GLOBES,

JUST RECEIVED and for Sale at the City Book Store,

Copley's Sixteen Inch Improved

AMERICAN GLOBE,
THE LARGEST EVER PRODUCED.

Upon examination they will be found far superior to any yet published, having been constructed by Mr. Copley (after forty years experience in hydrographical and geographical works) from the latest surveys up to the present time. The Coasts, Islands, &c., have been laid down (by permission) from Messrs. E. & G. W. Blunt's new Charts, and all the valuable data, in their possession, together with the U. S. Coast Surveys, British Admiralty, French, Spanish, Russian and Dutch Charts, embracing all the new discoveries in all parts of the world.

The Celestial Globe has been drawn upon the most scientific principles, every star being laid down in its true position, from the works of Flamsted, Hevelius, Piazzi, and La Caille. The stars of the three first magnitudes being colored, readily point out the different constellations. This improvement is considered by Prof. Bond of Cambridge, and others, of great importance.

The Nebulæ and Clusters are from the works of Sir W. Herschell, Sir J. Herschell, Mr. T. Dunlop and Prof. Messier, comprising all the information that has hitherto only appeared upon the three feet Globe's published in London. All extraneous matter has been discarded from the surface o these Globe's the titles, the references, &c., which so much disfigure others, have been placed upon the horizon.

THE ROAD TO HEALTH!

HOLLOWAY'S PILLS.

CURE OF A PAIN AND WEAKNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

From Messrs. Thew & Son, Proprietors of the Lyn Advertiser, who can vouch for the following statement.—August 2nd 1851.

To Professor HOLLOWAY.

Sir,—I desire to bear testimony to the good effects of Holloway's Pills. For many years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me that I am desirous that others should be made acquainted with their virtues. I am now rendered by their means, comparatively, and can take exercise without inconvenience or pain, which I could not do before.

(Signed) HENRY COE, North Street, Lynn, Norfolk.

For Sale by E. W. Palmer, Market Square, Kingston.

HERE IS YOUR REMEDY.

HOLLOWAY'S OINTMENT,

A WONDERFUL CURE OF A DISEASE OF SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist residing at Newborough, near Hexham dated May 15th, 1850.

To Professor HOLLOWAY.

Sir,—I was afflicted with a swelling on each side of the leg rather below the knee, for nearly two years, which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest, and although I have followed my laborious occupation throughout, he winter I have had no return whatever of my complaint.

(Signed) JOHN FORFAR.
