Eugenia

Dominion Day passed off very pleasantly. Picnics from several points came to spend the holiday. It was pleasant to notice the quiet, orderly behavior of the young people—no drunkenness or rowdyism to be seen. It is certainly a credit to the young people and also to our town. Eugenia people still extend a cordial welcome to all who can visit her pleasant, shady groves.

Mr. and Mrs. John Walker and little daughter are visiting their parents here.

Mrs. Slack and her two little girls of Toronto are visiting relatives here.

Mr. Hugh Pedlar, formerly of The Advance staff, has returned home to assist his father with the crops, the latter being almost disabled with rheumatism.

Mrs. Wiggins of Toronto is the guest of Mrs. Walker Sloan.

Miss Abbie McMullen is home spending holidays with her mother. Her many young friends are pleased to have her home again from the city.

Mrs. Olcott of Toronto is the guest of Mrs. Plantt for a few weeks.

Rev. Mr. Wass of the Methodist church has arrived to take charge of this circuit A large congregation awaited him here Sunday evening. All were pleased to meet him and all hope he may find this part of the Master's vineyard a profitable field of labor. May he have many souls for his hire.

The Presbyterian Sabbath school will picnic at Duncan on Friday first. All welcome.

Vandeleur

Mr Ernest Buchanan is home from O. S. Business College for his holidays.

Miss Glassford of Caledon and Mr. and Mrs Parr of Toronto visited at Mr. John Boland's a few days recently.

Mr. and Mrs. Samuel Carson of Toronto are spending their honeymoon with friends in this vicinity.

Mrs. Geo. Pritchard has returned from a trip to Orillia

Mr. Hugh Walkim of Toronto and Mr. Hemphill of Dundalk spent Sunday at Mr. John Warling's.

The garden party held here on July 1, under the auspices of Court Vandeleur, C.O.F., was, notwithstanding the inclemency of the weather, a decided success. During the afternoon the Markdale band rendered music in their usually excellent manner. The tea, which was served in the C. O. F. hall, was thoroughly enjoyed judging by the manner in which the eatables disappeared. After tea all repaired to the school-house, which was packed to the doors, and listened to a good programme rendered by the following talent: Markdale silver band; Miss Glassford, Caledon; and local talent. Mr. Strong, organizer for the C.O.F., gave a very pleasing address in the interests of the order. Mr. Charles Crow, Markdale, gave a vocal selection. Rev. Paul Flint of Galt gave a short address. The program was brought to a close by the Markdale band playing the National Anthem. The proceeds amounted to $75.

Mr. Matthew Richardson very ably filled the pulpit here on Sunday in the absence of the pastor.

A goodly number from here attended the service at Ebenezer on Sunday evening. Rev. Berry gave a stirring temperance address. He leaves for his new field of labor this week.

Wedded at Kimberley

A pretty home wedding took place at the residence of Mr. and Mrs. D. Wallace, "Riverside," Kimberley, at 6.30 o'clock Wednesday evening, June 29, when their eldest daughter, Minnie, was united in marriage to Mr. John Proctor of Duncan, son of Mr. George Proctor of Redwing. The bridal party entered the verandah overlooking the lawn, which was decorated for the occasion, to the strains of the Wedding March played by Miss Lizzie Weber, and stood under an evergreen arch. The bride was handsomely gowned in white silk trimmed with overlace insersion and lace; the bridesmaid, Miss Christena Proctor, sister of the groom, was gowned in cream lustre trimmed with satin and lace. Mr. Andrew Wallace, brother of the bride, supported the groom. The ceremony was performed by Rev. D. D. Franks of Heathcote in the presence of about 100 guests. After the usual congratulations were showered on the young couple the guests sat down to a sumptuous wedding supper. The bride was the recipient of many useful and valuable presents. We join with the many friends in wishing Mr. and Mrs. Proctor a long and prosperous voyage through life. Among those from a distance who witnessed the ceremony were Mr. Victor and Miss Cecilia Atkins, Owen Sound; Mr. and Mrs. Thomas Wallace, Chippewa Hill; Mr. and Mrs. Thomas Hutchinson, Redwing; Miss Edna Thurston, Woodstock; and Mr. and Mrs. David McCallum, Redwing.

The Verdict of Public Opinion.

Is with the best article every time. That's why Putnam's Corn Extractractor has been in the lead for the last half-century. It cures corns painlessly in twenty four hours and never fails. Use only Putnam's for corns and warts

Defects scarcely noticeable in children assume dangerous proportions with advancing years.
A proper correction now will prevent serious complications later.
