Surprise Party at Wareham

A surprise party composed of about thirty members of the Bible Class of Wareham Methodist Sunday school met on Friday evening last at the home of Mr. and Mrs. S. J. Arnott. After a pleasant evening spent in games and other interesting amusements Miss Bradley read the following address:

Mr. Samuel Arnott:

DEAR TEACHER,—The pupils of the Bible class have not been unmindful of your perseverance, interest and devotion on our behalf. The spirit of self sacrifice, of love and sympathy which you have revealed, is not only commendable, but to say the least merits far greater reward than we have been able to give you. Every service you could possibly render in order to make us more efficient you have cheerfully given. Your love for your work has been so manifested and has so entwined its tendrils around our hearts that you have won a place in our affections that the storms of life can never destroy. But you have not only stood before us as a teacher performing thoroughly your task: you have stood before us as a man. We have marked your manly qualities and have noticed in you the embodiment of principles worthy of being imitated. The principles and lessons you have taught us from Sunday to Sunday, and also shown us by practising them in your life, have brought us to a clearer vision of God and of true manhood. We are proud of you as our teacher and we desire to give you some assurance of our feelings towards you; we therefore ask you to accept this Bible, not for its intrinsic value but as a small token of the esteem in which you are held. We sincerely trust that the ties of friendship so closely formed may long remain. May God by his great mercy defend you from all danger and perils of this life and spare you for many more years of usefulness. We wish to take this opportunity of extending a hearty welcome to Mrs. Arnott. Our prayer is that God may richly bless you both; that your home may be one of lasting happiness. Signed on behalf of the Bible class. Mrs. M White, Jas. Menzies, John Gordon.

Mr. Arnott cordially thanked his class for their lovely present, after which the ladies served luncheon. Then with best wishes to their kind host and hostess the company took their departure.

Man's Humanity to Man

Mr. J. B. Bennett, who was injured by the fall of a tree on the 24th December, the particulars of which appeared in these columns, is, we are glad to report, about again after his narrow escape and precarious injuries. His neighbors have been exceedingly kind, not only when he was laid aside but since he got upon his feet, no less than 28 teams have been delivering for him telegraph poles, cordwood and posts, which he had cut in his bush previous to the accident—Standard.

Chamberlains Cough Remedy the Mother's Favorite

The soothing and healing properties of this remedy, its pleasant taste and prompt and permanent cures have made it a favorite with people everywhere. It is especially prized by mothers of small children, for colds, croup and whooping cough, as it always affords quick relief, and as it contains no opium or other harmful drug, it may be given as confidently to a baby as to an adult. For sale by W. E. Richardson.

Chamberlain's Cough Remedy Absolutely Harmless.

The fault of giving children medicine containing injurious substances, is sometimes more disastrous than the disease from which they are suffering. Every mother should know that Chamberlain's Cough Remedy is perfectly safe for children to take. It contains nothing harmful and for coughs, colds and croup is unsurpassd. For sale by W. E. Post Office Notes

Last year $11,737,940 was put in the P. O. Savings Banks of Canada The amount now held in trust by the government for the people of Canada is $45,419, 706.81.

The gross revenue of Toronto P. O. is $945,909 60. Montreal though a much larger city than Toronto, has not as much postal revenue, the total for the commerial capital of Canada being $638,941 31.

The largest sum in a registered letter to go astray was $10,000 sent from the Bank of Hamilton, Winnipeg, to the Bank of Hamilton, Vancouver. The package was stolen by a mail clerk who got 7 years in penitentiary for his deed. An accomplice got 18 months in jail. $6,820 of the stolen money was subsequently recoverd.

It is the British Columbia part of the mail transportation system that comes high. J. Clark gets $850 for carrying the mail once a week from Nicola Lake to Princeton a distance of 72 miles. If we mistake not the mail carrier on this route is a son of Thos. Clark of Bentinck. From Penticton to Princeton, a distance of 75 miles, the cost of a weekly mail delivery is $1,028 62.

A Family Necessity

Is a remedy capable of affording immediate relief to the hundred and one ailments that constantly arise. It may be a cold, perhaps toothache, neuralgia, pain in the back,—use Nerviline, it's more penetrating, pain subduing and powerful than any other liniment. Nerviline is at least five times stronger than ordinary remedies and its worth in any household can't be overestimated. For man or beast Nerviline is a panacea for all pain and costs only 25c. per bottle. Buy Nerviline to day.

George Gulliver, who wandered away from the Homewood sanitarium at Guelph on Tuesday of last week was on Sunday found dead in the woods adjoining the institution. He was on his knees and frozen stiff. Evidently he had become exhausted while en route back to the sanitarium.

The Best Physic

When you want a physic that is mild and gentle, easy to take and certain to act, always use Chamberlain's Stomach and Liver Tablets. For sale by W. E. Richardson.

County Treasurer S. J. Parker received on Friday last a check from the Provincial treasurer for the $4000 statutory grant to the house of refuge. This has been applied on capital account and was included in the estimate of cost when the debenture issue of $15,000 was made to cover the balance of the cost of erection of the building.

Sick Headache

This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose or two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off or greatly lessened in severity, by taking a dose of these Tablets as soon as the first symptom of an attack appears. Sold by W. E. Richardson.

Mr. Whitney will have a majority of about forty when the house meets. Owing to a few recounts and other contingencies it is not possible at present to give the exact number.

Afraid of Strong Medicines

Many people suffer for years from rheumatic pains, and prefer to do so rather than take the strong medicines usually given for rheumatism, not knowing that quick relief from pain may be had simply by applying Chamberlain's Pain Balm and without taking any medicine internally. For sale by W. E. Richardson.

Opened this week at Sproule, Crossley, & Co. Flesherton, stock of fresh groceries. Salmon Trout by half barrel and pure clean flaxseed; also received a fresh stock of best Manitoba Blended flour, all sold at lowest prices.

Harry and his handsome partner were on their way to St. Paul, near Stratford, where they now live.—Durham Chronicle.
