The Evangelistic Services.

Rev. A. H. Ranton began evangelistic services here on Sunday last, holding his opening meeting in the Presbyterian church in the forenoon, and in the Methodist church at night. At the morning service the church was filled, when the evangelist took his text from Acts 2nd chapter, 16th verse, "But this is that"—preaching a strong sermon therefrom. At the evening service the sermon was from the well-known text, "For what shall it profit a man if he gain the whole world and lose his own soul." Heavy thunder storms prevented a large attendance at this service, although a good audience was present. The preacher handled his subject in a very original and deeply interesting way. Mr. Ranton is pronouncedly the best evangelist who has ever visited Flesherton, and the result of his labors here are looked forward to with great confidence, and a strong interest is manifested therein by the members of the various churches. He is a pleasing speaker—energetic, interesting, dramatic, full of personal reminiscence and never lacks an incident to clinch a point. In addition he has a fine presence and is what the ladies would call "good looking"—but of course this is a controversial question, and altogether wide of the problem at issue His previous record in other places would lead the public to expect probably greater results than the net results will themselves justify, owing to the limited field here, but still in this we may receive an agreeable disappointment before the meetings are closed These meetings cannot fail to attract large crowds of people, and the good to be accomplished rests to a large extent with the people themselves. Mr. Ranton will do his part and do it well. He himself expects standing room to be at a premium before many evenings pass.

Following are subjects for the coming week: Thursday evening, "The unpardonable sin;" Friday evening, "Fools and their follies;" Sunday morning, "How, If and But;" Sunday evening, "Past, Present and Future;" Monday evening, "He blamed it on his wife." Tuesday evening, "Kadesh - Barnea" Wednesday, "The smile that won't come off."

Wyville—Loucks

A very pretty wedding was solemnized at high noon on Wednesday, September 7th, 1904, when Mr. Aaron F. Wyvile of Markdale was united in marriage to Miss Stella, eldest daughter of Mr. and Mrs. P. Louchs, of Flesherton mills, the ceremony being performed by the Rev. L.W. Thom, of the Presbyterian church, Flesherton. The bride looked charming in a dainty gown of white silk, trimmed with aplique and chiffon, and carried a shower boquet of cream roses and fern. Miss Ethel Matheson, niece of the groom, acted as bridesmaid and looked dainty in white organdy trimmed insertion, and carried a shower boquet of pale pink carnations and fern. The groom was ably assisted by Mr. Walter Loucks, brother of the bride. The bride marched into the drawing room leaning on the arm of her father to the accompaniment of the wedding march, which was played by her sister, Miss Eva. The room was tastefully decorated with cedar and with a profusion of flowers everywhere. After the ceremony the guests, which numbered about fifty, sat down to a sumptuous wedding breakfast, the tables being spread on the lawn under a canopy of evergreens, which was indeed a perfect bower of beauty. The bride's going away gown was of military blue ladies' cloth, the reviers of jacket being faced with cream silk and opening over a bodice of the same. Her hat was of the same shade of blue velvet and cream silk. Quite a number of their friends accompanied the happy couple to the station and they departed on their bridal tour amid the usual shower of rice and the best wishes of their friends to visit Toronto, Thousand Islands, Ottawa, Russel, Kingston, Osnabruck and other points of interest. The many valuable and useful presents of which the bride was the recipient shows the esteem in which she is held by her many friends. Mr. and Mrs. Wyville intend to reside in Markdale, and will be at home to their many friends after October fifteenth. We all join in wishing them a long, prosperous and happy voyage through life.

The appointment of Earl Grey as governor-General of the Dominion, is especially satisfactory to the people of this county of Grey. The county was named after his title. Three years ago the crest of Earl Grey was embodied in the corporation seal. Mr. Charles Gordon wrote Earl Grey shortly after its adoption and secured permission for its use.—O. S. Sun.

Bronchitic Asthma a Heavy Burden.

Asthma is bad enough but when bronchial symptoms are added the poor sufferer has almost an intolerable existence. An absolute specific is found in fragrant healing Catarrhozone which cures chronic cases that other remedies won't even relieve. "For years," writes Capt. McDonald of Montreal, "I battled with the agonies of bronchitic asthma. Often I couldn't sleep for nights at a time. I spent thousands of dollars on doctors and medicines without relief, but one dollar's worth of Catarrhozone cured me." Catarrhozone can't fail; it's guaranteed. Two months' treatment $1; trial size 25c

The C. P. R. have practically closed a contract with the works at Sault Ste. Marie for 40,000 ton of steel rails, delivery to begin in February next.
