Bank Robbers Convicted

Retribution came swift and sure to the Flesherton bank robbers. At the Sessions in Owen Sound last week the two men, John Murphy and William Naughton, were placed on trial. When the case was probably half finished the criminals threw up the sponge and pleaded guilty. The judge sentenced the men to six years each in the penitentiary. Mr. Mitchell has recovered $1852.20 out of the $2160 stolen. This case can go on record as one of the cleverest captures and convictions extant. A large degree of credit belongs to Postmaster Sproule of this place for the capture of these crooks. Mr. Sproule spent considerable time in hunting up evidence and through his instrumentality they were identified as the men who left incriminating papers in a barn near Dundalk, where the men were accidently discovered by a little girl. The public would have been better satisfied had the sentence been ten years.

Under the circumstances they were let off light.

Other cases before the court were:

McIntyre vs McArthur—An action for damages arising out of a timber transaction which occupied the whole of Tuesday afternoon and Wed. forenoon, the case being keenly contested at every point. Judgement in favor of the plaintiff for $120 and full costs of suit, dismissing the defendant's counter claim without costs. A. G. MacKay, K. C. and W. F. Dunn, (Durham) for plaintiff. J. P. Telford, (Durham) for defendant.

Rex. vs. Clifford Graham,—was charged with having stolen some $45 00 from John Winn, at the Ross House Owen Sound, on 30th April last. Several witnesses were called to establish a chain of evidence against the accused. He himself went into the box, denied the charge and attempted to show that the money on his person was his own and where he had earned it. The jury after some two hours consideration brought in a verdict of guilty with a strong recommendation for mercy, John Armstrong for the crown and MacKay, Sampson & Telford for the accused.

Rex. vs. Mrs. Duncan McIntyre.—This was the next case entered into. Mrs. McIntyre resides at Meaford and is charged with having endeavored to extort from William Dickson of Woodford money under threats of a prosecution under the Liquor License Act, for the sale of liquor on Sunday The jury brought in a verdict of guilty with a strong recommendation for mercy. His Honor Judge Hatton let the prisoner off on suspended sentence. John Armstrong for the Crown. McKay Sampson & Telford for the accused.

Rex. vs. Charles Hoy,—The case was taken up Thursday. The prisoner resides at the township of Egremont and is charged with having in December last passed a worthless confederate $10 bill upon one James Vassie. John Armstrong for the Crown. A G. McKay. K. G. and W. F. Dunn (Durham) for the accused. The jury returned a verdict of guilty—sentenced to six months.

Forgery at Owen Sound

Leonard Harrison, a young Englishman who, during a short residence in Owen Sound has moved in a very select circle of society, was arrested Saturday night on two charges of forgery. Harrison was employed by Dr. Milton Cavanagh. A number of accounts were sent out, and it is alleged that the young man forged an order permitting him to sign for all registered letters received. Among the letters was one containing a check for fifty dollars. This he tendered at the Merchant's bank, but was refused payment. At the Molson's bank he succeeded in getting it cashed The circumstances became known to Dr. Cavanagh, and he informed the police. As Harrison came out of an ice cream parlor on Saturday night, in company with a young lady, he was arrested. Thirty-four dollars of the money was found under his collar. The balance had been paid to his landlady for board.

At the meeting of the Simcoe County Council last week the question of selling the stock held by the county in the Grand Trunk Railway Company was discussed at length. It has been the subject of several discussions and of serious consideration by the county solicitors. In the Finance Committee a majority of the members concluded that it was best to dispose of the stock at 13½c on the dollar, and a recommendation to this effect was presented to the Council. Mr. Fraser, chairman of the committee, disagreed with the recommendation, believing that a better sale could be made He accordingly was deputized to visit Toronto, with the result that he succeded in securing an offer of 14½c. which will net the county between $20,000 and $25,000. This sale is considered a windfall, and it is said that it is it is the intention of the Council to apply the amount received to the good roads fund.
