Address and Presentation

The home of Mr. and Mrs. Wm. McKee, who recently moved into the village from the 4th line, was invaded on Saturday evening last with the object set forth below.

To Mr. and Mrs. McKee:—

Though our intended invasion of your home this spring was frustrated by your removal to Flesherton sooner than we expected, we are not to be outdone, so we have again assumed the aggressive with better prospects, we see, of a decisive engagement. We feel that you will pardon our following up your retreat and inflicting upon you a brief investment, when our peaceful object has been divulged. Your long sojourn on the Fourth Line, your genial dispositions, honorable lives, generous and sympathetic hearts, have endeared you, as neighbors, to us. The assistance, Mr. McKee, which you ever and readily gave in our Sunday School, the helpful counsel we received, and your liberal spirit, promotive of the unbroken harmony we enjoyed in our Union School, we regret to lose. As a tangible expression of our esteem and gratitude, and as a memento of your long connection with the Fourth Line Sunday School, we ask you to accept this Bible. To you, Mrs. McKee, whose work has been less direct and palpable, though none the less effective, we feel deeply indebted, too, knowing that we ever had your sympathy and your help rendered through silent endeavors and sacrifices, to enable your esteemed husband to take the more active and prominent part. We ask you to kindly accept this cruet, as a token of our love and a souvenir of our pleasant relations during your residence on the Fourth Line, Artemesia.

Signed in behalf of the officers and teachers of Daleside S. S.

PILLS AND PILES

A prolific cause of Piles is the use of cathartics and pills of drastic, violent nature.

Followed by a reaction on accouut of the resinous, drying properties they contain.

There are other causes, but no matter what the cause or what the kind of Piles, Dr. Leonhardt's Hem-Roid can be relied upon to cure—to stay cured.

It's an internal remedy that removes the causes of Itching, Blind, Bleeding or Suppurating Piles.

A guarantee goes with each package containing a month's treatment.

It can be obtained for $1.00 at druggists. Sold by W. E. Richardson.

Fools Use Washes and snuffs.

Thinking perhaps they will cure Catarrh,—but no one ever heard of a genuine cure following such senseless treatments. There is just one prompt and thorough cure for catarrh and it is fragrant healing Catarrhozone which goes right to the root of the trouble. It destroys the germs, heals the inflamed membranes and cures any case no matter how obstinate or long standing. "I experimented for years with Catarrh remedies but found Catarrhozone the most rational and satisfactory" writes W. J. MacEachern of Waterville. "It cured me for all time." For a sure cure use only Catarrhozone. Complete outfit, $1.00; trial size 25c.

The Wingham Times says: Mr. William Anderson, who resides in the Township of Turnbury, about two miles from Wingham, and who has passed his 77th milestone in life, recently clipped twenty sheep in half a day. This is certainly pretty good work for one who has attained such an age. Ma. Anderson is a Scotchman, and has been a resident of of this locality for many years, having been present at the raising of the first house built in Wingham.

An exchange says: "The most senseless of fools is the one who mixes his language with curses to cover his ideas. The man who can't talk expressively without dragging into his conversation references to his maker or viler references to his fellows is not fit to associate with swine. It is all very well to say that these people do not mean anything by it. If a man were to deposit filth in front of your premises or on the public highway, he would be promptly brought to time. Why should these beasts who defile and polute your office or store with their vile talk be allowed to do so with impunity? There is neither excuse nor palliation for profanity. It serves no purpose in expressiveness or anything else. Fortunately, public sentiment is growing against swearing as well as against boozing and other low habits. Still there seem to be plenty of young men who think it smart to reel off a string of abominable oaths under the slightest provocation. The man who habitualy swears will do worse. Put that down! The fellow who reguards his Maker's name as a common thing and who makes his mouth a vehicle for filth can't have a huge regard for his own honor and the feelings of others.
