Seeding is about completed and fields and woods look beautiful decked in their rich garments of green.

Mr. Charles Napier has been confined to his house the past three weeks, as the result of an accident. He was engaged removing a large stone when the kant hook with which he was turning the boulder, slipped, allowing Mr. R. to fall, and in so doing to strike his knee against the stone, causing a very serious injury.

Mr. Wm. Parker, third line Osprey, while working in the bush had the misfortune to be struck by a falling tree which broke his leg at the thigh. He lies in a critical condition.

Miss Recka Pedlar is visiting friends in Toronto.

Mr. Wm. Chard raised the framework of his large barn. The work was done by the pulley system.

A large party of young people from this section picnicked Thursday last at Brewster's Lake. A very enjoyable time is reported. Our young men are adepts at driving with one hand, and the way they displayed their skill and gallantry on this particular occasion could not fail to win the admiration of their fair companions, who, no doubt, were involuntarily prompted to exclaim, "More power to your elbow, boys.

Miss M. A. Madill of the Sault has been visiting friends here recently.

Mr. Clinton Pedlar of Toronto spent the 24th with his parents.

The home of Mr. and Mrs. B Ferris was brightened by the arrival of a young daughter recently.

Priceville

The highland meadows has a remarkably fine appearance for this time of year, some blades of grass being a foot or more in length; but on some low lands, both grass, and grain fields are damaged by excessive moisture

About 2 a m. on the 23rd a severe thunderstorm broke over the vicinity, and while all out doors was brilliantly lighted up by electric flashes, every household seemed to be awake, and lights were burning during the 30 minutes while the storm was passing. Some of the creeks west of here have overflowed and flooded the gravel road, we hear that Mr. G. McTaggert had a cow killed by light ning during one of the recent storms.

Several of the old residents have passed away from this life during the last two weeks. Mrs. Neil McLeod, an old lady of over 80 yrs. and for many years a resident of Glenelg township, was laid away in the cemetery at Smileys Corners.

On the 27th the funeral of Mrs Hales took place from the residence of her son-in-law, Mr. L. McArthur, where she resided with her daughter during the last few months.

On the 28th a very large concourse of people assembled at the Williamson residence, O.D.R., to pay their last respects to the late M. Wiliamson, who after a long illness, passed away on the 26th. The procession was one of the largest seen here for some time. Rev. Mr. Matheson officiated at the house and was assisted by Rev. Mr. Roach at the grave.

On Monday morning last Mr. Duzald McLean, after a few weeks' illness, passed away from our midst. Mr. McLean has been for many years a resident of the village, a shoemaker by trade. Although a man who held firmly to his own opinions, yet he was scores of times called to the public platform and listened to with interest by large audiences. Deceased has been an active director of the Agricultural society here for several years, although he was advancing towards 80.

The Presbyterian church has been reopened after having the interior painted throughout. Rev. Stanley Robinson preached morning and evening on Sunday to large congregations, and on Monday last a successful entertainment was held. The Flesherton Presbyterian choir rendered fine music. The solos of Mr. Sheppard of Flesherton, and Miss Anna James, Priceville, were particularly admired for their clear pronunciation. The proceeds were applied to the painting fund
