### In Memory

Of Wm. Parker, who died June 30th, 1904

Day by day we saw him fade
And gently sink away:
And often in our heaats we prayed
That he might longer stay.

Yet thus he died with holy joy
And entered into rest
To bloom with immortality
And be with Heaven's blest.

—Eva Parker.

What can it mean? Is it aught to him
That the nights are long, and the days are dim?
Can he be touched by the griefs I bear,
Which sadden the heart and whiten the hair?
Around his throne are eternal calms
And glad, strong music of happy psalms,
And bliss unruffled by any strife,
How can he care for life?

And yet I want Him to care for me
While I live in this world where the sorrows be;
When the lights are down from the path I take;
When strength is feeble and friends forsake;
When love and music that once did bless
Have left me to silence and loneliness;
And my life song changes to sobbing prayers,
When my heart cries out for a God who cares.

Oh, All that are sad take heart again!
We are not alone in our hour of pain;
The Father stoops from His throne above
To sooth and comfort us with His love.
He leaves us not when the storms beat high,
And we have saftety, for He is nigh.
Can it be trouble when He doth share?
Oh rest in peace, for your Lord does care.

### One of the Vilest Diseases.

MacVicar of Yarmouth, suffered for years from catarrh and says, "In my long experience with this loathsome disease I never used any remedy that relieved and cured so promptly as Catarrhozone. I am perfetly cured by Catarrhozone and free from the disease entirely." Use only Catarrhozone. Complete outfit $1.00; trial size 25c.

### Eugenia

Eugenia has had a large number of visitors from the city during this holiday season. The Eugenia house is full of guests from Toronto.

Mr. W. J. Purvis and two children, Mrs. Thomas Spence and family, and Mr. W. Purvis, jr., were visitors at the home of Mr. Wm. Purvis. As the old gentleman is in his 89th year and in frail health, his friends paid the old people a short visit.

Mr. W. Fenwick and wife and four children, also of Toronto, were guests at the parental home here.

Mr. R. Wallace visited his parents at Eugenia.

Other personals:—Mrs. Rusnell and children are at her parents, Mr. and Mrs. F. T. Carr's. Miss Holdershaw of Chatham is visiting her friend Mrs. Macdonald. Master Hilyard LeGard of the city is visiting his grandmother, Mrs. Meldrum,

The thunderstorm which passed over this neighborhood on Wednesday night last was very severe. At the residence of Mr. J. H. Duckett the lightning played some strange antics, shattering the chimney and splintering the diningroom floor, passing also through other parts of the house, and finally making a hole in the cellar floor where it disappeared after splintering a number of rafters. The house got a bad shaking up. Miss Maud and her two brothers were sitting at the front door and were badly shocked. Altogether it was a miraculous escape.

**To Prove what Anti-Pill, the Great System Treatment will do for you, Every Reader of this paper may have a Sample Bottle sent Free by Mail.**

Derangement of the stomach is responsible for much sickness and suffering. Every organ of the body depends upon the stomach for its nutriment and strength—If the stomach is not working right the blood carries to the liver, heart, nerves and kidney tissue imperfect nutrition—They become weak and unable to perform their work—become clogged, diseased, and throw out their distressed symptoms. Now you may get stimulative, temporary relief by the taking of a kidney, liver, nerve or heart specific, but the cause remains—The stomach is at fault, and so long as it keeps loading the blood with impurity—waste, so long will the blood transport and deposit disease breeding elements in the week places—when you feel sick, help the stomach first. A well stomach means a well body. Anti-Pill the Great Sytem Treatment, is a new discovery that has a marvellous influence in correcting the system ailments. Address, Wilson-Fyle Co., Niagara Falls, Ont., for free sample. Regular size, a month's Treatment, 50 cents at druggist.

Francis J. Blair, eldest son of Mr. R. Blair, formerly of the west back line, Artemesia, died at the residence of his uncle, Mr. Andrew Beattie, Toronto Line, on Saturday last. He suffered with an infection of the throat and came from Aurora, Ill., some two months ago to recuperate, but after some improvement at first an adverse turn set in with above result. The funeral took place on Monday to the Presbyterian cemetery, Orange Valley, and was largely attended, Rev. Mr. Rodwell officiating. Deceased was thirty five years of age and unmarried.—Standard.

Mr. Robt. Culliton, gravel road, met with a severe accident on Monday morning on his farm. He had loaded a number of hogs and was holding the team by the heads, when they were frightened and jumped, knocking him down and running away. The wheels passed over his legs, but no bones were broken. No damage was done the team, wagon, or load, and they were driven into Dundalk after the accident.—Herald.
