he was a child,
Weak, lowly of heart, gentle, loving and mild.

And now he is great, lov'd, respected by all,
And colonies many respond to his call.
He thinks of Brittannia, the maker of laws,
And vows to defend her with all of his his paws.

Dr. James Airth purchased a span of black horses on Thursday of last week for his livery. He got them at Flesherton, and they are a pair of three-year old beauties.—Chatsworth News.

T. Long & Bro. of Collingwood, whose store was destroyed by fire recently, are rebuilding and the new store will be one most modern and best equipped outside the larger cities.

There are honest men alive yet. An instance of this occurred in this city on Tuesday, said the Guelph Herald, when a gentleman formerly of Guelph, now doing business in the neighborhood of Hamilton, came to the city, called at the Bank of Commerce and paid an indebtedness to creditors amounting to about five thouand dollars.

Orangeville Banner: Mr. Walter Booth, of Owen Sound, who had the misfotune to meet with an accident last winter, by which he lost one of his legs, has been in town for the last week or so. Mr Booth conducted a barber shop in Shelburne some years ago and was a well known lacrosse player. A number of his friends in town subscribed to a fund to assist him in buying an artifical leg. Booth also conducted a barber shop in Flesherton some years ago.

What would no doubt have been a frightful fatal accident but for the presence of mind of Miss Pogue, head milliner at Ledingham & Corlett's, Williamsford, happened at their millinery opening. A gasoline stove was burning in the millinery department, and little Minerva Johnston, one of the assistants, passed close to the stove, when her dress caught fire. Without saying a word Miss Pogue sprang to the rescue and put out the flame by wrapping her own dress around the child and smothering the flame. Miss Pogue's arm was slightly burned but the little girl escaped injury.

Talk To Yourself.

Why are there so many "don't feel well" moments? What is the cause of these aches and pains? Can I banish them?

When you don't feel well your stomach is not well. That is when the ills of the body commence, and they will never end until the stomach is made right. When the stomach is wrong the whole body is liable to go wrong—Poisonous formations are thrown into the circulation in too great a quantity for the other organs to resist—Nerve tissue poisoned—Sleepless, excitable, nervous, heart irregular, headaches, kidneys overtaxed, backaches, kidney pains, liver clogged, constipation and bowels trouble. You can end these afflictions by helping the stomach with ANTI-PILL. It is just what a deranged stomach needs. You can prove for yourself by addressing Wilson-Fyle Co. Niagara Falls, Ont., for a free trial bottle. Regular size 50c. cents (a months Treatment).
